

The Ventnor City board of Recreation held their meeting at 6:30pm on Tuesday, February 11, 2020 at our recreational complex located at Balfour & Surrey Avenues.

Present: Diane Birkbeck, Paul Hydro, Joe Iannuzzelli & Klaudia Advena.

Meeting was called to order by Chairman Birkbeck at 6:32pm.

Shaun McGill and Dean Randazzo present to discuss having an additional surf camp. Not a beginner's camp but above that level. They have a successful program in Wildwood and wanted to bring it to Ventnor. They would supply insurance and also everyone that participates signs a hold harmless waiver.

They would like to have a three year. contract with the City, the monies need to be ironed out. They also asked to be able to have a shed (possibly 6 x 8 ft) on the beach to hold their surf boards, etc. Mr. Thomas will run that by beach patrol etc. to make sure that is ok. They want to run their camps, end of spring, summer and then early fall. Mr. Thomas will speak to city Administrator.

They asked to have their camp on the right side of where the fishing pier is. So between Sacramento life guard stand and the pier.

Shaun & Dean already spoke to the Lou who runs the current surf camp and he doesn't feel it would impact his program at all. The City is thrilled to have more "beach /ocean " activities to offer.

Motion was made to approve this program by Joe I and seconded by Diane Birkbeck. All were in favor.

Evening classes will start in 2 weeks, the ad will be going in paper

Kids classes are set and very popular this year.

Pickleball rentals, fees that were approved by Commission. Rec Bd requested added- Jr weekly passes and Jr seasonal passes. Both approved by resolutions and will be added to the code book for the City.

Motion was made to adjourn meeting by Klaudia Advena and second Paul Hydro. All were in favor
