BC Commissioners

From Wayne Martin

Date Mon 9/22/2025 3:51 PM

To Wayne Martin <scotsman7b@outlook.com>

For the Record: Wayne Martin, Bonner County Resident

It is my understanding that the moratorium on CUP's has expired !?!
If so, what occurred that the Commissioners allowed this to happen, without any action having been taken.

Multiple articles were scanned in yesterday for your review and consideration for Bonner County, dealing with EMS, Fire, 911, Halo law and supply chain disruptions.

Rethinking Urban + Rural Distinctions
When the unthinkable happens MCI (Mass Casualty Incident)
LA Wildfires hint to change in wildfire-urban interface defense
CA is years behind in implementing homes fire resistant
Inconvenient truths about fires in LA
FEMA, DOGE + local fire depts
Training for survival
'Stop saying firemen!'
'Unorganized rescue effort'
Training Time-strapped volunteer

HALO law puts buffer zone around first responders
Senate Bill 184 (FL)
E911 compliance
Colo whole blood program
Ambulance rate increases
MD officials warned of mandatory overtime (ambulance)

Insight into Supply-Chain Disruptions

I would like to suggest that the Bonner County Commissioners recognize 'Charlie Kirk' as an American Patriot - Conservative Leader - Voice of Freedom
