### Maintenance/Equipment

- **Shower House remodel** – It's well underway. Otter Creek has billed us \$54,769. \$35,000 needs to be transferred from New Building Reserve to General Checking to cover the payment. A motion was made by Mary Foley, seconded by Tom Jenks, to pay the bill and transfer the money. Motion carried by unanimous vote.
- The boat landing has been fixed from people power loading or testing outboards.
- Wolfy's Custom Concrete did almost twice as much pouring at the boat landing and campsite than proposed originally, so the bill came in around \$2,400 over the original bid.
- A back hoe was brought in to work on the boat landing 15% grade and took briars out on the bank.
- The 2010 half ton pickup is burning oil quickly and is pretty rusty with 50-60,000 miles on it.

### Other Information

- Daryl Kreul took the place of Ron Benish for Iowa County.
- There was a suggestion to do a drawing for the 50<sup>th</sup> Year Celebration to keep it fresh in everyone's minds.
- When the boat landing was closed, there were a few customers that were verbally and physically abusive to the office worker. The board gave permission to pull the sticker from anyone in that type of situation in the future.
- The vacancy grid is up for the public to use.
- We've switched to a new internet (Starlink) that is cheaper than the old carrier.
- With County BH being open to ATV/UTVs, it needs to be clearly posted that they aren't allowed in the park.
