

"Placerville, a Unique Historical Past Forging into a Golden Future"

City Manager's Report
June 25, 2019 City Council Meeting
Prepared By: Regina O'Connell
Item#: 8.5

Subject: Ratify the appointment of Kristin Becker to the Recreation and Parks Commission

Purpose: To fill the one remaining vacancy on the Recreation and Parks Commission by ratifying the appointment of Kristin Becker to the Recreation and Parks Commission.

Background: Up until recently, the Recreation and Parks Commission has had a vacancy since March of this year. An application for Commissioner was received on April 23rd from Kristin Becker. Traditionally, the entire Council has interviewed candidates for the Recreation and Parks Commission and for Planning Commission; however, due to several conflicting meetings this time of year, Staff recommended the City Council appoint a two-person council member sub-committee to interview the candidate. On May 28, 2019, the City Council appointed Councilmember Borelli and Councilmember Thomas to serve on a sub-committee to interview Ms. Becker, which, if appointed, enabled her to attend the next Recreation and Parks Commission meeting scheduled for June 19, 2019. The interview was conducted on June 7th and the sub-committee appointed the candidate.

Discussion: Although the Recreation and Parks Commission meeting of June 19th was cancelled, Ms. Becker has been familiarizing herself with Recreation and Parks activities and the role of Commissioner, and is eager to attend her first meeting.

Staff is recommending the ratification of the sub-committee's appointment of Ms. Becker to the Recreation and Parks Commission, filling the one remaining vacancy.

Options:

1. Ratify the appointment of Kristin Becker to the Recreation and Parks Commission
2. Direct Staff to continue to recruit for the vacancy on the Commission
3. Other options

Cost: There is no cost to the City at this time.

Budget Impact: No budget impact is anticipated.

Recommendation: Ratify the appointment of Kristin Becker to the Recreation and Parks Commission
