By accepting a license issued pursuant to this chapter, the licensee, the licensee's employees and all principal officers and board members thereof, waive and release the City, its officers, elected officials, employees, attorneys, and agents from any liability for injuries, damages or liabilities of any kind that result from any arrest or prosecution of business owners, operators, employees, clients, or customers for a violation of state or federal laws, rules, or regulations.

B. By accepting a license issued pursuant to this chapter, each licensee agrees to indemnify, defend, and hold harmless the City, its officers, elected officials, employees, attorneys, agents, and insurers against all liability, claims, and demands on account of any injury, loss or damage, including, without limitation, claims arising from bodily injury, personal injury, sickness, disease, death, property loss or damage, or any other loss of any kind whatsoever arising out of or in any manner connected with the operation of the cannabis establishment that is the subject of the license.

39-1-17: Compliance with other applicable laws.

A. Except as may be otherwise provided in this ordinance, any law or regulation adopted by the state governing the cultivation, production, possession, or distribution of cannabis use shall also apply to cannabis establishments licensed by the City.

B. If the state prohibits the sale or other distribution of medical cannabis through cannabis establishments, any license issued hereunder is revoked by operation of law, with no ground for appeal or other redress on behalf of the licensee.

C. The issuance of any license pursuant to this chapter does not create an exception, defense, or immunity for any person or entity in regard to any potential criminal liability the person or

entity may have under federal law for the cultivation, possession, sale, distribution, or use of cannabis.

39-1-18: Enforcement, Penalty, and Nuisance:

A. Any person or entity violating a provision of this chapter shall be subject to the general penalty provisions of Title 12 of the Sturgis City Code.

C. In addition to any other remedy, the City attorney may apply to a court of competent jurisdiction for an injunction to prohibit the continuation of any violation of this chapter. Continued violations of this chapter are deemed to be a public nuisance. Such application for relief may include seeking a temporary restraining order, temporary injunction, and permanent injunction.

D. In the event of a violation, suspension, or revocation where the licensee may no longer legally possess cannabis, cannabis products, or other restricted items, the licensee shall be responsible to pay the costs incurred by the City for securing, storing, safeguarding, transferring, or disposing of any cannabis, cannabis products, or other restricted items.

39-1-19: Severability:

If any section, sentence, clause, or phrase of this chapter is held to be invalid, unenforceable, or unconstitutional by a decision of any authority or court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this code and the remainder shall remain in full force and effect.

City Council Report

Meeting Date: October 4, 2021
Agenda Item: Consideration to approve 2021 and 2022 Professional Medical Services Contract between the Sturgis Ambulance Service and Meade County
Prepared By: Daniel Ainslie, City Manager

Recent History

In an effort to provide cost effective service delivery to residents within Meade County and the City of Sturgis, both government agencies seek to work together cooperatively whenever possible. This has included joint funding of the dispatch (9-11) services, the joint use and funding of the Law Enforcement Center and the joint use of the Sturgis Animal Shelter. In a further effort to provide cost effective services to residents of the City and County, the City's Ambulance Service has provided limited Medical Services to the Meade County Jail since September 15, 2015.

Professional Medical Services Contract

The Sturgis Ambulance Service provides:

1. An initial inmate medical exam and assessment within 72 hours of incarceration
2. Prepares and administers medications as prescribed
3. Complete associated records
4. Provide occasional Ambulance transport services for Meade County inmates at no additional charge to Meade County

Previously, these tasks were completed by a nurse employed by Meade County. The agreement authorizes Sturgis Ambulance personnel to provide these services with existing Ambulance Department personnel.

Budget Impact

The negotiated compensation for the services is $100,000 per year. The contract would begin April 1, 2021, as such the total payment for 2021 would be $75,000 and in 2022 it would be $100,000. This revenue is included in the 2022 Ambulance budget.

The attached agreement is for the 2nd through 4th quarter of 2021 and the entire 2022 Calendar year. Staff recommends approval of the attached 2021 and 2022 agreement.
