Commissioner Joseph P. Scarpelli  
Director, Department of Public Works  
Township of Nutley  
Nutley, New Jersey 07110

Dear Commissioner Scarpelli;

Department of Public Works progress of work in the Road/Recycling Division for the month of **JULY 2021** is as follows:

All Public Works equipment was serviced and repaired by the Mechanic Division/Department of Public Works.

Recycling was collected throughout the township, consisting of paper and cardboard and brought back to the garage where it is separated and put into bins.

Once recyclables are loaded, they are put into large carting containers and brought to various places. This occurs several times a week.

Our recycling vendor is Integrity Recycling & Waste Solutions, Flemington, NJ 08822

Various potholes around the township were filled in with hot asphalt. Also, large patches of asphalt were laid down, where needed.

Reflectors are placed on all dead end barricades throughout the township when needed.

Dead end barricades were painted throughout the township when needed.

On days and nights of very heavy rain, we work with the Police Department on flooded streets so we may maintain all catch basins, clearing them of debris to prevent flooding of streets. This procedure is done all winter with the Police Department and during snow season.

We assist the Police Department with debris in vehicular accidents.

Commissioner Joseph P. Scarpelli--Page 2 Department of Public Works progress of work in the Road/Recycling Division for the Month of **JULY 2021**.

On Mondays and Fridays, we divided up the work load be picking up the recyclables at condominiums, located at various areas throughout the town and doing work on our roadways, such as filling in potholes, using winter mix, weather permitting cleaning the inside and tops of the catch basins.

The Road Department also carts several containers of debris for the Clean Communities Department and the Department of Parks and Recreation.

MONTHLY STANDARD PROCEDURES are as follows:

Newspaper recycling is brought to Newark, NJ several times a week.

We empty litter baskets, every Monday and Friday located in all the Municipal Parking Lots, Well Water area, Town Hall and Department Garages.

On Mondays and Fridays, we also send out our sweepers to clean around the Town Hall, Public Safety Building and Municipal Parking Lots.

We maintain the appearance of Municipal Parking Lots by picking up loose leaves and debris. Our sweepers are sent out every day to various areas in town to keep our streets as clean as possible.

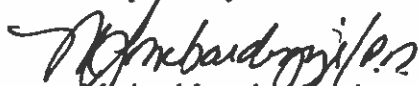

We pick up all salt barrels seasonally.

Drivers and helper inspect trucks every morning, checking oil or broken lenses. When work is needed, the trucks are turned over to your Mechanics' Department for service.

The following is an ACCOUNTING OF RECYCLING for the month:

Paper	132.16 Tons
Co-Mingled	125.79 Tons (Collected by F. Basso Rubbish)
Light Metal	0.00 Tons

Respectfully submitted,

  
Michael Lombardozzi  
Road Supervisor
