Lana made a motion to approve the August agenda and June's minutes, Seconded by Bill. Both were approved by Park Board

Approval of Claims

A motion for approval of claims by Lana, seconded by Bill and Shauna. All approved

Parks Superintendent Report

Cody informed Park Board that the Parks Dept have been very busy completing projects. Parks Dept helped the Streets Department with Rally set up and tear down, finished up tree trimming in the parks for the Challenge Grant, cut down 310 dead trees along the Deadman Channel, installed new irrigation and remodeled old concession building into a storage shed at Ft Meade Adult Softball Complex, installed new fencing at Pony Fields, installed new signs and garbage totes at City Parks, refurbished and installed new bus stops throughout town.

Old Business:

Public Work Campus- Plans are nearly completed, hoping to go out to bid in September. Estimated completion date set as December 2018

Ft Meade Trail- The trail construction is underway. Looking at a completion date on 10/14/17

First Ave Trail Tie In

Meintz is planning on working on the 1st Ave Trail Tie In on Sept 6 and 7.

Updates on City Dams

The Watershed has been opened to the public. All signage will in place soon. Water department will be lowering the water levels so that the SD School of Mines can come inspect the dams

New Business:**Other:**

The area around the Community Center will be revamped to include playground, tennis courts, (second tennis court can used as an ice skating rink during the winter months), sand volleyball, basketball, and pickle ball courts. The Skate Park will be moved to that area when the redesigning takes place.

Next Meeting is scheduled for September 26, 2017
7:00 AM at City Hall Front Meeting Room

Meeting adjourned 7:45 AM
