COMMISSIONER MAGRUDER COMMENTS

- The Association of Oregon Counties retreat was great. Talk to lots of our cohorts who are all struggling with the same issues that we are; most of them are monetary.
- I'm glad to see our emergency folks out here today, and we will continue to be working with them. As a child from Clatskanie, I remember when the alarm went off, all the folks in town put their hammers down and went to the fire station to help. I have had to use the service multiple times and have always appreciated the great care.
- This Sunday at the Cultural Center, we will be having a Tony Watch Party for Cole Escola. \$15 tickets, and it will be a fabulous time.

COMMISSIONER GARRETT COMMENTS

- Nice to be back in town after our little excursion in Sisters.
- River time in Rainier. You've got to love social media.
- I'm glad you fire professionals came here today. Third-hand conversations that happen through things like social media sometimes give slightly incorrect information that can then be blown up and cause a stir. I want to assure the public and everyone that even when we have struggles, we will get these things worked out in the end.
- I'm glad to hear we're not paying \$100,000 a month for insurance on this building.

COMMISSIONER SMITH COMMENTS

- I, too, want to thank you guys for being here today. We appreciate your communication, and I bounced in and out of our retreat, taking phone calls and working on our plan. Picking up the phone and having these conversations is great, and I think we all want the best for the Community. A little bit of oversight is healthy. I look forward to continuing to work together.

ADJOURN

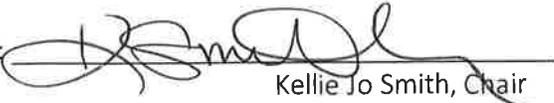

With nothing further to come before this Board, the meeting adjourned at 10:53 AM.
