Natural hazards have the potential to cause property loss, loss of life, economic hardship, and threats to public health and safety. While an important aspect of emergency management deals with disaster recovery, an equally important aspect involves hazard mitigation - sustained actions taken to reduce long-term risk to life and property.

Ventnor City is participating in the Atlantic County Multi-Jurisdictional Natural Hazard Mitigation Plan and is eligible to apply for certain types of federal grants to assist us with projects like an early warning system, bulkheads, check valves, just to name a few.

For more information on Ventnor City's Hazard Mitigation Plan please go to the City's website: [www.VentnorCity.org](http://www.VentnorCity.org) and click the "OEM button" in the Public Safety box.
