

Jason Admonius

2018 Good Neighbor Award

January 28, 2019

Reception: 6:30 pm

Presentation of Award: 7:00 pm

In recognition of lifetime service and dedication through volunteerism, virtue, civic engagement, and creativity to meet community needs.

Jason is the owner of Monies Bar and Grill located in Maple Plain. His place of business is more than just his livelihood, but a means in which he shows his compassion, support, and generosity for the community of Maple Plain and its people.

Jason is a humbled helper who many people may not recognize as he likes to stay behind the scenes. Time and time again, Jason goes above and beyond to partner with the City for various events and to support the community in many different ways.

Jason gives generously to sponsor community events such as the Maple Plain City events for which for multiple years he has prepared and donated the food for the annual community picnic, Party in the Park, and more. Furthermore, Jason supports the West Hennepin Chamber of Commerce, local sports teams, and Orono School athletics.

When someone in the community is in need, Jason is one of the first people to offer to host a benefit or donate to one. One great example of this is that he has hosted the Gage Underdahl Memorial Bike Run for several years. Gage Underdahl of Maple Plain passed away unexpectedly at the age of 39 in 2014 survived by his wife and two children.

He is an exemplary example of the definition of a good neighbor. Thank you, Jason, for all that you do and for your commitment to the community!
