6	Committee. No action will be taken.  Each member was asked to find one person to volunteer for immediate openings, which are listed in green. Substance misuse panel occurred previously, plan to do again next year and will look at advertise it more to the county board members. Motivational speaker, Tony Hoffman, will be speaking in Mineral Point on October 16, 2019 at 9 am. This event will not being advertised, due to all of the school districts attending. Tony will also be speaking at the Dodgeville schools following his presentation at Mineral Point. Employee Relations put out a video regarding employment at lowa County, the Prevention Group was shown. Video will be shown at the County Board meeting. In November, there will be onsite mental health services provided by Mary Sella (Oregon Mental Health Services) at the Dodgeville School District for kids that are not currently seeing a professional that should be. These services will occur during school hours and ran through the guidance counselors. The Behavioral Health Partnership Summit is coming up at Sinsinawa, 5 counties will be there networking. There is an article in the Wisconsin State Journal, in regards to expanding Medicaid under the Affordable Care Act and it helping rural hospitals.
6	Consider resolution on Medicaid Expansion.  Regarding the resolution, there have been a couple of changes made to the 5 <sup>th</sup> and 7 <sup>th</sup> whereas. This resolution will benefit us, if Medicaid pays then it takes away from what the county pays. Suicide rates have increased in Wisconsin over the years. There are higher suicide rates in counties where health insurance is low. Davis motioned to take the resolution supporting Medicaid Expansion to the County Board. Seconded by O'Brien. Aye: 3; Nay: 0.
7	Hiltbrand presented. The Dementia Crisis Stabilization Unit is meeting every other week primarily focusing on building remodel, and then focusing on long-term funding. This unit will be located at Pleasant View Nursing Home in Monroe (Green County). No criteria is set at this time for an average length of stay, short term can be anywhere from 3 to 14 days. Goal is to have it up and running by October 2020. This unit will not be locked; at this point, the only entrance is through the nursing home. The Health and Wellness Expo was on September 27 <sup>th</sup> . Over 150 people attended, approximately 45 vendors, the SUN program served around 100 meals. We are finishing Boost Brain Memory in Montfort. The rural and Mineral Point taxi began in August. The rural taxi has had 9 riders and 110 riders for Dodgeville taxi. Hiltbrand will look into making sure the transportation options are on the county website. Another thing coming up this fall is Part D season. We have an elder benefit specialist that assists people with picking out their prescription drug program. This year there are changes to that which will make the appointments last longer. In the past, a letter has been sent out, clients would return their list of prescriptions, plan finder would be ran for them and the best option would be chosen. This year that cannot be done ahead of time, the client has to come

	in and make a username and password and then everything can be done. The timeframe for this is
	October 15 <sup>th</sup> – December 7 <sup>th</sup> . The Regional Southwest Veterans Conference will be on November 19 <sup>th</sup> at
	the Alliant Energy Center. November is Caregiver Month. In February, we are hoping to have the AARP
	taxes again.
9	Health Department
	Matye presented. Health Department played a part in the Substance Misuse Panel. The motivational speaker, Tony Hoffman, is being funded by the opioid grant. The Health Department did not provide flu shots this year at the Health and Wellness Expo, but did still do blood pressures and talked about the consequences of vaping. The biggest part of our presence was Geena Shemak (Heart Coordinator). We also showed the benches that were purchased. Tomorrow we will be starting out into schools with flu shots (the Preparedness Grant is what makes this happen). The Fentanyl House in Dodgeville, which is owned by the bank sent out bids, accepted a bid from one of their clean up companies. The state is requiring them to have a safety plan for their workers to go in. The company that was chosen will now have to have a safety plan before beginning. Nankee mentioned in the Wisconsin State Journal, September 30 <sup>th</sup> issue, there is an article talking about flu shots/nasal mist and urging people to get one. 61,000 died last year from flu, the shot was 47% effective, and measles shot 95% effective.
10	Next meeting date October 30, 2019 at 5:00 p.m.
11	Motion to adjourn at 6:15 p.m. by Paull. Seconded by O'Brien. Motion carried.
