PRESIDENT’S/EXECUTIVE REPORT

Sandy updated the board on receiving a refund for the Canoecopia Show but nothing yet from WIGCOT [Wisconsin Governor Conference on Tourism].

Sandy reported that the Paycheck Protection Program [PPP] loan from Richland County Bank in Richland Center has been forgiven. The amount was \$2,659.37. Sandy was asked to check into Hidden Valleys being eligible for another PPP loan.

NEW BUSINESS:

Sandy gave Abby the floor to present suggestions for future issues of the Hidden Valleys guide. Currently, Lafayette County is scheduled to be the featured county for the 2022 issue of the guide. Abby suggested an idea of focusing on major activities from all counties instead of featuring a single county. This could include articles and a guide layout change for each county to also focus on the activity of the year. This could pertain to advertisers as well to have articles with their ads. Some of the featured activities could be ATV’s, hiking, canoeing, fishing, etc.

Currently the guide notes, “Here we are, here is what you can do.” Abby’s suggestion would reverse that thinking to “here is what you can do, and here is where you can do it.” There was further discussion but no action was taken at this time. This will be revisited on upcoming agendas.

There was further discussion about storing guides at LaCrosse Graphics. Ron made a motion to keep the same locations for each county as previously voted on. Seconded by Bob S. Motion carried.

As the board already received electronic proofs of their respective counties, Sandy asked for any changes to be sent into the office by February 19th in order to avoid additional cost. There is a printer hard copy proofing scheduled for March 9th in Dodgeville. Should changes need to be made on that proof, there will be a cost involved.

Ron made a motion to adjourn at 11:57 pm. Seconded by Bob S. Motion carried.
