Tim Anderson presented the Record Plan for approval. This is the same plan that received Preliminary approval about a year ago, as well as Conditional Use Permit approval for the daycare. The site plan was submitted to the State Fire Marshal's office, construction plans have been submitted to the Town's engineers for review, DelDOT's Letter of No Objection has been received and no changes have been made to the building elevation.

Both the Public Works Director and Town Manager recommends Council to ratify a professional services agreement with KCI Technologies to prepare the plan for an amount "not to exceed" \$95,035.
