### Planning & Zoning Committee Recommendation Summary

Public Hearings held on June 16, 2025

Zoning Hearing 3497

Recommendation: **Approval**

**Applicant(s):** James Duggan and Amborn Revocable Trust

**Town of** Pulaski

**Site Description:** NE/NE of S35-T8N-R1E also affecting tax parcels 022-0807; 0619

**Petition Summary:** This is a request to zone 6.506 acre from A-1 Ag to AR-1 Ag Res.

#### Comments/Recommendations

1. The purpose of this petition is for the Duggan lot to be enlarged so the existing house is all on their lot by adding land from Amborn. Rezoning is required as the proposed lot does not meet the minimum 40-acre lot size to remain A-1 Ag.
2. If approved, the AR-1 district would provide for one single family residence, accessory structures and limited ag uses, including up to 3 animal units as defined by the Iowa County Zoning Ordinance.
3. The associated certified survey map has not yet been submitted for formal review.
4. Per Section 11.0 of the Iowa County Zoning Ordinance, the following may be considered when deciding on a zoning change:
  1. Whether the petition is consistent with the Iowa County Comprehensive Plan and the comprehensive plan of any Town affected by said petition.
  2. Whether adequate public facilities and services (including sewage and waste disposal, water, gas, electricity, schools, police and fire protection, and roads and transportation, as applicable) will be available as required by the petition while maintaining adequate levels of service to existing development.
  3. Whether the petition will result in significant adverse impacts upon surrounding properties or the natural environment, including air, water, noise, stormwater management, soils, wildlife and vegetation.
  4. Whether the land associated with the petition is suitable for the proposed development and said development will not cause unreasonable soil erosion or have an unreasonable adverse effect on rare or irreplaceable natural areas.
  5. Whether the petition is to resolve a violation.
  6. Whether the petition is the minimum action necessary to accomplish the intent of the petition, and an administrative adjustment, variance, or Conditional Use Permit could not be used to

achieve the same result.

**Town Recommendation:** The Town of Pulaski is recommending approval.

**Staff Recommendation:** Staff recommends approval with the condition that the associated certified survey map is duly recorded contingent to County Board approval and within 12 months of County Board approval.
