Public Input – There has been a lot of commotion on the ATC lines in Iowa County.

Review and Approve Minutes – Minutes from the May 2022 meeting were reviewed. A motion was made by Bret Barr, seconded by Al Linscheid, to approve the meeting minutes. Motion carried by unanimous vote

Treasurer's Report - The Treasurer's reports for May 2022 were presented. A motion was made by Al Linscheid, seconded by Tom Jenks, to approve the treasurer's reports. Motion carried by unanimous vote.

Maintenance/Equipment

- **Shower House remodel** – it's most of the way complete. We got the final bill for \$39,829. A motion was made by Bret Barr, seconded by Al Linscheid, to pay the final bill amount minus the retainer (\$35,829) and to transfer \$20,000 from new building reserve to general checking.
- We haven't been burning oil on the 2010 truck like reported last month. It must have been from being stored over the winter.

Other Information

- Iowa County Health and Human Resources needs us to sample the water once a month for the next 3 months for testing.
- A local ATV club has helped on social media to spread the word on not driving ATVs/UTVs into the campground.
- **50th Year Celebration** - The local law enforcement thinks that we might have an issue with people leaving that night, so they may have someone on the road for people turning onto County BH. They don't have anyone extra to help with parking, so we may need some fire department help. The Lion's Club is willing to do a burger/beer stand. We may need to have them bring in few extra porta potties. Also, we may have Town & Country come take the garbage from the campground before the weekend.

Next Meeting Date –The next meeting date will in the park office on July 13th, 2022 at 6:30 p.m.

Adjournment - A motion was made by Gail Richgels, seconded by Tom Jenks, to adjourn the meeting. The motion carried and the meeting adjourned at 7:31 pm.
