***** NUTLEY FARMERS MARKET SPECIAL EVENT *****

Hanger Recycling Day

Sunday, July 16th

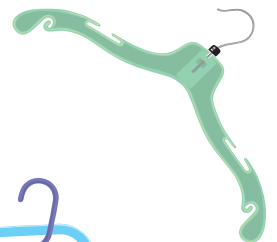

9am - 2pm

Municipal Parking Lot #1

(Located on William Street on the east side of Franklin Avenue)

Did you know? 3.5 billion dry-cleaner wire hangers, which nearly all consumers toss in the trash, amounts to the same amount of steel each year as 60,000 cars!

Clean out your closets and bring all metal, wood and plastic hangers to the Farmers Market so they can be recycled.
