 - Steffes provided the committee with a breakdown of housing numbers for the month of March with notations of Probation Holds defined. An oral report of challenging activities in the Jail was provided.
 - Mel Masters commented on the tour of the Grant County Facility, noting his preference for the Iowa County Law Enforcement Center to have separate employee/public entrance access, a utility room with overhead door access, and the ability for family to visit face to face (with glass barrier) not restricted to video only.
 - Carol Anderson noted the utility access in Grant's building is very restricted and would like to avoid that in our construction. Adequate boiler access and precise sight lines should not be overlooked.
 - Bruce Haag suggested an employee workout room not be overlooked.
 - Greg Jewell noted the importance of touring the Iowa County Jail and the Grant County facility for comparisons and indicated this will confirm the need of a new facility.
 - Joan Davis commented that Supervisors should tour the existing jail as it is an eye opening experience.
 - Steve Michek advised the committee that public tours will be offered, of the existing Jail, on Saturday April 13th between 1:00p.m. and 3:00 p.m. Supervisors and committee members are urged to attend.
- 6 Roxanne Hamilton provided a handout of comparisons of tax rate and debt levy for surrounding counties and counties similar to Iowa County.
