NORTHSTAR COMMUNITY SERVICES DISTRICT NOTICE OF THE REGULAR MEETING OF THE BOARD OF DIRECTORS

DATE: JANUARY 21, 2026

TIME: 9:00 A.M.

PLACE: 900 NORTHSTAR DRIVE AND ZOOM

Members of the public may participate in this meeting by teleconference or in person. Any person interested in attending by Zoom video and/or teleconference may use the following link:

<https://us02web.zoom.us/j/84380923416?pwd=iWcmFb6SYJb1y4aUF31sr9QpryRLKT.1>

Meeting ID: 843 8092 3416, Password 084816 or dial by telephone 1-669-900-6833 using access code #84380923416.

CALL TO ORDER, PLEDGE OF ALLEGIANCE, ROLL CALL

PUBLIC COMMENT

Any member of the public may address the Board after roll call on any topic related to the District that is not on the agenda. Public comment will be taken on agenda action items immediately prior to Board action.

Any member of the public on the videoconference may speak during Public Comment or may email public comments to juliez@northstarcsd.org and comments will be read from each member of the public, subject to generally applicable time limitations. For members of the public in attendance via video conference, Northstar Community Services District will use best efforts to swiftly resolve requests for reasonable modifications or accommodations with individuals with disabilities, consistent with the Americans with Disabilities Act, and resolving any doubt whatsoever in favor of accessibility.

CONSENT CALENDAR

1. Discussion and Approval of the following:
 - a. Approval of Claims and Demands – Paid and Unpaid

RECURRING BUSINESS

2. Northstar Property Owners Association – Update
3. Northstar California/Vail – Update

Candace Roeder

General Manager
Mike Geary, PE

Approval of Claims & Demands – Paid and Unpaid

DATE: January 21, 2026

TO: Board of Directors

FROM: Cheryl Plexico, Accounting Manager

DISCUSSION:

The attachment, *Warrant Register – PAID*, shows all checks written to pay claims and demands received subsequent to the previous board meeting. This is consistent with Resolution 16-21, which states that checks to pay claims and demands need not be approved by the Board of Directors before payment if the District Treasurer has determined that the claims and demands conform to the District's approved budget.

There is no *Warrant Register – UNPAID* for the current month.

RECOMMENDATION: Approve Claims & Demands – Paid

ATTACHMENTS: Warrant Register – PAID

DATE PREPARED: January 15, 2026

AGENDA ITEM #3

Northstar California/Vail

There is no written report for this agenda item.

T-TSA BOARD MEETING SUMMARY

12/17/2025 Regular Board Meeting

1) The December 17th, 2025 – This Regular Meeting was held in person.

- Board Meeting & Agendas: <https://ttsa.portal.civicclerk.com>
- Board Meeting Videos are still available on YouTube (click link): www.youtube.com/@TTSABoardVideos

2) Status Report:

a) Operations Report:

- All plant waste discharge requirements were met, and the plant performed well in November.
- The Iron sponge is now back in service. Nate Lyons completed plant training and laboratory proficiency testing. Operations worked with the Maintenance department to repair three water well pumps.

b) Capital Projects Report:

- Digestion Improvements Project: Brown and Caldwell (BC) 60% Design deliverable and workshop is upcoming. Equipment and procurement contracts are ongoing. The Construction Management RFP is in development.
- Nutrient Removal Improvements Project (NRIP): Carollo is performing data review and Design Informational Memorandums (DIM). The RAD public outreach team is developing a strategy, website, and coordinating outreach meetings.
- Network Upgrades Project: Fiber optic ring to provide long-term risk mitigation against single-point failures. Jacobs completed the Conceptual Design Report in June 2025. Phase 1 work is planned for Fiscal Year (FY) 2026 and 2027. The Final Design Scope and Fee is in Development.
- Capital Improvements Plan – FY 2027 Annual Update is ongoing. Staff review of project prioritization for 5-year plan incorporating NRIP impacts.

c) Laboratory Report:

- Continued CDPH Covid sampling for the Department of Health.
- Working on ELAP certification renewal package.
- Finishing up Teichert soil sampling for the year.

d) Public Outreach and Training/Conferences:

- Leadership Brown Bag Presentation with Staff.
- Safety and Compliance Administrator On-Boarding.
- Presentation to the NTPUD Board of Directors.

e) Other Items Report:

• The Board Approved:

- The Consent Agenda: General Fund Warrants for November 2025 and the Regular Meeting Minutes for November 19th, 2025.
- Resolution No. 21-2025, Authorizing and Directing Execution of a Joint Exercise Powers Agreement to Form the Tahoe-Truckee Sanitation Agency Financing Authority.
- Resolution No. 22-2025 Approving Documents and Actions Pertaining to the Issuance of Wastewater Revenue Bonds by the Tahoe-Truckee Sanitation Agency Financing Authority for the Purpose of Financing Wastewater System Capital Improvements.
- Received and Filed the Annual Financial Audit for 2024-2025 (Fiscal Year 2025).
- Approved the Agency Debt Management Policy, Agency Reserve Policy, and the Agency Fund Policy.
- Approved the Revised Employee Evaluation System.
- Approved the Strategic Planning Services Proposal from Tripepi Smith & Associates.

• Additional Items:

- Recessed for the Tahoe-Truckee Sanitation Agency Financing Authority Meeting, which approved Resolution No. FA01-2025, Authorizing the Issuance of Wastewater Revenue Bonds and Actions Related Thereto, for the Purpose of Financing Wastewater System Capital Improvements.
- The Regular Meeting for Wednesday, January 21st, 2026, was Canceled. The next Regular Meeting is scheduled for Wednesday, February 18th, 2026.

Appointing Measure U Citizens Oversight Committee Member to Fill Vacancy

DATE: January 21, 2026

TO: District Board Members

FROM: Julie Zangara, Secretary of the Board

BACKGROUND Measure U Citizens Oversight Committee (MUOC) Member Dan Kassabian has expressed his desire to resign from the MUOC. The MUOC Bylaws state the Board is responsible for appointing new subcommittee members by application and per recommendation by the MUOC resigning member and upon review by the Fire Chief and General Manager.

The District is in receipt of one application for the MUOC.

The applicant is Dan Cox and his attached application has been reviewed by both the Fire Chief and General Manager. There are no additional applications for the MUOC as of publication of this report.

RECOMMENDATION: Appoint Dan Cox to replace Dan Kassabian on the MUOC.

ALTERNATIVES: Do not appoint a replacement to the MUOC.

ATTACHMENTS: Dan Cox Application

DATE PREPARED: January 6, 2026

**NORTHSTAR COMMUNITY SERVICES DISTRICT
APPLICATION FOR MEMBERSHIP ON THE
MEASURE U CITIZENS OVERSIGHT COMMITTEE**

FILING POST DATE (as listed on vacancy listing): _____

NAME: Daniel Cox _____

RESIDENCE ADDRESS: 222 Basque Dr, Truckee CA 96161 _____

MAILING ADDRESS: 222 Basque Dr, Truckee CA 96161 _____

PHONE NUMBER (S): Cell: 206-795-0275 _____ Work: _____

EMAIL ADDRESS: danpcox@gmail.com _____

Are you at least 18 years of age and represent property owners within the Wildfire Prevention Zone of Northstar Community Services District? Yes X No _____

What days and times you are available for meetings? Most days after 3PM _____

Organization and Community Experience: NPOA Board Member, CTO, Executive _____

Other experience, which you feel, would be helpful to bring to the attention of the Board Members in making this appointment: I am a full time resident with a family (2 kids in truckee schools). I value this community and want to provide assistance wherever I can _____

Education (include high school, college and/or university, and graduate study): _____

B.S. C.S. Western Washington University _____

Why would you like to be appointed? As a full time resident, and someone who cares about the forest and forest fires, and someone with a deep technological background, I would like to see if there is a way I can be of assistance to this board. _____

A resume containing other pertinent information about yourself would be helpful to the Board

Members in evaluating your application. Please attach one if you can.

DATE: 1/2/26 SIGNATURE:

The image shows two handwritten signatures. The first signature on the left is "Dan" in a cursive script. The second signature on the right is "Tom" in a cursive script.

APPLICATION MUST BE FILED WITH THE SECRETARY OF THE BOARD

Five-Year Strategic Plan Staff and Board Workshop Planning

DATE: January 21, 2026
TO: District Board Members
FROM: Mike Geary, General Manager and Eric Martin, Director of Public Works
SUBJECT: Strategic Plan Staff and Board Workshop Planning

BACKGROUND: The District's Five-Year Strategic Plan was last comprehensively updated in 2016. At the November 2025 Board meeting, the Board discussed the need to update the Plan given the District's evolving priorities and the increasingly dynamic regional environment, and noted the importance of incorporating the Northstar Fire Department's separate 2024 Strategic Plan into a single, District-wide Five-Year Strategic Plan.

At the December 2025 Board meeting, staff presented a proposed approach for completing the Strategic Plan update through a dedicated workshop supported by pre-workshop outreach (including surveys) and, potentially, a third-party facilitator to support an efficient, objective process. Staff also previewed key content areas anticipated for inclusion in the updated Plan (including new/expanded service categories and regional governance dynamics).

Consistent with the Board's discussion in December 2025, this report provides:

1. Proposed Schedule
2. DRAFT versions of four (4) targeted surveys for Board and public review and input, as part of workshop preparation and public engagement for the Plan update.

DISCUSSION:

Purpose and Scope of the Update

The Plan update intends to reflect current priorities, opportunities, and constraints, including changes that are internally driven (e.g., launching Wood Energy services and constructing the Wood Energy Facility (WEF)) and those outside the District's control (e.g., regional governance changes). The update will also refresh how the District communicates its services, priorities, and performance expectations to the community.

Key scope items anticipated for the updated Plan include:

Expanded service categories and messaging: Add a new service category, “*Energy*”, reflecting the District’s new service of providing heated water to six seven mixed-use connections as part of operation of the proposed Wood Energy Facility (WEF).

Major capital delivery and operational readiness: Incorporate successful delivery of the WEF (anticipated ~\$12M; construction scheduled for 2026) as a central strategic priority, including construction success, commissioning, and transition to sustainable operations.

Regional dynamics and uncertainty: Incorporate scenario-awareness and organizational readiness for:

- Consolidation: potential consolidation among local fire districts (OVPSD, NTFPD, ASCWD, Truckee Fire, and Northstar Fire) as a possible outcome of LAFCo’s current MSR process.
- Incorporation: the proposal to incorporate Eastern Placer County.

Succession planning and organizational resilience: Reflect expected Board turnover and likely retirements/recruitments in key leadership roles (e.g., GM, Fire Chief, etc.).

Workshop Facilitation

Consistent with the Board’s direction in December to seek consultant support, staff requested proposals from three qualified consultants to provide facilitation services for the Strategic Plan workshop and to support development of the updated Strategic Plan document. Proposals are anticipated prior to the Board meeting. Staff will select the consultant best suited for the District based on demonstrated experience with public agency strategic planning, proposed approach and facilitation methodology, cost/value, schedule/availability, and a comparative review of each consultant’s prior strategic plans and similar deliverables, including the quality, usability, and implementation focus of their work products.

Under this approach:

- Consultant role (Levels 1–2): Facilitate the workshop and draft the updated Strategic Plan framework, including high-level Strategic Focus Areas / Goals and supporting Elements / Objectives (terminology may be refined during drafting).
- Staff role (Level 3 – Work Plan): Develop the supporting Work Plan—the most granular level—consisting of SMART (e.g., Specific, Measurable, Achievable, Relevant, Time-bound), measurable initiatives that can be used to track performance and support GM and staff evaluation and

accountability. (This aligns with the “Strategic Work Plan” concept in the existing Plan framework.)

The District’s current Strategic Plan framework and several peer-agency strategic plans are being used as reference materials to inform the update process and to help staff evaluate consultant proposals including each consultant’s approach, work product quality, and implementation focus. Reference documents include:

- The NCSD’s most recent Five-Year Strategic Plan update (BHI Management Consulting):
<https://www.northstarcsd.org/media/PDF/NCSDStratPlan-2016-Update%20-%20web.pdf>
- The Northstar Fire Department’s Five-Year Strategic Plan (staff):
<https://evogov.s3.us-west-2.amazonaws.com/meetings/186/attachments/19411.pdf> - pages 100-133
- North Tahoe Public Utility District’s Strategic Plan (Glen Price Group):
https://ntpud.org/wp-content/uploads/2023/03/2023-NTPUD_Strategic-Plan-webversion.pdf
- Olympic Valley Public Service District’s Strategic Plan, prepared by Agnew Beck, can be found here: <https://ovpsd.org/wp-content/uploads/2025/09/2025-2030-OVPSD-Strategic-Plan.pdf>

Surveys (Pre-Workshop Input) - Four (4) Targeted Audiences

Draft surveys have been prepared for four targeted audiences and are attached for review and refinement by the Board and public at this January 21, 2026 Board Meeting:

1. Board & Executive Leadership (governance, fiscal sustainability, regional dynamics, strategic risks, visioning).
2. NCSD Staff (operational capacity, safety, equipment/tools, process improvements, staffing, culture/retention, field “hot spots”).
3. Northstar Property Owners / Residents / Businesses (multi-service customers; satisfaction across services, priorities, wildfire resilience, engagement, and energy / WEF alignment).
4. Martis Valley Water System Customers (water-only customers; water quality/reliability, conservation tools, infrastructure resilience, billing/value).

The intent is to use survey feedback to focus the workshop on decision-making and prioritization (rather than data gathering), and to better align the Plan with constituent and staff perspectives, consistent with the December Board discussion that a public survey could be beneficial.

Proposed Schedule

Staff proposes the attached schedule to complete the Strategic Plan update by April 2026, including survey distribution in January, analysis in late January / early February, an all-day facilitated workshop in early February, drafting in late February / early March, Board review in March, and adoption in April.

ALTERNATIVES: Alternatives to the Strategic Plan update approach were discussed and evaluated by the Board during the November 2025 and December 2025 Board meetings. Those discussions resulted in clear direction to proceed with the process described in this report (including a Board / staff workshop, targeted surveys, and consultant facilitation support as needed). Accordingly, staff is moving forward consistent with that direction and is not presenting additional alternatives at this time.

FISCAL / RESOURCE IMPACTS: The fee for consultant services is anticipated to be approximately \$15,000 for facilitation and Strategic Plan drafting support. Staff time will be required to administer surveys and communications, synthesize input, support the workshop, and develop the detailed Work Plan (SMART initiatives and performance measures). Other minor costs include survey tools and communications / outreach.

RECOMENDATION: Receive this report and provide any direction or feedback desired. No formal action is requested at this time, as staff is continuing work consistent with prior Board direction.

ATTACHMENTS: Strategic Plan Schedule (1-page).

DRAFT Surveys intended to collect pre-workshop input for four (4) targeted audiences: Board & Executive Leadership, NCSD Staff, Northstar Property Owners / Residents / Businesses, and Martis Valley Water System Customers (8 pages).

DATE PREPARED: January 14, 2025.

Strategic Plan Schedule (Completion April 2026)

Phase	Milestone	Responsible Party	Timeline
1. Launch	Engage Consultant and Survey Distribution: Rapid release of surveys to staff, Board and executive leadership, and the public.	Staff / Consultant	Jan 1 – Jan 23, 2026
2. Analysis	Data Synthesis: Staff / Consultant compiles and analyzes survey feedback for workshop preparation.	Staff / Consultant	Jan 26 – Feb 6, 2026
3. Workshop	Facilitated All-Day Workshop: Intensive strategy session to define goals based on survey data.	Board, Execs, Consultant	Early February 2026
4. Drafting	1. Strategic Plan Development: Consultant drafts strategic plan framework document based on workshop outcomes. 2. Work Plan Development: Staff creates a detailed implementation roadmap based on workshop outcomes.	Staff	Feb 16 – Mar 11, 2026
5. Initial Review	Draft Work Plan Presentation: Present draft to the Board for immediate feedback and necessary adjustments.	Staff	March 18, 2026
6. Finalization	Plan Refinement: Final edits to the Strategic Plan and Work Plan based on Board input.	Staff / Consultant	Mar 19 – Apr 10, 2026
7. Completion	Final Board Adoption: Formal presentation and approval of the completed Strategic Plan update.	Board	April 15, 2026

Key Requirements for Success

Survey Turnaround: Stakeholders must be given a strict 2-week window to ensure data is ready for the February workshop.

Workshop Timing: The all-day workshop should ideally occur in the first two weeks of February to allow staff sufficient time to draft the work plan before the March board packet deadline.

This preliminary survey is designed for Northstar Community Services District Board Members and Executive Leadership to gather input for a 2026 strategic plan update. It focuses on governance, fiscal sustainability, and long-term policy vision for the 2026–2031 planning cycle.

Section 1: Mission & Governance

1. Mission Alignment: The District's Mission Statement is as Follows:

The Northstar Community Services District delivers core public services to enhance the quality of life in the community.

NCSD core public services are:

fire, water, sewer, emergency response, road maintenance, forest fuels management, snow removal, solid waste services, recreational trails.

On a scale of 1–5, how well do our current operations align with our mission?

2. Policy Role: Do you feel the Board spends sufficient time on long-term strategic policy versus short-term operational oversight?
3. Inter-Agency Collaboration: How would you rate our current partnerships with regional partners including State Agencies, Placer County, and neighboring districts?
4. Regional Dynamics: How prepared is the District to react to external forces, including the proposed Incorporation of Eastern Placer County (led by the group at easternplacerfuture.org) and the ongoing LAFCo Municipal Service Review (MSR) evaluating potential consolidation among local fire departments (OVPSD, NTFPD, ASCWD, Truckee Fire, and Northstar Fire), all of which have the potential to significantly affect the District's governance, service delivery, and financial framework.

Section 2: Financial & Infrastructure Stewardship

1. Capital Replacement Plan (CRP): Given our aging infrastructure, is our current CRP funding level: *Critically Underfunded / Adequate / Well-Funded?*
2. Revenue Diversification: To what extent should the District explore new revenue streams (e.g., grants, special taxes, or mitigation fees) to fund operations, such as fire protection?
3. Fiscal Reserve Policy: Are our current operating reserve levels sufficient to handle a catastrophic event such as wildfire?

Section 3: Strategic Service Priorities

Please rank these service areas in order of Strategic Risk (1 being the highest risk/priority for the Board to address):

- Water/Sewer Resilience: (Stewards of the Martis Valley Groundwater Basin and Compliance with State Water Board standards).
- Wildfire Mitigation: (Forest fuels management and community hardening).
- Emergency Response: (Fire and EMS staffing/retention levels).
- Infrastructure: (Road pavement lifecycle, water and sewer infrastructure replacement, and fleet and snow removal equipment replacement).
- Energy: (Establishing a new service category titled Energy to reflect the District's emerging utility role in providing heated water to customers in the Village through the Wood Energy Facility).
- Quality of Life: (Solid waste efficiency and recreational trail connectivity).

Section 4: Future Challenges (2026–2031)

1. Climate Adaptation: What is the District's greatest vulnerability regarding climate change (e.g., water scarcity, increased fuel loads, or infrastructure damage from extreme weather)?
2. Workforce Sustainability: What strategies should the Board prioritize to recruit and retain specialized staff in fire and public works?
3. Regulatory Compliance: Which emerging California mandates pose the greatest challenge to our budget?
4. Succession Planning: How prepared is the District to address anticipated leadership transitions at both the Board and management levels?

Section 5: Visioning

1. Success Definition: What one achievement over the next five years would most significantly improve the District's standing with its constituents?
2. Technology: How should the Board prioritize investment in technology such as cloud computing and Artificial Intelligence (AI)?

This preliminary survey is designed for Northstar Community Services District Staff and Front-line Workers to gather input for a 2026 strategic plan update. It focuses on operational efficiency, safety, equipment needs, and internal culture.

Section 1: Operational Capacity & Safety

1. Equipment & Tools: Do you have the necessary equipment (fire apparatus, snow removal equipment, fleet vehicles, tools and equipment, water/sewer diagnostic software) to perform your job safely and efficiently? (Yes/No/Needs Improvement).
2. Safety Culture: On a scale of 1–5, how would you rate the District's commitment to workplace safety, particularly regarding hazardous tasks like emergency response or confined space entry?
3. Training: What specific certifications or technical training do you need to better serve the District in the next five years?

Section 2: Service Delivery & Efficiency

1. Cross-Department Collaboration: How effectively do different departments (e.g., Utilities and Fire, Utilities and Admin, or Fire and Admin) communicate on the overlap of the District's Mission?
2. Process Improvement: Is there a specific manual process or "red tape" issue that should be digitized or automated (e.g., work orders, daily inspection logs, etc.)?
3. Staffing Levels: Do you feel your department is adequately staffed to meet current service demands during peak seasons (e.g., heavy snow years or high-fire-danger months)?

Section 3: Infrastructure & Field Realities

1. Infrastructure "Hot Spots": Based on your daily field work, which specific area of our infrastructure is most at risk of failure (e.g., a specific sewer lift station, a deteriorating road segment, specific water or sewer infrastructure, or a specific trail)?
2. Public Interaction: What is the most common complaint or question you receive from residents while in the field? Conversely, what is the most common accolade you receive from residents while in the field?
3. Climate Impacts: How have recent weather extremes (e.g., drought or storm patterns) changed your daily workload or maintenance schedules?

Section 4: Workforce & Culture

1. Retention: What is the primary factor that would encourage you to stay with the District long-term? (e.g., competitive pay, better benefits, updated equipment, or professional development).
2. Morale: What is one change the District could make to improve staff morale or the daily work environment?
3. Recognition: Do you feel that the District's leadership understands the technical challenges of your specific role?

Section 5: Strategic Ideas (The "Ground-Up" View)

1. Innovation: If you were given a small budget to improve your department's efficiency, what is the first thing you would buy or change?
2. Sustainability: What is one way the District could reduce waste or improve energy efficiency in our shops/stations, plants, or vehicle fleet?

This preliminary survey is designed for residents and business owners in the Northstar Community Services District service boundary to gather community input for a 2026 strategic plan update. The survey focuses on service quality, future priorities, and infrastructure needs across the district's diverse functional areas.

Section 1: Service Satisfaction & Usage

Rate your satisfaction with the following services (1 = Very Dissatisfied, 5 = Very Satisfied):

- Emergency Services: Fire protection and emergency medical response.
- Water: Reliability and quality of drinking water.
- Sewer: Reliability of sewer collection.
- Solid Waste: Availability and convenience of disposal and recycling services.
- Roads: Maintenance of local roads and effectiveness of snow removal.
- Trails: Development and maintenance of recreational trails.

Section 2: Strategic Priorities

1. Infrastructure Investment: How should the district prioritize spending for the next 5 years? (Rank: Water/Sewer Replacements, Road Repairs, Fire Equipment, Operations Equipment, Trail Expansion).
2. Wildfire Resilience: Which wildfire prevention strategies are most important to you? (e.g., more fuels management projects, increased defensible space clearance, community education).
3. Climate Adaptation: How concerned are you about the impact of drought and extreme weather on District services?
4. Service Expansion: Would you support a modest tax or fee increase to enhance specific services, such as fire protection?
5. Energy: Do you support the District's establishment of a new service category titled Energy to reflect the District's emerging utility role in providing heated water to customers in the Village through the Wood Energy Facility?

Section 3: Community Engagement & Values

1. Communication: How do you prefer to receive updates from the district? (e.g., Email, Social Media, Physical Mail, Phone Call).

2. Organizational Values: Which qualities do you value most in your Special District? (e.g., Transparency, Fiscal Responsibility, Innovation, Reliability).
3. Open Feedback: What is the "one thing" you believe the district must improve upon in the next three years?

Section 4: Respondent Demographics (Optional)

- Residency Status: Full-time resident, seasonal resident, or business owner.
- Neighborhood: To identify localized service gaps (e.g., specific roads needing more maintenance / snow removal).

DRAFT

This preliminary survey is designed for the Northstar Community Services District to gather community input for a 2026 strategic plan update. This survey is specifically for residents and property owners in Marts Valley who utilize the District's water service only.

Section 1: Service Quality & Reliability

1. Water Quality: How satisfied are you with the taste, clarity, and odor of your tap water? (1 = Very Dissatisfied, 5 = Very Satisfied).
2. Reliability: In 2025, how many times have you experienced an unplanned water service interruption or low pressure?

Section 2: Conservation & Technology

1. Usage Monitoring: Are you interested in a digital "Smart Meter" portal to monitor your daily water usage and receive leak alerts on your smartphone?
2. Conservation Programs: Which District incentives would you be most likely to use?
 - a. Turf replacement/low-water landscaping rebates.
 - b. Free indoor leak detection kits.
 - c. Smart irrigation controller subsidies.
 - d. Low flow fixture replacement subsidies (toilets, shower heads, etc.).
3. Communication: Do you know where to find the District's Annual Water Quality Report (Consumer Confidence Report)?

Section 3: Infrastructure & Future Planning

1. System Resilience: Given the increasing frequency of droughts and wildfires, how much of a priority should the District place on increasing our water storage capacity (tanks and reservoirs)?
2. Infrastructure Age: Much of California's water infrastructure is aging. Are you supportive of the District's dedicated capital replacement component of water user fees which is to be used to replace infrastructure before it fails?
3. Environmental Impact: How important is it that the District is a steward of the Marts Valley Groundwater Basin?

Section 4: Billing & Value

1. Rate Transparency: On a scale of 1–5, how clearly does your monthly bill explain your usage and the fees associated with maintaining the system?

2. Value for Cost: Considering the 24/7 availability of clean water, do you feel the current rates represent a fair value?
3. Financial Assistance: Are you aware of Low Income Household Water Assistance Programs (LIHWAP) if you struggle to pay your bill?

Section 5: Open Feedback

1. Critical Concerns: What is your biggest concern regarding our local water supply over the next five years (e.g., water rates, supply shortages, water quality, regulatory compliance)?
2. General Comments: Please share any specific experiences or suggestions related to water service in your community.

General Manager's Report

DATE: January 21, 2025
TO: District Board Members
FROM: Mike Geary, General Manager
SUBJECT: General Manager's Report – For Information Only

BACKGROUND: The discussion section below provides information from the District's management on current projects and activities that are not the subject of a separate report. This report is prepared to provide new information and recent progress only.

DISCUSSION: The General Manager participated in the following meetings in the last two months:

- Direct Reports – weekly with Fire Chief, Accounting Manager, Board Secretary / HRA, and Director of Public Works.
- Monthly Board Meeting Prep – HRA Zangara, DPW Martin, AM Plexico, Chief Gibeaut, OS Evans.
- Administration Department staff – monthly.
- Utility Department staff – bi-monthly.
- FY 2025 Financial Audit – AM Plexico and representatives from James Marta & Company.
- Board Member Orientation and Facility Surprise Inspections – Directors Roeder and Ives, staff.
- TTSD Contract Review – DPW Martin.
- Retirement Celebration – Town of Truckee DPW Dan Wilkins.
- Fire Dept. MOU – Chief Gibeaut and HRA Zangara.
- Fire Dept. MOU – Chief Gibeaut, HRA Zangara, and Fire Dept. Union representatives.
- Director Radanovich – two meetings.
- CFD / Mello Roos – District counsel.
- Martis Valley Trail – DPW Martin and consultant from PRD.

Fire Chief

Jason Gibeaut

DATE: January 21st, 2026
TO: District Board Members
FROM: Jason Gibeaut, Fire Chief
SUBJECT: Fire Chief's Report – For Information Only

BACKGROUND:

The section below provides information from the Fire Department on its current projects that are not the subject of a separate report. This report is formatted to provide new information and recent progress only.

OPERATIONS:

- Continue to research all viable means of additional revenue or cost-savings for NFD in preparation for sharing before the Board of Directors.
- Eastern Placer County fire departments/districts have completed reviewing the 1st draft of LAFCO's MSR.
- Working on a Trail Marking system that will be placed along the Martis Trail helping both the public and fire/EMS to determine location of emergency.
- Attended Eastern Placer County Fire Chief's and Division Chief's meeting to discuss and address issues such as automatic and mutual aid agreements and like-minded policies/procedures to ensure greater safety and efficacy.
- Updating our dispatch matrix/run cards with GVECC to reflect "what NFD would like dispatched" for emergencies (i.e. structure fires, gas leaks, vehicle accidents, etc.).
- Completed annual performance reviews of staff.
- Walked and inspected both stations to confirm cleaning and organization is being maintained.
- Attached is a report reflecting the number and types of calls NFD was dispatched over the last month.

PREVENTION:

- Placer County STR Defensible Space Inspections and *Focus Area* inspections have been concluded for the season. While weather permits, NFD will continue to inspect properties upon request. NFD is still receiving a few inspection requests each week.
- Annual Fire & Life Safety Inspections will start sometime in February 2026. NFD will send out emails to all stakeholders in preparation for the upcoming inspections.
- Continued meetings with Eastern Placer Fire Prevention Officers to discuss fire code, local prevention measures and enforcement within the greater region.
- Plan review and inspections for development within Northstar (tenant improvements, new construction and means of egress/ingress).
- Continued enforcement of fire suppression/prevention system's compliance within commercial buildings.
- Assisting stakeholders with fire and life safety concerns. (Ritz Carlton Hotel, Mid Mountain Day Lodge, Gold Bend Condominiums) by testing fire protection systems and updating pre-plans to reflect the most current site and contact information.

FUELS MANAGEMENT:

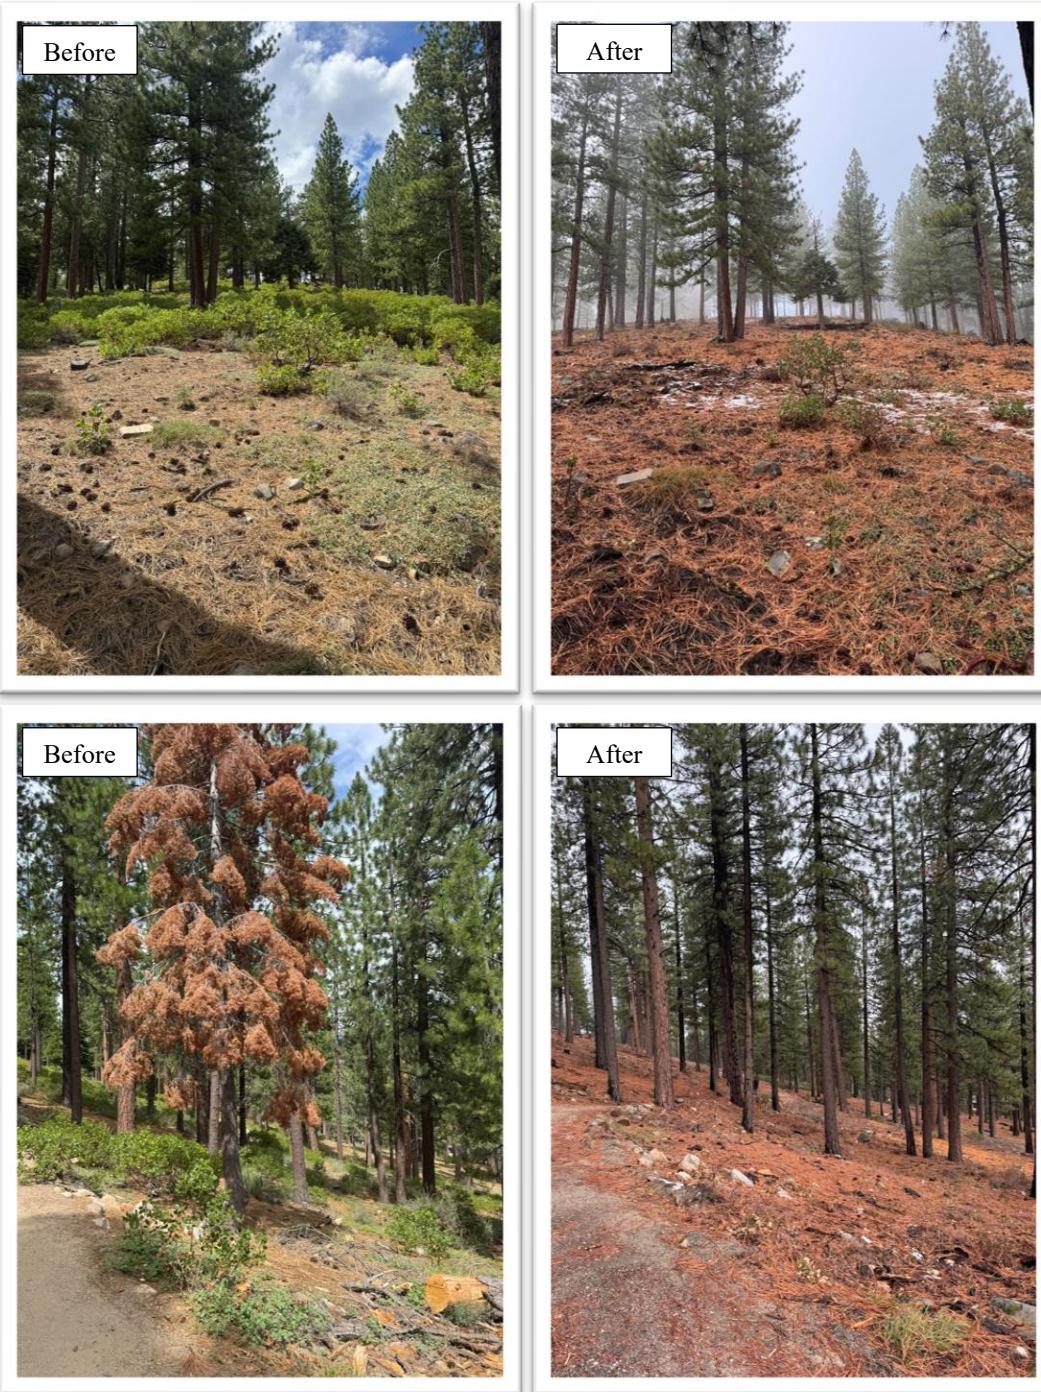

- On the ground forest fuels reduction remains shut down for the winter.
- 2025-2026 pile burning project season statistics have not changed from the last reporting and are as follows:
 - 142-total piles or approximately 1,056 cubic yards of hazardous forest fuels have been burned.
 - Above the Ritz-Carlton Hotel and 900 Road (123-piles burned).
 - North of Martis Landing behind the residences of 1117-1124 (9-piles burned).
 - The upper Castle Peak parking lot #16, (10-piles burned).
 - 142-total piles burned to date and an estimated 231 piles remain to be burned before spring.
 - At the time of this reporting the weather has warmed up causing atmospheric conditions where air movement is stagnant. Monitoring will continue to find an optimal burn window.
- The Fuels Management department has begun projections for project acres to be treated through Measure U funds, CAL FIRE and Truckee Tahoe Airport District (TTAD). This March, TTAD will begin discussions on potential funding for forest fuels reduction projects. The Fuels Management department will request funding for a new project to help subsidize Measure U treatment acres beyond the 300' zone within the Wildfire Prevention Zone (WPZ). For the 2026-2027 Measure U project season, Vail Resorts (Trimont Land Company) will be the remaining partner providing a 50% matching contribution to acres treated within the 300' zone and will remain a partner after year seven of Measure U is completed.
- As a winter project, Forestry Assistant Cooper Johnson is working with Information Technology/GIS Coordinator Steve Goates to organize current and historical data from forest fuels reduction work. Forest fuels reduction treatment data goes as far back as 1994, which includes archaeological, wildlife, forest disease tracking and tree seedling planting. Additionally, data is being compiled for planning of the 2026-2027 project season and potential acres for grant funding.

Respectfully Submitted,

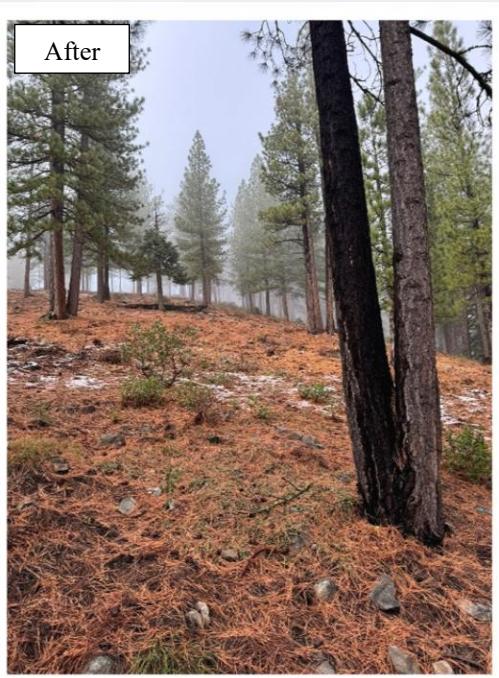

Jason Gibeaut

Northstar Fire Chief

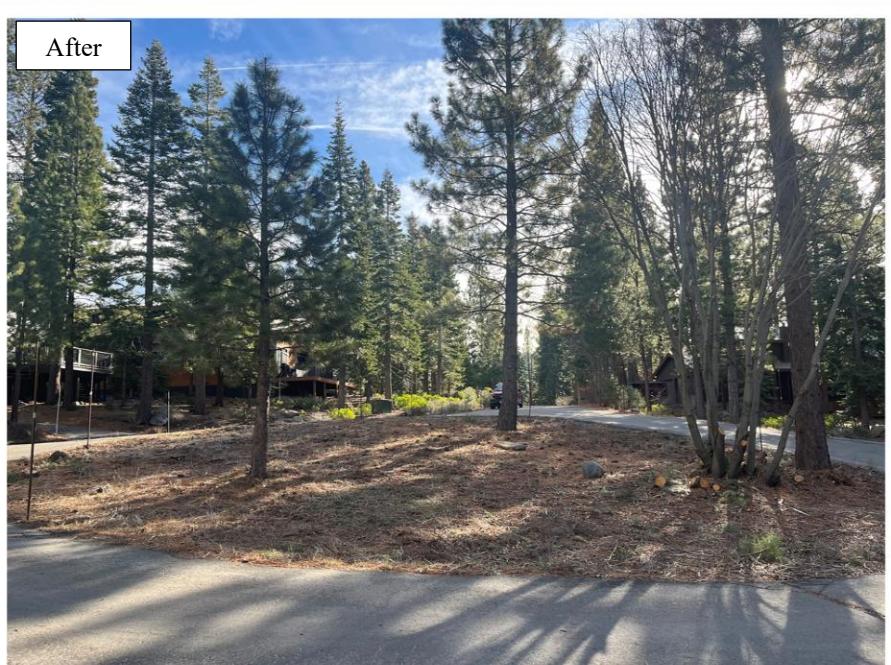

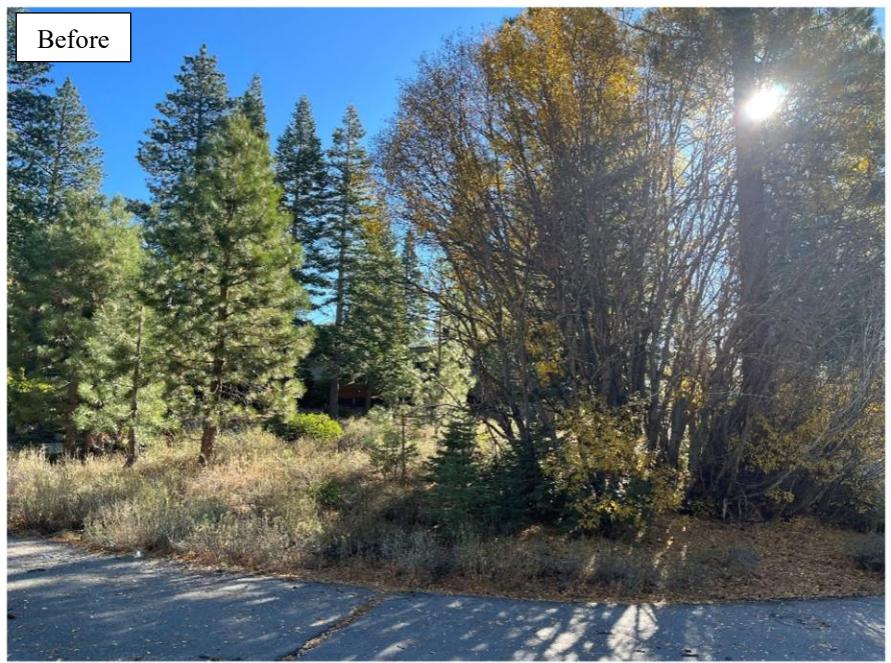

2025 Forest Fuels Reduction Project Photos:

The two photos above are before and after photos of forest fuels reduction work that had occurred during the 2025 forest fuels reduction project season. The vertical component of the prescription involved thinning of suppressed and intermediate class trees, including dead, diseased, dying and pest infected conifer trees. Forest thinning included promoting pine over true fir species. The prescription for the horizontal component for the forest included the reduction of ground fuels and pioneer brush component in mosaics and in areas on entirety.

The four photos above are additional before and after photos of forest fuels reduction work that had occurred during the 2025 forest project season. The vertical component of the prescription involved thinning of suppressed and intermediate class trees, including dead, diseased, dying and pest infected conifer trees. Forest thinning included promoting pine over true fir species. The prescription for the horizontal component for the forest included the reduction of ground fuels and pioneer brush component in mosaics and in areas on entirety.

The photos above are before and after photos of forest fuels reduction work that was performed within the street of Wagon Wheel. The community of Northstar has a total of six (6) Placer County owned “islands” at the end of streets. Islands have been a focus of forest fuels reduction to safely allow an evacuation at the end of the street or provide a safe emergency response. The before/after photos show the level of accumulated forest fuels removed from treatment. A secondary advantage of this treatment will allow snow storage for the NCSD Utilities department.

Public Works Report

DATE: January 21, 2026

TO: Board of Directors

FROM: Eric Martin, Director of Public Works

SUBJECT: Public Works Report – For Information Only

BACKGROUND: The updates below provide information on the District's public works services, projects, and programs that are not the subject of a separate report. This report is formatted to provide new information and recent progress only.

DISCUSSION:

- Wood Energy Facility
 - Permitting:
 - Placer County Use Permit Amendment: Placer County Staff relayed that approval of the requested conformity review is being processed. Due to County staffing constraints, the formal finding has been delayed.
 - Placer County Building Department and Engineering/Surveying Department permit applications have been submitted and are under review.
 - The Placer County Air Pollution Control District Permit has been issued.
 - Northstar Fire Dept. permitting is being coordinated.
 - Cross Laminated Timber building – DPW Martin met with PR Design and Mosaic Timber representatives to discuss purchase of a locally sourced mass timber building package. A consultant specializing in mass timber, Joshua Schultz, has been contracted for \$2,500 to inform the building design.
 - Liberty Utilities – Redesigned electrical drawings were submitted to Liberty in early January, and the service agreement is being coordinated for the new power service. Liberty approved the application to allow net metering for the project power generators.
 - PR Design continues to coordinate with Messersmith and subconsultants to further design. Bid documents are being prepared, and the project will be publicly bid in February/March 2026. Progress meetings are being held regularly.
 - Power Generators – DPW Martin is coordinating with ElectraTherm, PR Design, and design subconsultants to fine tune the power generator purchase package. The purchase order will soon be executed.
 - DPW Martin attended a Tahoe Basin Biomass Task Force Meeting.

- **Martis Valley Trail Segment 3F**
 - A punchlist walk was performed, and final punchlist items are being completed by C&D Contractors.
 - Placer County is planning a ribbon cutting ceremony in the spring.
 - The project permit with the Lahontan Regional Water Quality Control Board will remain open until adequate revegetation is established in mid-2026. Periodic water quality inspections will be performed until the permit is closed out.
 - The Notice of Completion was recorded with Placer County starting the clock for the 35-day waiting period for retention release. Westcon Construction Corporation, a subcontractor for the project, filed a \$59,471 claim against C&D Contractors. C&D provided a bond to fund the claim should it be approved by the surety. C&D's bond allows release of the project retention after the standard waiting period.
- DPW Martin and TPA Detwiler met with Martis Valley Groundwater Management Plan (GMP) partners to discuss annual GMP reporting and to collaborate with the Truckee River Watershed Council.
- DPW Martin and TPA Detwiler met with Vail representatives to discuss future golf course irrigation alternatives.
- The District's motor grader experienced an oil pump failure during snow removal operations on January 4. The grader has been shipped to a shop in Reno where it is being repaired under warranty.
- T-mobile internet service is being tested as backup for communications at newly installed cellular SCADA sites. Verizon is currently primary at the facilities.
- Operations Dept. staff prevented a potential sewer overflow in Martis Landing by removing a grease obstruction that was identified during annual sewer inspections.
- Operations Dept. staff replaced water level instrumentation at the Water Treatment Plant, Camp Muir Tank, and TH2 Well.
- San Joaquin electric assisted Operations Dept. staff with the replacement of a Transient Voltage Surge Suppressor at the Northstar Drive Booster Pump Station.
- Environmentally friendly traction sand is being tested on arterial roads this snow removal season.
- IT/GIS Coordinator Goates recently migrated all file storage to the cloud, furthering efforts to migrate server infrastructure to the cloud.

MONTHLY WATER DATA TABLE:

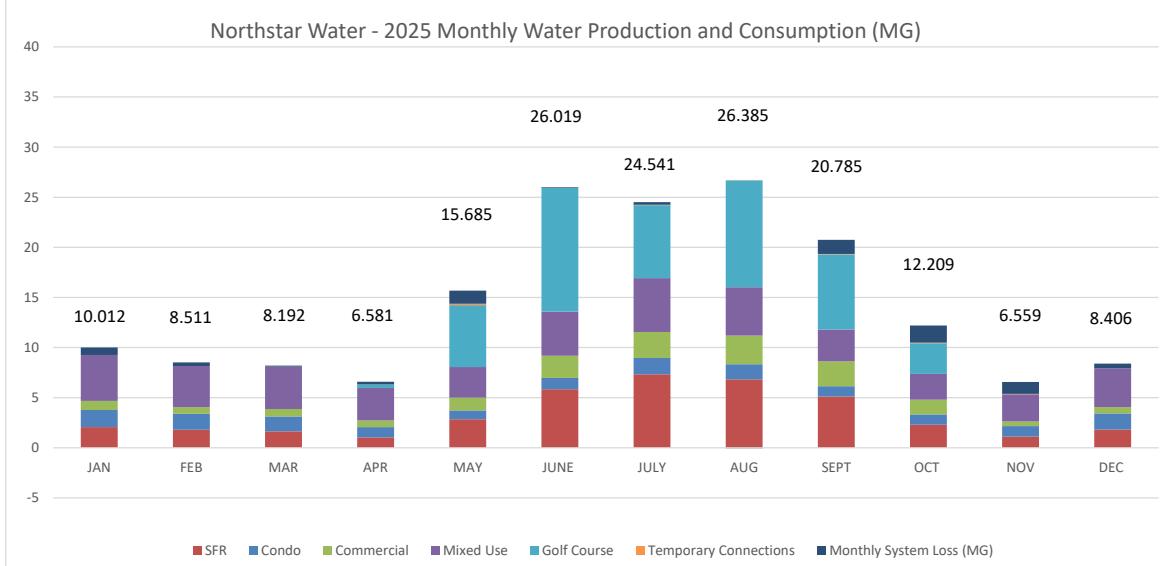

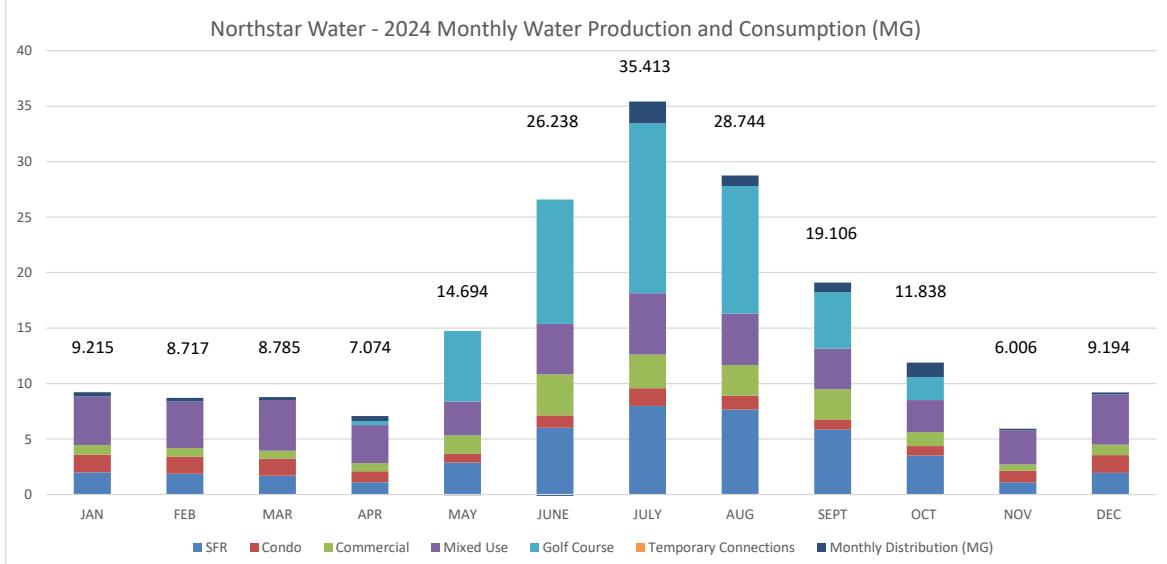

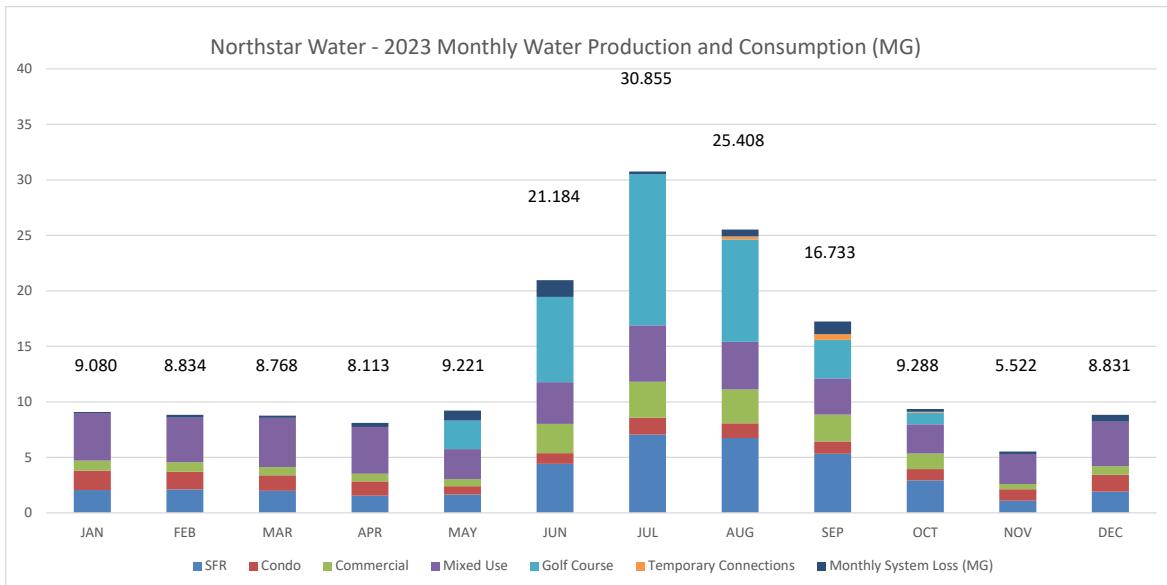

NWS Production and Pumping Data			
	Dec. 2023	Dec. 2024	Dec. 2025
WTP Production	7.78 MG	9.05 MG	6.51 MG
TH1 Production	1.05 MG	0.15 MG	1.90 MG
TH2 Production	0.00 MG	0.00 MG	0.00 MG
TH1 Static Level / Pumping Level	8.4' / 26.9'	1.9' / 24.4'	15.2' / 39.1'
TH2 Static Level / Pumping Level	32.0' / n/a	32.7' / n/a	27.4' / n/a
Northstar Drive BPS	0.88 MG	0.32 MG	2.06 MG
Spring Collection & Storage Data			
Reservoir A Volume (180 AF Capacity)	144 AF (80%)	104 AF (58%)	144 AF (80%)
Reservoir A Elevation (Max = 6,985')	6,981.0'	6,976.0'	6,981.0'
Big Springs	440 GPM	370 GPM	395 GPM
Sawmill Flat	No Report	No Report	No Report
Maximum Storage in Tanks = 3.6 MG	2.8 MG	2.6 MG	2.3 MG

ADMINISTRATIVE REPORT

DATE: January 21, 2026

TO: District Board Members

FROM: Julie Zangara, Secretary of the Board/Human Resources Administrator

SUBJECT: Administrative Report – For Information Only

BACKGROUND: The discussion section below provides information from the District's administrative department on current projects and activities that are not the subject of a separate report. The report is prepared to provide new information and recent progress only.

DISCUSSION: The Finance and Administration department has the following updates to report to the Board:

- The SotB will schedule Ethics training for Board members and management following the February Board meeting.
- California Senate Bill 827 will require Board members and some management to take additional Fiscal/Financial training every two years. The requirement is effective 7/1/26.
- HRA Zangara is working to identify updates needed to job descriptions for Administrative Employees.
- Administrative and Accounting staff are working to recognize opportunities for increased efficiency in processes and procedures.
- Accounting Manager Cheryl Plexico completed the upload of required documentation and reporting to the auditors so they can complete the Financial Audit for FY 2025.
