DESCRIPTION OF AGENDA ITEM (Please provide detailed information, including deadline):

Enclosed is a copy of the County Administrator's 2021 Budget proposal. It was considered by the Executive Committee and recommended to the County Board. This budget was designed to maintain our existing tax rate in order for properties with the same valuation to not experience an increase from year to year. This was accomplished by using our added equalized value in support of funding our capital improvement plan.

RECOMMENDATIONS (IF ANY):

The Executive Committee recommends the County Board to approve of the 2021 budget.

AGENDA ITEM # 7

COMMITTEE ACTION:

LEASE AGREEMENT
Between
Iowa County, Wisconsin
And
Wisconsin Department of Transportation
Regarding
Road Salt Storage Facility

Summary: WisDOT to lease 3,600 square feet of a County-owned facility, with a 1,200-ton capacity, on County-owned land for road salt storage in accordance with this Lease.

Section 1: Lease Agreement

This lease agreement (“Lease”) is made and entered into this 1st day of November 2020, by and between Iowa County (“County”) and the Wisconsin Department of Transportation (“WisDOT”) pursuant to WisDOT’s statutory authority under Wis. Stat. §§ 84.01(13), 84.07, 84.09, and 85.15. WisDOT needs space in the County-owned 3,600 square foot facility having a total capacity allocation of 1,200 tons on the Premises (“Facility”) for road salt storage. The Premises, as defined below, represents the best location for the Facility based on WisDOT’s operational needs. WisDOT owns no comparable real estate suitable for this purpose. In consideration of the mutual promises and covenants contained in this Lease, County and WisDOT agree:

Section 2: Basic Lease Provisions

- 2.1 Definitions:** As used in this Lease unless the context requires another interpretation:
 - 2.1.1** “Access” or “accessibility” means the ability to freely use the allocated capacity for state salt storage.
 - 2.1.2** “Capacity allocation” or “allocated capacity” means the agreed upon portion, measured in percentage, of the Facility’s functional capacity designated for the storage of salt for use on the state trunk and interstate highway systems and the capacity allocated for the storage of salt for use on county trunk or other roadways.
 - 2.1.3** “Financed” means the provision of funds to develop design plans, purchase land or materials, pay for construction, or any combination thereof by one party or jointly among the parties. The term “financed” does not include payments by WisDOT to County for salt storage under the routine maintenance Authority for Expenditure Agreement or the Sodium Chloride Reimbursement Policy 5.16 of the State Highway Maintenance Manual.
 - 2.1.4** “Hazardous substances” means any substance that is toxic, ignitable, reactive, or corrosive, and whose storage, handling, disposal, or transport is regulated by federal, state, or local statute, rule, regulation, or ordinance and shall include any material or substance that is defined as “hazardous waste,” “extremely hazardous waste,” or “hazardous substance” pursuant to federal, state, or local statute, rule, regulation, or ordinance, including, but not

limited to, asbestos, polychlorinated biphenyls ("PCBs") and petroleum products.

- 2.1.5 "Ownership" means the land or building or equipment or any combination thereof titled or otherwise documented in the name of the county, state, or any agency thereof.
- 2.2 **County:** Iowa County, 1215 N. Bequette Street, Dodgeville, Wisconsin 53533.
- 2.3 **WisDOT:** Wisconsin Department of Transportation, 4802 Sheboygan Avenue, Madison, WI 53707.
- 2.4 **Premises:** Approximately 3,600 square feet of County property located in Iowa County, WI with a physical address of 836 Main Street, Highland, WI 53543 ("Premises") and is depicted in yellow on **Exhibit A**.
- 2.5 **Lease Term:** Forty (40) Years ("Initial Term"). Further, the parties shall have the option to renew this Lease beyond the Initial Term as described in Section 5, below.
- 2.6 **Occupancy Commencement Date:** November 1, 2020.
- 2.7 **Occupancy End Date:** December 31, 2060. County shall provide WisDOT evidence of any appropriate certificate of occupancy and use or other authorizations required by local ordinances or regulations for WisDOT occupancy and use of the Facility. No conditional use permit is required for the use of the Facility pursuant to Wis. Stat. §13.48(10).
- 2.8 **Rent:** WisDOT to pay County \$225,194.00 on November 1, 2020 for WisDOT's total capacity allocation of the Facility. This lump sum payment shall constitute the rent WisDOT pays to County. WisDOT shall occupy 35% of the tonnage of the total capacity allocation of the Facility during the Initial Term and any Renewal Term. WisDOT shall owe County no additional form of rent payment in the event County chooses not to occupy 65% of the tonnage of the total capacity allocation of the Facility at any point in the Initial Term and any Renewal Term.

Section 3: Maintenance Payment

WisDOT shall pay County a lump sum payment for maintenance of the Premises and the Facility described in Section 4.1 below on January of every year during the Initial Term and any Renewal Term. Such payments shall be calculated according to WisDOT's Highway Maintenance Manual Section 02-20-35, attached hereto as **Exhibit B**. As a matter of law applicable to WisDOT, the payment described in this Section 3 is subject to the availability of appropriated funds that may be lawfully used for such payment. WisDOT will annually or biannually obligate funds, as the case may be, for the Initial Term of this Lease upon execution of this Lease. WisDOT will annually or biannually obligate funds, as the case may be, for any Renewal Term of this Lease upon providing the notice required in Section 5, below. These obligations do not constitute the contracting of public debt under Article VIII, Section 4 of the Wisconsin Constitution.

Section 4: Alteration and Relocation

- 4.1 **Alteration:** WisDOT shall have the right to make reasonable alterations to the Facility, at its expense, with the County's advance written approval (such approval not to be unreasonably withheld or delayed). WisDOT and County expect the Facility to have a projected service life of at least 50 years. County shall reserve

WisDOT's tonnage percentage of the Facility for storage of WisDOT's salt, in accordance with Section 2.8, above.

- 4.2 Discontinue Operations:** In the event County elects to discontinue operations at the Premises, County may terminate this Lease by providing thirty (30) days written notice to WisDOT. County shall provide WisDOT, at County's expense, equivalent road salt storage capacity at a mutually agreeable location(s) for the remainder of the Initial Term or the Renewal Term as the case may be or, if within 20 years of the Occupancy Commencement Date, repay the Depreciated Value calculated under Section 7.2, below.

Section 5: Renewal Term

So long as neither County nor WisDOT is in material default under this Lease or any other agreement between the parties, this Lease shall automatically renew for an additional 10 years (the "Renewal Term") as of the expiration of the Initial Term upon the same terms and conditions unless either the County or WisDOT gives not less than one hundred and eighty (180) days written notice to the other party prior to the expiration of the Initial Term that the Lease will not be renewed. Such written notice shall be made in accordance with Section 17.3, below. Upon the expiration of the Initial Term, the County may not terminate this Lease under this Section if the County continues to use the Facility for road salt storage.

At the expiration of the Renewal Term, so long as neither Party is in material default under this Lease and the County continues to use the Premises and Facility for road salt storage, the Parties agree to execute a new lease agreement (the "New Lease") upon mutually agreeable terms, allowing WisDOT's continued use of the Facility for road salt storage at no cost to WisDOT except the New Lease shall include provisions providing for maintenance payments pursuant to any applicable law, regulation, or WisDOT policy. If no such law, regulation or WisDOT policy is then in existence, appropriate maintenance payments shall be agreed upon by the Parties. If the New Lease is not fully executed at the expiration of the Renewal Term, WisDOT may hold over at no cost to WisDOT, except that WisDOT shall continue to pay maintenance costs based upon a pro rata share of the most recent prior allocation under Section 3 during the period of hold over.

Section 6: Permitted Use

Subject to any applicable federal, state, and local laws and regulations, County and WisDOT shall use the Premises and the Facility for storing sand and/or a sand/salt mixture as designated by WisDOT, at its sole discretion, in furtherance of highway maintenance operations. Premises and Facility shall not be open to the public.

Section 7: Customary Maintenance and Repair, Depreciation, and Capacity Allocation

- 7.1 Customary Maintenance and Repair:** County shall customarily maintain and repair the Facility with reasonable dispatch with the funds it receives under Section 3, above.
- 7.2 Depreciated Value:** The parties agree that the Facility's projected service life is 50 years and the Facility is worth \$643,412.15. Depreciation shall be calculated using

a straight-line formula for 20 years following the Occupancy Commencement Date according to each party's capacity allocation stated in Section 7.3 below ("Depreciated Value").

- 7.3 WisDOT's and County's Capacity Allocation:** WisDOT shall occupy 35% of the capacity allocation of the Facility during the Initial Term and any Renewal Term. County shall occupy 65% of the capacity allocation of the Facility during the Initial Term and any Renewal Term.

Section 8: Utilities

County shall pay or cause to be paid all charges for water, sewerage, gas, electricity, waste disposal, heat or other fuel or power or any other utility or serviced delivered to or used in connection with the Premises and Facility or WisDOT's occupancy of the Facility. WisDOT shall reimburse the County for charges incurred under this Section according to WisDOT's Highway Maintenance Manual Section 02-20-35.

Section 9: Insurance and Related Liability

- 9.1 County's Insurance:** County shall obtain and carry at all times during the Initial Term and any Renewal Term of this Lease a policy for bodily injury and property damage liability insurance, to the satisfaction of WisDOT, insuring the Facility at its full replacement value. All insurance must be procured from insurance companies licensed or approved to do business in the State of Wisconsin. County shall furnish WisDOT with a certificate of insurance establishing that such insurance is in effect before execution of this Agreement.
- 9.2 WisDOT's Insurance:** WisDOT is self-insured. WisDOT's Self-Funded Liability and Property Programs protect WisDOT. County employees may not file workers' compensation claims against WisDOT's insurance policy.
- 9.3 County's Liability:** If the Facility (or any part) is damaged or destroyed, County will be held fully liable and financially responsible, in accordance with Section 10, below.
- 9.4 WisDOT's Liability:** Wisconsin Stat. § 895.46 provides that WisDOT pays for certain negligence claims against WisDOT's employees and agents. WisDOT as the contracting entity maintains sovereign immunity. WisDOT cannot waive sovereign immunity, indemnify, or waive subrogation or liability in any manner.

Section 10: Damage or Destruction

If the Facility (or any part) is damaged or destroyed or County performs negligently highway maintenance operations which are covered by required insurance, then this Lease shall remain in full force and effect; and County shall fully repair or restore the Facility (or any part) with reasonable dispatch. If the Facility (or any part) is damaged or destroyed or County performs negligently highway maintenance operations which are not covered by required insurance, then WisDOT may terminate and cancel this Lease by giving written notice to County within sixty (60) days after the occurrence of such damage or destruction or engage in a substantive refurbishment of the Facility as provided agreed to by WisDOT and County in writing.

Section 11: Taxes

- 11.1 Personal Property Taxes:** WisDOT is not subject to personal property taxes as provided in Wis. Stat. § 70.11(1). WisDOT shall respond to any claims that it has failed to pay, before delinquency, all taxes, assessments, license fees, and other charges (“taxes”) that are mistakenly levied and assessed against WisDOT’s personal property installed or located on the Premises or in the Facility and that are alleged to become payable during the term of this Lease.
- 11.2 Real Property Taxes:** WisDOT is not subject to real property taxes as provided in Wis. Stat. § 70.11(1).

Section 12: Default

- 12.1 WisDOT’s Default:** All of the following shall be considered events of WisDOT’s default:
- 12.1.1.** WisDOT shall fail to perform any of the covenants or conditions herein contained on the part of WisDOT, and such default shall continue for thirty (30) days after County gives WisDOT written notice thereof (except that such thirty (30) day period shall be automatically extended for an additional period of time reasonably necessary to cure such default, if such default cannot be cured within such thirty (30) day period, and provided WisDOT commences the process of curing such default within said thirty (30) day period and continuously and diligently pursues such cure to completion); or
- 12.1.2.** If this Lease shall, by act of WisDOT or by operation of law or otherwise, pass to any party other than WisDOT without consent of County.
- 12.2 County’s Remedies:** If WisDOT defaults, as set forth in Section 12.1, subject to the applicable cure periods stated therein, County shall have and may exercise the following rights:
- 12.2.1.** County may elect, but shall not be obligated, to make any payment required of WisDOT herein or comply with any agreement, term, or condition required hereby to be performed by WisDOT, and County shall have the right to correct or remedy any such default.
- 12.2.2.** County may enter Premises and Facility immediately and remove the WisDOT’s property and store said property in a public warehouse or at a place selected by County until WisDOT cures its default.
- 12.2.3.** On termination, but only to the extent permitted by law applicable to WisDOT, County may seek remedies from WisDOT relating to the breach.
- 12.3 County’s Default and WisDOT’s Remedies:** If County shall fail to perform any of the covenants or conditions required to be performed by it under this Lease, and such default shall continue for thirty (30) days after WisDOT gives County written notice thereof (except that such thirty (30) day period shall be automatically extended for an additional period of time reasonably necessary to cure such default, if such default cannot be cured within such thirty (30) day period, and provided County commences the process of curing such default within said thirty (30) day period and continuously and diligently pursues such cure to completion), WisDOT

may, but shall not be obligated to, remedy such default. Upon WisDOT's demand, County shall pay WisDOT all reasonable sums expended or obligations incurred by WisDOT in connection therewith. Notwithstanding the foregoing, WisDOT shall have and may exercise any and all rights provided in law or equity.

- 12.4 Waiver of Failure to Declare Default:** A waiver by either party of a breach or default by the other under the terms and conditions of this Lease shall not be construed to be a waiver of any subsequent breach or default, nor of any other term or condition of this Lease, and the failure of a party to assert any breach or to declare a default by a party shall not be construed to constitute a waiver thereof so long as such breach or default continues unremedied.

Section 13: Duty to Keep Premises Free of Liens

WisDOT shall not permit any mechanics', laborers', material-mans', or other liens to stand against Premises and Facility, and the equipment for any labor or material furnished to Premises and Facility, in connection with work of any character performed or claimed to have been performed on Premises and Facility, whether such work performed or materials furnished prior to or subsequent to the commencement of this Lease. WisDOT and County shall properly and fully pay and discharge any and all claims on which a lien against Premises and Facility may or could be based.

Section 14: Termination

- 14.1.** This Lease shall terminate upon the earlier of the following:
- 14.1.1.** Expiration of the Initial Term if either County or WisDOT provides the written notice required in Section 5 indicating it does not wish to automatically renew this Lease. However, County may not terminate this Lease under this provision if the County continues to use the Facility for road salt storage;
 - 14.1.2.** Upon WisDOT's election, after having given County sixty (60) day notice prior written notice; or
 - 14.1.3.** As otherwise provided in this Lease.

Section 15: Indemnity

- 15.1. Indemnification of County:** Wisconsin law prohibits WisDOT from entering into any indemnification agreements whereby WisDOT would indemnify County (or any of its directors, shareholders, officers, members, managers, employees, agents, or representatives).
- 15.2. Indemnification of WisDOT:** County shall indemnify, defend, and hold WisDOT (and its directors, shareholders, officers, employees, agents, and representatives) harmless from and against all claims, actions, damages, liability, and expenses (including reasonable attorney's fees and actual costs) arising from, out of, or in connection with the loss of life, personal and bodily injury, and damage to property arising from any accident or occurrence upon Premises and Facility, caused in whole or in part by any act or omission of County, its contractors, agents, or

employees. WisDOT shall have no liability for any presence of any hazardous substances existing at or affecting Premises and Facility prior to the Occupancy Commencement Date of this Lease, nor be responsible for any presence of any hazardous substances that may, at any time, percolate into, onto, or under said location from a source located upon adjacent property not caused by WisDOT. County shall indemnify and hold WisDOT harmless from any and all claims, damages, fines, judgments, penalties, costs, liabilities, or losses (including, without limitation, any and all sums paid for the settlement of claims, attorney's fees, and consultant and expert fees) arising from the presence, disposal, or release of any hazardous substances at Premises and Facility existing at or affect Premises and Facility as of the Occupancy Commencement Date of this Lease or which may occur following the Occupancy Commencement Date of this Lease as a result of any act or omission of County, its contractors agents, or employees. This indemnification includes, without limitation, any and all costs incurred because of any investigation of the site or any cleanup, removal, or restoration mandated by a federal, state, or local agency or political subdivision.

Section 16: Environmental Matters

- 16.1. Obligations of County and WisDOT:** To the extent legally applicable, the parties shall comply with all federal, state, and local environmental laws and regulations in the conduct of the use of Premises and Facility, including, but not limited to, Wis. Stat. § 85.17 and Wis. Admin. Code ch. Trans 277. Except as required in the ordinary course of its business, the parties shall not permit or conduct either the generation, treatment, storage, or disposal of any hazardous substance on Premises and Facility, and to the extent permitted by law, will perform all remedial actions reasonably necessary as a result of the presence of any hazardous substances on, at, or near Premises and Facility, which such hazardous substances are located on or beneath the surface of Premises and Facility, as a result of an act or omission of the parties made pursuant to this Agreement. Any required remediation shall be paid for by WisDOT and County according to the ratio provided in WisDOT's Highway Maintenance Manual Section 02-20-35. The County will maintain the reports required under Wis. Admin. Code § Trans 277.05. The foregoing covenants shall survive the expiration of the Initial Term and any Renewal Term.
- 16.2. Notice of Claim:** County and WisDOT agree to provide the other party with any notice of an environmental claim made by third parties or any governmental entity related to Premises and Facility immediately after receipt of any such claim.
- 16.3. Pre-Existing Environmental Condition:** WisDOT shall have no liability for any presence of any hazardous substances existing at or affecting Premises and Facility prior to the Occupancy Commencement Date, nor be responsible for any presence of any hazardous substances that may, at any time, percolate into, onto, or under said location from a source located upon adjacent property not caused by WisDOT or its agents. County shall indemnify and hold WisDOT harmless from any and all claims, damages, fines, judgments, penalties, costs, liabilities, or losses (including, without limitation, any and all sums paid for the settlement of claims, attorney's fees, and consultant and expert fees) arising from the presence, disposal, or release

of any hazardous substances at Premises and Facility existing at or affecting Premises and Facility prior to the Occupancy Commencement Date or which may occur following said date as a result of any act of County, its contractors, agents, or employees. This indemnification includes, without limitation, any and all costs incurred because of any investigation of the site or any cleanup, removal, or restoration mandated by a federal, state, or local agency or political subdivision.

Section 17: Miscellaneous Provisions

- 17.1. Governmental Regulations:** County and WisDOT shall operate the Facility in full compliance with the requirements of all governing federal, state, and local authorities.
- 17.2. Successors and Assigns:** Unless occurring as a result of operation of law by the State of Wisconsin, this Lease may not be assigned without the written consent of the parties. All of the covenants, agreements, terms, and conditions contained in this Lease shall inure to and be binding upon County and WisDOT and their respective heirs, executors, administrators, successors, and permitted assigns.
- 17.3. Notices:** All notices and demands which may or are required to be given by either party to the other hereunder shall be in writing and delivered in person or sent by either United States Certified Mail, return receipt requested, postage prepaid, or by Federal Express or other nationally recognized overnight delivery service, at the address listed in Sections 2.2 or 2.3, above, as the case may be, or such other address as one party shall have designated in writing to the other party hereto.
- 17.4. Binding Effect.** The covenants, agreements, and obligations herein contained, except as otherwise specifically provided herein, shall extend to, bind, and inure to the benefit of the parties hereto and their respective personal representatives, heirs, successors, and assigns (but in the case of assigns, only to the extent that assignment is permitted herein). This Lease shall remain in full force and effect regardless of whether County provides maintenance to WisDOT's state trunk and interstate highway system.
- 17.5. Force Majeure:** If either party is delayed from the performance of any act required herein by reason of labor troubles, inability to procure materials, failure of power, restrictive governmental regulations, riots, insurrection, war, or like reasons not the fault of the party delayed, then the period of performance of the act shall be extended for a period equivalent to the period of delay.
- 17.6. Surrender of Premises:** At the expiration of the Initial Term (if this Lease is not renewed) or Renewal Term (if this Lease is renewed) or if this Lease is terminated, WisDOT shall surrender the keys to County and shall inform County of all combinations on locks, safes, and vaults on Premises and Facility.
- 17.7. Governing Law:** The laws of the State of Wisconsin shall govern the validity, performance, and enforcement of this Lease, with application of conflict of law principles.
- 17.8. Invalidity of a Single Provision:** The invalidity or unenforceability of any provision of this Lease shall not affect or impair any other provision.

- 17.9. Languages Inclusive:** Whenever the singular number is used, the same shall include the plural, and the masculine gender shall include the feminine and neuter genders.
- 17.10. Captions:** The captions appearing in this Lease are inserted only as a matter of convenience and in no way define, limit, construe, or describe the scope or intent of such sections or paragraphs of this Lease, nor in any way affect this Lease.
- 17.11. Quiet Enjoyment and Accessibility:** County hereby covenants and agrees that if WisDOT shall not then be in default beyond any period for the cure thereof, WisDOT shall, at all times during the term of this Lease, have peaceable and quiet enjoyment and possession of the Facility without any manner of molestation or hindrance from County or any other person, firm, or corporation. WisDOT shall have unimpeded access to Premises and Facility throughout the Initial Term and, if exercised, any Renewal Term to realize the permitted use described in Section 6, above.
- 17.12. Recordable Lease:** County agrees that upon WisDOT's request, County will promptly cause a memorandum or short form lease in accordance with the terms hereof to be recorded with the Office of the Register of Deeds for Iowa County. WisDOT shall submit a form of such memorandum or short form lease in recordable form to County for its approval, with such approval not to be unreasonably withheld.
- 17.13. Survival:** All representations, warranties, and other agreements described in this Lease shall survive the expiration or termination of this Lease.
- 17.14. Right of Entry:** County shall have unimpeded access to Premises and Facility throughout the Initial Term and, if applicable, any Renewal Term to realize the permitted use described in Section 6, above. Only properly authorized County personnel or contractors shall store, handle, or remove sand or salt on or from Premises and Facility.
- 17.15. Entire Agreement:** This Lease and the exhibits referenced in it contain the entire agreement between the parties and shall not be modified in any manner except by written amendment attached to this Lease and signed by both parties.

Section 20 Eligible Costs
Subject 35 Sodium Chloride Storage

Bureau of Highway Maintenance
January 2020

1.0 Authority

All sodium chloride storage sheds located on county property, financed by the department, shall upon installation become and remain the property of the county. (The department shall agree with the county annually to reserve its square footage of any shed for storage of state salt.) The county will insure and maintain these facilities. The county shall be responsible for communicating with the vendor concerns about warranty items related to the facilities.

The department shall pay a portion of the costs of maintenance, repairs, regulatory fees, and depreciation of storage facilities for sodium chloride. The payment calculation is dependent upon who funded the construction of the facility. The 2020 reimbursement will be paid in January based on the 2018 costs.

2.0 Definition of Cost

1. For all sodium chloride storage facilities located on county property, the maintenance and repair costs shall be shared using the ratio of department sodium chloride purchased (in tons) to the total of all sodium chloride purchased by the department and county based on the average of the prior calendar years, 2018 and 2017.
2. The department shall share in the depreciation costs for facilities when the department's sodium chloride purchases for the year exceed the department-financed capacity in the county. The share is determined by multiplying depreciation costs by the ratio of department purchases (in tons) exceeding department-financed capacity to total purchases less department financed capacity.

3.0 Replacement of State Financed Winter Maintenance Equipment

Once the state financed equipment is taken out of service, if the county chooses to purchase replacement equipment, the acquisition and O & M costs of the replacement equipment will be initially paid for by the county and then reimbursed by the state through the normal equipment rate formula.

In those instances where a unit of State financed equipment is past the end of its originally projected service life, the department will recognize the substantive refurbishment of the existing unit of state financed equipment by the county as an equipment replacement. A substantive refurbishment means major repairs and maintenance. It is further defined as repairs costing in excess of the equipment's remaining residual value or typically 15% of the original purchase price of the equipment.

The county will finance the substantive refurbishment and will recover its investment by charging the state or another county a mutually agreed upon rate for the use of this equipment. This non-standard equipment rate will be determined jointly by the department and the county and is subject to normal equipment rate review by the Machinery Management Committee.

DESCRIPTION OF AGENDA ITEM (Please provide detailed information, including deadline):

Clifford Gonyer recently purchased the former Corner Drug building in downtown Dodgeville. He has upgraded the appliances in the apartments upstairs and plans to make the pharmacy space into a restaurant. To do this he needs to upgrade his electric services to a 3 phase. Alliant Energy needs to place a 3 phase transformer and run power to the transformer. To accomplish this new service, Alliant Energy & Mr. Gonyer would like an easement across the County parking lot.
