Title: Land Conservation cost-share policy update

☒ Original

☐ Update

TO BE COMPLETED BY COUNTY DEPARTMENT HEAD

DESCRIPTION OF AGENDA ITEM (Please provide detailed information, including deadline):

Land Conservation policy 1201 has been changed to update limitations on maximum cost-share amounts. This change was made to better distribute cost-share funds due to increased interest in cover crop cost-share. We also made minor changes to other language.

RECOMMENDATIONS (IF ANY):

The Land Conservation Committee approved the policy change at their February 26 meeting.

SOIL AND WATER RESOURCE MANAGEMENT GRANT COST-SHARE PRIORITIZATION

Date Originated: 09/18/2018
Date of Modifications: 2022, 1/2023, 8/2023, 1/2025
Policy Number: 1201

1. PURPOSE:

To describe the process for prioritizing and administering cost-share projects funded by Wisconsin Department of Agriculture, Trade and Consumer Protection's Soil and Water Resource Management Grants.

2. ORGANIZATIONS AFFECTED:

Land Conservation Department

3. POLICY:

Cost-share administration shall follow guidelines set forth in Wisconsin Administrative Code ATCP 50.

Cost-share amounts shall not exceed \$14,000 without Land Conservation Committee (LCC) approval.

Nutrient management planning, cover crop, and no-till payments shall not exceed ~~\$10,000~~ 7,500 for a single practice or ~~\$15~~10,000 for a combination of practices per year per entity. "Entity" includes a grant recipient or landowner. This amount may be exceeded with LCC approval provided there is sufficient funding. The Land Conservation Department (LCD) may develop a prioritization process for non-structural cost-share, to be approved by the LCC.

Stream crossing projects shall be ford crossings only; bridges and culverts will not receive technical or financial assistance.

The Land Conservation Department (LCD) staff shall rank structural cost-share projects prior to contracting to ensure funding is spent on priority projects that have a documented conservation benefit and prioritize land that is actively engaged in a farming operation.

Project ranking shall be based on:

- a. level of conservation benefit
- b. alignment with Iowa County's current Land and Water Resource Management Plan
- c. current geographic or resource priorities
- d. current practice priorities

- e. Farmland Preservation Program participation
- f. cost-effectiveness of the practice
- g. availability of other funding sources
- h. landowner's compliance and project completion history

4. REFERENCES:

Wisconsin Administrative Code Chapter ATPC 50

Wisconsin Administrative Code Chapter NR 151

5. PROCEDURES:

- a. The LCD shall create a numerical ranking form based on the above criteria, including delineating high-, medium-, and low-priority practices and a minimum numerical value for eligibility.
- b. The LCC shall approve the ranking form and any future updates. The form shall be updated as needed, with a review no less than once every five years.
- c. The LCD ~~may~~ shall create a "Request for Technical Assistance" form. A landowner and/or cost-share recipient ~~must~~ may submit this form to the LCD ~~before any to request a~~ site visit, cost-share, or other technical assistance ~~will be provided~~.
- d. The LCD may, at their discretion, create one or more deadlines per year by which ~~Request for Technical Assistance forms~~ cost-share requests are due. ~~Forms-Requests~~ received after that date will be considered dependent on funding and staff availability, or will be saved for the following year. Due dates may vary by practice or funding source as needed, ~~and shall be included on the Request for Technical Assistance form~~.
- e. Based on a site investigation, maps, and other information, LCD staff shall rank each project using the approved form before offering a cost-share contract.
- f. If funding is limited, projects with the highest ranking value shall be funded first.
- g. Lower-ranked projects may be cost-shared if there is adequate funding, provided they meet the established minimum value.

IOWA COUNTY BOARD OF SUPERVISORS
RESOLUTION No. _____

DRAFT

**RESOLUTION DESIGNATING THE WEEK OF APRIL 21st THROUGH APRIL 25th
2025 As WORKZONE SAFETY AWARENESS WEEK IN IOWA COUNTY.**

WHEREAS in 1999 the Federal Highway Administration (FHWA) partnered with the American Association of State and Highway officials (AASHTO) and more recently with the American Traffic Safety Services Association (ATSSA) to create the National Work Zone Safety Awareness Week campaign, held annually in April prior to the construction season for much of the nation; and,

WHEREAS, the Wisconsin County Highway Association is asking all seventy-two (72) counties in the state to unite and kick-off “Work Zone Safety Awareness Week” with a resolution and campaign to raise awareness for its’ workers and those of various highway contractors performing work for the counties; and,

WHEREAS, according to data from UW Madison’s Traffic Operations and Safety Laboratory’s Community Maps between 2019 and 2023, there were 64 fatalities recorded as a result of more than 10,000 crashes within work zones which injured more than 3,800 people; and,

WHEREAS, construction and maintenance activities on our streets and highways periodically require that work zones be established; and,

WHEREAS, there has been an average of 2,124 work zone crashes in Wisconsin in each of the last five years; and,

WHEREAS, in 2024, Wisconsin suffered from 2,161 crashes in road construction and maintenance zones, resulting in over 525 injuries and 9 fatalities; and,

WHEREAS, through their enforcement activities and other participation, the Iowa County Sheriff’s Office, Wisconsin State Patrol, and the Iowa County Highway Department will work to make “Work Zone Safety Awareness Week a success; and,

WHEREAS, the County Sheriff’s Office is committed in 2025 to conduct enforcement activities and work jointly with the County Highway Department to make “Work Zone Safety Awareness Week” a success in Iowa County; and,

WHEREAS, the Federal Highway Administration has designated April 21st through April 25th, 2025 as National Work Zone Safety Awareness Week with this year’s theme

“Respect the Zone so we all Get Home”, which focuses on awareness to all drivers in work zones of their speed and proximity to workers,

THEREFORE BE IT RESOLVED by the Iowa County Board of Supervisors that the week of April 21st through April 25th, 2025 be designated as “Work Zone Safety Awareness Week” in Iowa County.

The above and foregoing Resolution was duly adopted by the Iowa County Board of Supervisors this _____ day of March 2025.

Title: CTH C Concept for Cul-de-sac

☒ Original

☐ Update

TO BE COMPLETED BY COUNTY DEPARTMENT HEAD

DESCRIPTION OF AGENDA ITEM (Please provide detailed information, including deadline):

The Department is working on a reconstruction of CTH C between STH and STH 14 in the Towns of Arena and Wyoming. the cost estimate for the project has ballooned to +\$8 million due to a variety of factors, but mostly related to the addition of not one but two retaining walls along the River. The Department has pursued a few options for additional funding but no avail, yet. One of the procedures with the environmental process is to review various build alternatives. A no build alternative for a cul-de-sac has been created to vet thru the environmental process as well. With the increased and escalating costs for the CTH C project, and a denial for Change Management additional STP-Rural funding by WisDOT; and a potential lack of other funding for the improvement from Raise or Protect federal grants, a concept to cul-de-sac CTH C off and eliminate the two retaining walls from the project at a cost of almost 3 million dollars is being presented for review and discussion.

RECOMMENDATIONS (IF ANY):

Review and discuss a CTH C cul-de-sac alternative.

ANY ATTACHMENTS? (Only 1 copy is needed)

☐ No

If yes, please list below:

Copy of the 30% plans for CTH C along with a diagram of a cul-de-sac option.

FISCAL IMPACT:

Project cost savings of \$3.0 million dollars to the CTH C STH 23 - STH 14 project; but the proposal would eliminate CTH C from being a through CTH.
