Project Title: 201 New Morning Court – Housing Opportunity Overlay

Project Location: The project site consists of one parcel (Assessor’s Parcel Number 325-240-016) totaling 2.36 acres within the City of Placerville, California. The site is located at 201 New Morning Court, intersecting with Ray Lawyer Drive along the southern boundary. A vicinity map is included in Figure 1 and an aerial map is included in Figure 2 of the [Initial Study](#)/Mitigated Negative Declaration (IS/MND).

Proposed Project Description: The proposed project is a General Plan Amendment (GPA 26-01) and Zone Change (ZC 26-01) to apply the Housing Opportunity (HO) Overlay to a 2.36-acre undeveloped parcel (APN 325-240-016) at 201 New Morning Court in Placerville, California. The overlay would change the General Plan designation from Commercial (C) to C-HO and the zoning from Commercial (C) to C-HO with corresponding land use diagram and zoning map amendments. This would allow development of up to 56 multi-family dwelling units at a density of 20–24 units per acre, with at least 50% of units affordable to very low- and low-income households (minimum 30% very low-income and 20% low-income). The project supports the City’s 2021-2029 Housing Element by increasing inventory for high-density affordable housing.

The City of Placerville has prepared an Initial Study and proposes to adopt a Mitigated Negative Declaration (MND), finding that potentially significant impacts can be mitigated to less than significant levels.
