Are we talking to SUN and getting their names so we can talk to them and make sure they know what the ADRC can do for them? Hiltbrand answered if SUN has a concern about a resident, they can refer them to our agency. SUN cannot supply names and addresses without having the consumers consent and without having a reason to do so. <u>EBS (Elder Benefit Specialist):</u> Report provided. <u>DBS (Disability Benefit Specialist):</u> Report provided. <u>ADRC Transportation:</u> Report provided.
