### Planning & Zoning Committee Recommendation Summary

Public Hearing held on October 23, 2025

Zoning Hearing 3504

Recommendation: **Approval**

**Applicant(s):** Jeffrey Clay Foster and Mary Louise Foster

**Town of Arena**

**Site Description:** NE/SE of S11 & w1/2-SW S12 T7N-R5E also affecting tax parcels 002-0829.A; 0830.B

**Petition Summary:** This is a request to zone 34.21 acres from A-1 Ag to AR-1 Ag Res.

#### Comments/Recommendations

1. The A-1 Ag district has a minimum 40-acre lot size, so the proposed 34.21-acre lot requires rezoning in order to be legally created.
2. If approved, the AR-1 district would provide for one single-family residence, accessory structures and limited ag uses, including up to 11 animal units as defined in the Iowa County Zoning Ordinance.
3. The proposed land division will leave the balance of the parent property as two lots (below in yellow), both of which do not meet the minimum 40-acre lot size. The intent is for these to be sold to and combined by deed with adjacent A-1 zoned land.

4. The associated certified survey map has not yet been submitted for formal review.
5. Per Section 11.0 of the Iowa County Zoning Ordinance, the following may be considered when deciding on a zoning change:
  1. Whether the petition is consistent with the Iowa County Comprehensive Plan and the comprehensive plan of any Town affected by said petition.
  2. Whether adequate public facilities and services (including sewage and waste disposal, water, gas, electricity, schools, police and fire protection, and roads and transportation, as applicable) will be available as required by the petition while maintaining adequate levels of service to existing development.
  3. Whether the petition will result in significant adverse impacts upon surrounding properties or the natural environment, including air, water, noise, stormwater management, soils, wildlife and vegetation.

4. Whether the land associated with the petition is suitable for the proposed development and said development will not cause unreasonable soil erosion or have an unreasonable adverse effect on rare or irreplaceable natural areas.

5. Whether the petition is to resolve a violation.

6. Whether the petition is the minimum action necessary to accomplish the intent of the petition, and an administrative adjustment, variance, or Conditional Use Permit could not be used to achieve the same result.

**Town Recommendation on zoning change:** The Town of Arena is recommending approval.

**Staff Recommendation on zoning change:** Staff recommends approval with the following conditions:

- 1) The associated certified survey map is duly recorded within 6 months of County Board approval.
- 2) The remnants of the parent property be sold to and consolidated by deed with adjacent A-1 Agricultural zoned property within 12 months of County Board approval.

## Amendatory Ordinance 2-1125

To the Honorable Iowa County Board of Supervisors:

**Whereas a petition for a land use change has been made by Amanda Winslow and the Lois Powell Revocable Living Trust;**

For land being in the NW ¼ of the NE ¼ of Section 2 in Town 5N, Range 3E in the Town of Dodgeville affecting tax parcels 008-1486 and 008-1487;

**And, this petition is zone 15.545 acres from A-1 Agricultural to AR-1 Agricultural Residential and 40.0 acres with the AC-1 Agricultural Conservancy overlay district.**

Whereas notice of such petition has been properly advertised and notice has been given to the **Clerk of the Town of Dodgeville,**

Whereas a public hearing, designated as zoning hearing number **3505** was last held on **October 23, 2025** in accord with said notice, and as a result of said hearing action has been taken by the Iowa County Planning & Zoning Committee to **approve** with the condition that the associated certified survey map is duly recorded within 6 months of County Board approval.

Town of Wyoming

Site Description: SW/SW of S3 T7N-R3E also affecting tax parcel 028-0531.A

Petition Summary: This is a request to zone 15.05 acres from A-1 Ag to RB-1 Recreational Business.

#### Comments/Recommendations

1. The A-1 district has a minimum 40-acre lot size so rezoning is required in order for the proposed lot to be legally created.
2. The applicant intends to rent out a cabin on the proposed lot for short-term use (less than 7 consecutive days). This is considered a Tourist Cottage under the Iowa County Zoning Ordinance which is a Conditional Use Permit option in the RB-1 district.
3. A Tourist Cottage is defined in the Iowa County Zoning Ordinance as follows:

#### Tourist Cottage

A building of no more than two dwelling units used for the temporary accommodation of visitors that includes receipt of payment or other consideration. The following standards shall apply:

- a) The maximum occupancy shall not exceed the design capacity of the private onsite wastewater treatment system based on two persons per bedroom used in sizing.
  - b) All required State permits or approvals must be obtained and maintained.
  - c) The affected town must approve the proposed or existing driveway as meeting its standards for accessibility by fire and emergency services.
  - d) When no longer used for short-term rental as a Tourist Cottage, any change in use of the structure or structures, even if to be residential, shall require compliance with the current zoning regulations.
4. The Airbnb listing includes a heated outhouse, but there is no record of a permitted privy/outhouse or septic system.
  5. Per Section 11.0 of the Iowa County Zoning Ordinance, the following may be considered when deciding on a zoning change:

1. Whether the petition is consistent with the Iowa County Comprehensive Plan and the comprehensive plan of any Town affected by said petition.
  2. Whether adequate public facilities and services (including sewage and waste disposal, water, gas, electricity, schools, police and fire protection, and roads and transportation, as applicable) will be available as required by the petition while maintaining adequate levels of service to existing development.
  3. Whether the petition will result in significant adverse impacts upon surrounding properties or the natural environment, including air, water, noise, stormwater management, soils, wildlife and vegetation.
  4. Whether the land associated with the petition is suitable for the proposed development and said development will not cause unreasonable soil erosion or have an unreasonable adverse effect on rare or irreplaceable natural areas.
  5. Whether the petition is to resolve a violation.
  6. Whether the petition is the minimum action necessary to accomplish the intent of the petition, and an administrative adjustment, variance, or Conditional Use Permit could not be used to achieve the same result.
6. Per Section 4.0 of the Iowa County Zoning Ordinance, the following are considerations for all Conditional Use Permit requests:
1. The proposed use complies with all applicable provisions of this Ordinance.
  2. The proposed use is compatible with adjacent legal uses in terms of scale, site design, operating characteristics (hours of operation, traffic generation, lighting, noise, odor, dust and other external impacts).
  3. There are no significant anticipated measurable adverse impacts to the surrounding legal uses and environment resulting from the proposed conditional use.
  4. Any adverse impacts resulting from the use will be mitigated or offset to the maximum practical extent.
  5. Public safety, transportation, services and utility facilities exist or will be available to serve the subject property while maintaining sufficient levels of service for existing development.
  6. Adequate assurances by the applicant of continuing maintenance are provided.
  7. The proposed use is consistent with the Iowa County Comprehensive Plan.

**Town Recommendation on zoning:** The Town of Wyoming is recommending approval.

**Staff Recommendation on zoning:** Staff recommends approval with the condition that the associated certified survey map is duly recorded within 6 months of County Board approval.

**Town Recommendation on Conditional Use Permit:** The Town of Wyoming is recommending approval.

**Staff Recommendation on Conditional Use Permit:** Staff recommends approval with the condition that the standards in the definition of Tourist Cottage are adhered to:

- a) The maximum occupancy shall not exceed the design capacity of the private onsite wastewater treatment system based on two persons per bedroom used in sizing. This will require the existing privy/outhouse be proven to meet today's sanitary code or be replaced with one that does.
- b) All required State permits or approvals must be obtained and maintained.
- c) The affected town must approve the proposed or existing driveway as meeting its standards for accessibility by fire and emergency services.
- d) When no longer used for short-term rental as a Tourist Cottage, any change in use of the structure or structures, even if to be residential, shall require compliance with the current zoning regulations.
- e) The associated zoning change is approved by the County Board with all conditions met.

**IOWA COUNTY BOARD OF SUPERVISORS**  
**RESOLUTION No. 9-1125**

**RESOLUTION REGARDING IMPROVEMENTS ALONG USH 18/151 CORRIDOR IN BETWEEN  
DODGEVILLE AND VERONA IN IOWA COUNTY**

**WHEREAS** during the 1990's and early 2000's; the Wisconsin Department of Transportation completed the build-out of the USH 18-151 Backbone Corridor through Dane, Iowa, and Grant Counties to promote tourism and commerce in the state; AND

**WHEREAS**, the construction of the USH 18-151 Backbone Corridor bisected Iowa County in half north and south in pre-dominantly an east to westerly direction; AND

**WHEREAS**, the construction of USH 18-151 through the County has created multiple at grade intersections throughout the county bisecting all of the north and south direction town and county roads; AND

**WHEREAS**, the Department of Transportation intends to and continues to utilize Highway Safety Improvement Program (HSIP) funding to periodically update these intersections with R-Cut or J-Turn highway improvements in a one by one approach; AND

**WHEREAS**, the R-Cut or J-Turn median improvements reduce the opportunity for side impact accidents by redirecting multi driver decisional cross traffic movements to make a series of alternative driver single decision turning movements, those approaches address primarily USH 18-151 through traffic movement; AND

**WHEREAS**, the R-Cut or J-Turn type intersection designs function well for smaller car and pickup style vehicular movements the design and function are problematic for larger slower moving vehicles such as farm machinery and farm to market semi-truck traffic also making these same cross traffic movements; AND

**WHEREAS**, the construction of the USH 18-151 median corridor through Iowa County is narrow by today's standards with regards to the separation of the bi-directional traffic movement by a median which is substandard in width to adequately shield cross traffic attempting to make thru median movements; AND

**THEREFORE BE IT RESOLVED** by the Iowa County Board of Supervisors that the County is in support of the construction of the various grade separation structures per the 2014 Limited Access Study and the renewed 2024 USH 18/151 Limited Access Study which addresses community and system inter-connectivity by allowing alternative path decision making for system users; AND

**THEREFORE BE IT RESOLVED** the County does not support WisDOT's one by one isolated HSIP intersection improvement approaches to address the issues with expanding traffic concerns and traffic volumes in the corridor as the resultant improvements discourage connectivity of the communities, impose hardship on the rural community agricultural traffic movements, and don't address the concerns of the rural traffic movements; AND

**THEREFORE BE IT RESOLVED** the county is not in favor of closing off any further County or Town Road at grade intersection / median cross-over access connections due to the revised traffic movement impacts on agricultural Farm-to-Field and Field-to-Market traffic access; AND

**THEREFORE BE IT RESOLVED** WisDOT should minimize impacts with their designs, eliminate the one by one isolated changes to the local road network with closures, use a traffic flow approach to address the local road network movements along with safety improvements related to lighting, advance warning, turning, acceleration, and de-acceleration lanes, and to fund the rural road improvements with the build out of USH 18/151 Limited Access Study to maintain and create connectivity of rural local road network between the communities within the county.

The County Board does also hereby order the County Clerk's Office to forward a copy of this adopted Resolution to the following parties: The Governor of the State of Wisconsin – Governor Tony Evers; The Secretary of the Department of Transportation – Sec. Kristina Boardman; The Senator of the State of Wisconsin's 17<sup>th</sup> District of the State Senate – Hon. Senator Howard L. Marklein; The Representative of the State of Wisconsin's 51<sup>st</sup> Assembly District – Hon. Representative Todd D. Novak.

Submitted on behalf of the Iowa County Public Works Committee via action at their meeting held on Monday October 27, 2025.

Adopted by the Iowa County Board of Supervisors on this 12<sup>th</sup> day of November 2025.

### Interim County Administrator's Report November 6, 2025

**Meetings with Iowa County Department Heads:** One-on-one meetings with Department Heads continue. A Department Head meeting was conducted on October 23<sup>rd</sup> and another is scheduled on November 13<sup>th</sup>.

**County Committee Meetings:** Since my October report, I attended the October 21<sup>st</sup> County Board meeting and most of the regularly scheduled county committee meetings. A few other meetings I attended in the past month were a meeting with Tom Slaney to discuss some issues prior to his retirement, meetings with Allison to screen candidates for the Social Services/ADRC Director position, and finalize interview questions, several meetings with Jamie to discuss budget related issues, a Business Advancement and Resilience Council (BARC) meeting, and a meeting with Megan McBride, Managing Director with the UniverCity Alliance to discuss the status of the UniverCity project. The UniverCity meeting also included John Meyers, Megan Currie, and Jamie Gould. John Meyers and I also met with Unified Community Services staff to learn more about their operations and toured their Dodgeville facility. When not in meetings, I use the time to review files in the Administrator's office, meet with County Board Chairperson Meyers, and with county staff.

**Social Services/ADRC Department Director:** Elizabeth Downs has been selected to serve as the next Social Services/ADRC Department Director. She will begin her employment with Iowa County on November 20<sup>th</sup>.

**County Administrator Recruitment Update:** The Executive Committee met on November 4<sup>th</sup> to review and select finalists for the position of County Administrator. Final interviews for the position will take place on November 14<sup>th</sup>. A meet-and-greet will be held on November 13<sup>th</sup> from 5:30 pm. to 7 pm. at the Law Enforcement Center. All County Board Supervisors, Department Heads and Constitutional Officers are encouraged to attend the meet-and-greet. Megan and I have been working on the logistics for the upcoming Executive Committee and Department Head meetings. If you have any questions, please feel free to contact me.

**Miscellaneous:** On a daily basis I meet with County staff, respond to various e-mails, letters and phone calls related to Iowa County business. I have regular check-ins at Social Services/ADRC Department since Tom's retirement. I want to express my sincere appreciation to the Managers and staff for their help. In the past few weeks, I also received phone calls from a number of individuals who are looking to open new businesses in Iowa County. We are doing whatever we can do to assist them.

As I mentioned at the October County Board meeting, we have several boards and committees that currently have citizen member vacancies. If you are aware of any Iowa County residents that would be interested in serving on boards or committees, please refer them to County Board Chair Meyers or myself. Current vacancies are on the Airport Committee, ADRC Board, Regional ADRC Board, Board of Health, Iowa County Library Board, Land Information Council, Lower WI Riverway, Veterans Services Commission, WI River Rail Trail Commission, and the Board of Adjustment.

In addition, earlier this year the County Board approved establishing a Celebration Task Force to plan for Iowa County's 200<sup>th</sup> year celebration which will occur in 2029. The Task Force will be comprised of one County Board Supervisor, two representatives from the Historical Society or similar organization, and four citizen members representing various geographical areas of Iowa County. The task force members will serve two-year terms. Again, if you know anyone interested in serving on the Celebration Task Force, please refer them to County Board Chair Meyers or myself.

An on-line volunteer application can be found on the Iowa County website under the "Government" tab, then under the "Committees" tab. Any interested Iowa County residents can apply anytime if they are interested in serving. We will maintain a list of those who apply so that when vacancies occur, we can check the list to see if anyone has expressed interest in serving on a particular board or committee.

Please feel free to contact me if you have any questions. I can be reached at [jon.hochkammer@iowacounty.org](mailto:jon.hochkammer@iowacounty.org) or at (608) 935-0318.
