# City Council STAFF REPORT

Meeting Date: City Council - Nov 03 2025

**Agenda Item:** Consideration to approve Resolution 2025-35 A Resolution Declaring Certain

Personal Property Surplus and Appointing Appraisers.

Prepared By: Rick Bush, Director of Public Works

#### **BACKGROUND INFORMATION:**

This item was tabled from the October 20, 2025, City Council meeting to the November 3, 2025, meeting to allow staff time to identify three (3) qualified real property owners residing within the corporate limits of the City of Sturgis to serve as appraisers for the real property proposed to be declared surplus.

## **DISCUSSION:**

Under SDCL ch. 6-13, the City Council may dispose of property once it first determines the item is no longer necessary, useful, or suitable for its original purpose. After that declaration, the Council must appoint three real property owners of the City as appraisers (or use a licensed fee appraiser) to value the property and file their report with the Finance Officer. Staff then recommends a compliant disposition path (e.g., sealed bids, public auction, intergovernmental transfer, trade-in, or destruction) and will return to the Council for further action, following the applicable notice and process requirements in SDCL ch. 6-13. For items appraised at less than \$2,500, staff intends to conduct a private or public sale pursuant to law. For items appraised at more than \$2,500, staff intends to publish notice of a sale and accept sealed bids pursuant to law.

Note: Council members, city officers, and the appointed appraisers may not purchase surplus property except at public auction. The surplus resolution requires a majority vote of the City Council. If the City proceeds with a sale of city property, that action requires a two-thirds majority. Non-sale dispositions permitted by law (e.g., transfer, trade-in, destruction) require a simple majority vote.

LESSEE further agrees that CITY shall not be responsible for nor have any obligation to repair any damage to paving the apron area, or other improvements approved by CITY and made by LESSEE, or damage to improvements of any other nature, which MAY occur as a result of snow removal, maintenance activities or other actions of CITY.

In the event LESSEE does provide required notice and remove the hangar building form the property, the LESSEE shall be responsible to see that the property shall be left in a neat and clean condition and free of any debris whatsoever. This obligation of LESSEE shall survive the termination of this agreement.
- 12. Should LESSEE become in default under any provision of this Agreement, then CITY shall have all of the rights and remedies granted to it under the laws of the State of South Dakota for the LESSEE's breach of this Agreement. Notice to LESSEE of default will be provided by mailing notice to LESSEE as set out in paragraph 14 herein.

Prepared By: Rick Bush, Director of Public Works

#### BACKGROUND INFORMATION:

The South Dakota Department of Transportation (SDDOT), through the Aeronautics Commission, has awarded the City of Sturgis a South Dakota Airport Terminal Program (SDATP) grant in the amount of \$210,000.00. These funds were appropriated by the South Dakota Legislature under Senate Bill 144 to support the improvement, expansion, and future capacity needs of public airport terminals.

The grant award was confirmed by correspondence dated November 19, 2024, from the SDDOT Office of Air, Rail, and Transit, requesting that the City execute the grant agreement and return it to their office along with documentation of council authorization.

#### DISCUSSION:

The SDATP funds will be used exclusively for construction reimbursement related to the Sturgis Municipal Airport terminal improvements. Eligible project expenses include improvements necessary to enhance terminal capacity and public service functionality.

Per program requirements, SDATP funds cannot be combined with Aeronautics Trust Funds for the same project, and the City will be responsible for any ineligible or overage costs not covered by the grant.

**The** AIRPORT certifies and agrees that the following information is correct:

The AIRPORT is not an organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association, including all wholly-owned subsidiaries, majority-owned subsidiaries, parent companies, or affiliates, of those entities or business associations, regardless of their principal place of business, which is ultimately owned or controlled, directly or indirectly, by a foreign parent entity from, or the government of, the People's Republic of China, the Republic of Cuba, the Islamic Republic of Iran, the Democratic People's Republic of Korea, the Russian Federation, or the Bolivarian Republic of Venezuela.

It is understood and agreed that, if this certification is false, such false certification will constitute grounds for the DEPARTMENT to terminate any contract awarded and further would be cause to suspend and debar a business under SDCL § 5-18D-12.

The successful AIRPORT further agrees to provide immediate written notice to the DEPARTMENT if during the term of the contract it no longer complies with this certification and agrees such noncompliance may be grounds for contract termination and would be cause to suspend and debar a business under SDCL § 5-18D-12.
