For Immediate Release

Iowa County Health Department

Director/Health Officer Debbie Siegenthaler RN, MSN

COVID 19 Update, Additional Case

Iowa County – The Iowa County Health Department announces an additional lab confirmed case of COVID 19 Iowa County, bringing the total case count to 11. The recent case is an individual between the ages of 25 and 45 who is isolated at home. Iowa County Health Department has contact with all confirmed cases and reaches out to those who may have had close contact to each confirmed case. The Health Department assists in actively monitoring their health while they are under quarantine.

Seven of the eleven Iowa County cases are considered recovered. The number of patients recovered from COVID-19 is defined as the number of confirmed cases who are currently alive based on Wisconsin state vital records system data and have one or more of the following:

- Documentation of resolved symptoms
- Documentation of release from public health isolation
- 30 days since symptom onset or diagnosis

Along with physical distancing, please continue strong everyday prevention measures. Wash your hands often and cover your sneezes and coughs with a tissue or your elbow. Wear a cloth face cover if you go out in public. Cloth face covers are an additional tool to prevent people who don't have symptoms from spreading the virus. It's been a long haul, practicing physical distancing and strong prevention measures, and the hard work is slowing the spread of COVID-19 in Iowa County. This doesn't mean we should ease up on the gas pedal. We don't want to have a backslide. COVID-19 doesn't spread itself. People spread it. We don't have a cure or a vaccine yet. Our best tool is isolation for those we know are sick and physically distancing ourselves from others. Each of us represents an opportunity to interrupt the transmission of this virus. If we start to reduce our prevention measures, our risk of getting sick with COVID-19 will go up.

Case Update

11 Positive Test Results in Iowa County
458 Negative Test Results in Iowa County
