Planning & Zoning Committee Recommendation Summary

Public Hearing held on February 27, 2025

Zoning Hearing 3475

Recommendation: **Approval**

Applicant(s): Kent Roberts

Town of Mifflin

Site Description: SE/SE S36-T5N-R1E & NE ¼ S1-T4N-R1E also affecting tax parcels 016-0614.A1; 0615; 0617.A

Petition Summary: This is a request to zone 12.5 acres from A-1 Ag and B-2 Hwy Bus to AR-1 Ag Res and 27.5 acres with the AC-1 overlay.

Comments/Recommendations

1. The A-1 district has had a minimum 40-acre lot size since 1978, so rezoning is required to legally create the proposed lot. The AC-1 is required to comply with the town's residential density standard.
2. If approved, the AR-1 district would allow one single family residence, accessory structures and up to 5 animal units as defined in the Iowa County Zoning Ordinance. The AC-1 district allows for open space uses but no development that requires a zoning permit.
3. The associated certified survey map has been submitted for formal review.
4. Per Section 11.0 of the Iowa County Zoning Ordinance, the following may be considered when deciding on a zoning change:

1. Whether the petition is consistent with the Iowa County Comprehensive Plan and the comprehensive plan of any Town affected by said petition.
2. Whether adequate public facilities and services (including sewage and waste disposal, water, gas, electricity, schools, police and fire protection, and roads and transportation, as applicable) will be available as required by the petition while maintaining adequate levels of service to existing development.
3. Whether the petition will result in significant adverse impacts upon surrounding properties or the natural environment, including air, water, noise, stormwater management, soils, wildlife and vegetation.
4. Whether the land associated with the petition is suitable for the proposed development and

said development will not cause unreasonable soil erosion or have an unreasonable adverse effect on rare or irreplaceable natural areas.

5. Whether the petition is to resolve a violation.

6. Whether the petition is the minimum action necessary to accomplish the intent of the petition, and an administrative adjustment, variance, or Conditional Use Permit could not be used to achieve the same result.

Town Recommendation: The Town of Mifflin is recommending approval.

Staff Recommendation: Staff recommends approval with the condition that the associated certified survey map is duly recorded within 6 months of the County Board approving the zoning change.
