TRAVEL/CONFERENCES

The budget for travel and conference expenses is based on actual activity during the prior fiscal years. Prior to the pandemic, the budget included \$4,000 per Director for travel expenses and \$1,400 per Director for conference registration fees. For FY20-21, the approved budget includes \$2,000 per Director for travel expenses and \$700 per Director for conference registration fees. The reduction in the approved FY20-21 budget versus pre-pandemic levels reflects the assumption that no travel or conference activity would occur prior to January, 2021.
