Subject: Request to Appoint Liaison to League of California Cities

Dear Mr. Morris:

In order that all of our interests are served more effectively, the Sacramento Valley Division leadership encourages your city to appoint, from your city council, an official liaison to the League of California Cities. The liaison serves as the official point of contact for the Sacramento Valley Division of the League and would be the primary recipient of Division communications. Communication from the Division will generally be delivered through email and pertain to division activity but may also include updates from the League.

Once your city has appointed a liaison, please send the appointee's contact information, including email address, to canderson@cacities.org.

Sincerely,
