6	Review grant application(s) received for possible approval: One grant application received from Blanchardville P.D. Officer Souri speaks to application on behalf of Blanchardville P.D. Discussion: Suggestion raised that grant money be applied more to community prevention efforts (e.g. camera systems in public areas) than to responsive equipment; counter-point that visibility of Tasers on officers’ person would serve as deterrent to criminal activity. 7	Consideration of action with regard to any funds remaining after grant award(s). Discussion on whether to initiate another grant application cycle for remaining funds, to have rolling applications, or to wait until a threshold dollar amount (e.g. \$10,000) in the fund is reached before opening up another grant application cycle. No formal action taken.	
8	Set next meeting & agenda items: Set next meeting for December 8 th at 8:00 A.M. Agenda topics to include consideration of future fund use/application cycles and appointment of new committee member due to Judge Koehler’s retirement and DA Allen’s move to the bench.
