Frank Sarno present to discuss the Absecon Island Surfing Contest. He has been running it for 20 years for the City and wants to possibly turn it over to a group called South Jersey Board riders to continue the surfing contest as a private entity possibility. They would then of course be responsible to pay fees, insurances if that happens. He wanted to get the date approved either way. He is looking at July 24 through labor day depending on the waves. Board had no problem with that, sad to see if possibly be another activity that is going out of style with the 12-18 yr. range of kids.

Tonight is scheduled for the interviews for the sports camp jr. counselor positions. Five names were to be interviewed.

All children were excellent. They were all going to be offered positions. Mr. Thomas would call them tomorrow and offer them positions and explain the process.

Motion was made to adjourn meeting by Joe Calvi and seconded by Jeff Moore
