10:56 AM 4/17/2023

NOTE: the WCA Webinars on Solar Facility Regulations are relevant to wind energy systems as the statutory authorities pertain to both solar and wind. The presenters make this point clear in the webinar.

To access the WCA Webinars on Solar Facility Regulations:

- Go to [Past Event Materials - Wisconsin Counties Association \(wicounties.org\)](https://www.wicounties.org/past-event-materials/)
- The Webinar is in two parts listed under "2023 Webinars"
