13	Next Meeting: Set for May 2, 2023 at 6:00 PM.
14	Adjourn: Sup Lease moved, Sup Alan seconded to adjourn the meeting. Motion carried at 7:06 PM.
Min	utes by Austin Durst

Public Safety Committee – Emergency Management Report for April & May 2023 Activities.

Health Department/Emergency Management COVID Response presentation to the HHS Committee. presentation was well-received. Debbie Siegenthaler and Keith have produced a narrated version that will be posted to the Health Dept. and Emergency Management websites.

Coordinated a search of properties in an area seven miles north of Barneveld for a missing person. K9 Teams from the K9-SOS organization assisted Law Enforcement, Fire and EMS from various agencies performed a ground search of about 120 acres in the Town of Arena.

Emergency Management Survey developed by Southwest Wisconsin Regional Planning Commission as part of the new Integrated Preparedness Plan required by the state. Meetings with Richland, Crawford, Grant, Lafayette County Emergency Managers and SWWRPC produced a well-done survey that required 10-15 minutes to complete. SWWRPC did the work through a grant with no cost to the counties.

Participated in Emergency and Security planning for special speaker event at the Dodgeville High School. Emergency Management's role on the day of the event was to be in the Emergency Operations Center to field resource requests if an emergency incident occurred.

ICEM is coordinating a newly formed School Crisis Planning Team. This team consists of School Resource Officers from Mineral Point and Dodgeville, Police Chiefs from Barneveld and Highland and a Sheriff's Deputy/Dare Officer that will work with lowa Grant Schools and Pecatonica Elementary in Hollandale. The purpose of this committee is to assist the schools with their emergency planning and exercising of those plans in addition to providing training for their staff. This group currently meets monthly at different school facilities.

ICEM hosted two Weather Spotter classes on April 19, at the LEC. Classes were at 1pm and 6:30 pm. A total of forty-five attended the two classes. ICEM also hosted the Incident Command System 400 class for Public Safety on Saturday April 22 and Sunday April 23.

On 4/19, Chairman John Meyers signed an Iowa County disaster declaration. The Wisconsin River rise had caused sandbagging in Avoca of a couple of lakefront homes affected by water, and others were in danger. The Prairie Du Sac Dam contacted us on 4/18 to advise they would be increasing flow at the dam due to the snow melt in northern WI. The addition of predicted rain events to the melting snow caused the dam to notify us of the increasing flow. We then notified the towns and villages in northern lowa County providing the information given to us. On 4/19 we sent the towns of Pulaski, Clyde, Wyoming, Arena, and villages of Avoca and Arena declaration templates with an explanation of why we are encouraging them to declare.

ICEM Director delivered Four "Active Shooter for Business" presentations to the Farmers Savings Bank employees. Farmer's Savings donated \$1000 to Emergency Management for this.

End of Report

Keith Hurlbert

OFFICE OF THE DISTRICT ATTORNEY

Zachary P. Leigh, District Attorney

Curtis E. Johnson, Assistant District Attorney

Cheryl Hartman, Victim-Witness Coordinator

Telephone: 608-935-0393

MEMORANDUM

DATE:

May 22, 2022

TO:

Public Safety Committee

FROM:

Iowa County District Attorney Zach Leigh

RE:

District Attorney Report for June 6, 2022 Meeting

I hope this memo finds the everyone on the Public Safety Committee well. Below please find a discussion of the year to date statistics that break down by case type, the cases filed by the Iowa County District Attorney's Office. Those numbers are attached in a separate spreadsheet.

I also took this opportunity to highlight some major changes in the law that recently took place that greatly affect the way cases are handled in the county, and briefly touched on some of the policy changes we've made internally.

<u>Caseload:</u> Attached is a summary of the cases that have been handled by the Iowa County District Attorney's Office. I am happy at the meeting to answer any questions you may have about them. Please note I included some of the other counties in Wisconsin of similar size +/- 5,000 to 7,000 people to give the Committee and idea of where we are in relation to other counties.

<u>Changes in the Law:</u> Very recently the people of Wisconsin passed a constitutional amendment that redefined what could be considered at the time of setting bail as well as adding a definition for "serious harm" under the law and noting a number of violent felonies. It is a welcome tool for prosecutors, particularly in more serious cases.

Another major change that happened very recently is the that the Wisconsin Supreme Court up held Marcy's Law. Marcy's Law gives constitutional rights to victims of crimes. Since first being passed a few years ago, many more resources have been assigned to ensure victims voices are heard.

<u>Conclusions/Concerns:</u> Cases handled by the Iowa County District Attorney's Office seemed to trending in a more serious direction. That coupled with the changes to bond make bond monitoring and investigation/victim communication as challenging as it has been in modern times.

How Do We Compare?

NOTE:

This does not reflect non criminal traffic that our office handles for the county,

Starting in 2022 the District Attroney's Office no longer prosecutes worthless checks under \$250 or Retail thefts under \$250. There are civil avenues that require a lower burdern and are cheaper overall for the county,
