¹Committed funds are amounts constrained to specific purposes by the government itself. Mayor and Council is authorized to establish and appropriate these amounts as may be necessary. Assigned funds are capital project funds that are used to cover capital improvement costs and debt service payments. Mayor and Council is authorized to appropriate this fund balance. Restricted fund balances have constraints placed on the use of resources that are either (a) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments or (b) imposed by law through constitutional provisions.

²Capital Developers account statements may not be available at the time of the monthly council meeting. Balances may represent previous month activity.
