Agenda

Mark Lang joined late. Before he joined Clarke took over meeting. LPSCC reviewed the agenda of the meeting, Gibson moved to approve the agenda and Brajcich seconded the motion to approve. The agenda was unanimously approved.

Prior Minutes

The minutes were reviewed for the April 5, 2024, meeting. Gibson moved to approve the minutes and Aanensen seconded the motion. The minutes were approved unanimously.

Public Comment

There was no Public Comment.

Discussion and establishment of LPSCC Meeting goals for 2024. Lang started off the discussion. Lang was hoping that LPSCC could develop some goals of LPSCC and look at what the priorities should be in looking at public safety for the county. Clarke discussed some of the goals of court security. He indicated that the court security committee was looking at installing a metal detector. Also there was some equipment that was very expensive that could identify if people had weapons in the building. The county is looking to identify if there is funding for that equipment. Evenson asked if there have been any prior studies or discussions of LPSCC goals. Lang indicated he did not recall any other than the seminar that was done for JRI last summer and that CCMH did a community meeting with providers sometime in 2018 or 2019. Jacobson discussed the statutory requirements for his agency to hear from LPSCC about deficiencies and/or gaps in the mental health system and public safety. The group discussed about how to bring that information to CCMH. There was discussion about bringing identified concerns to the next meeting so we can start the process of bringing that information to the attention of CCMH. Brajcich indicated that he would get the findings of the JRI project to Lang. Magruder thought it would be good to provide the members the county ordinance involving LPSCC. Lang indicated he will send that out to the members of LPSCC before the next meeting.
