

# AGENDA

## CRESCENT FIRE PROTECTION DISTRICT BOARD OF DIRECTORS

**REGULAR MEETING  
HELD  
MONDAY, AUGUST 10, 2020  
AT 5:00 P.M.**

Due to the current public health emergency resulting from COVID-19, the public may access and participate in the public meeting by participating online via Zoom -details to join the meeting will be on both the Crescent City Fire & Rescue Facebook page as well as the Crescent Fire Protection District website ([www.cfpd.crescentcity.org](http://www.cfpd.crescentcity.org)). Submit comments via [ccfire@crescentcity.org](mailto:ccfire@crescentcity.org); or submit a written comment by filing it with the Administrative Assistant at 255 W Washington Blvd, Crescent City, California 95531 prior to 5:00 pm, August 10, 2020. If you require a special accommodation, please contact Administrative Assistant, Vanessa Duncan at 464-2421.

### **1. ROLL CALL**

**1.1 CALL TO ORDER**

**1.2 FLAG SALUTE**

### **2. PUBLIC PARTICIPATION**

*Any member of the audience is invited to address the Board on any matter that is within the jurisdiction of the Crescent Fire Protection District. Comments of public interest or on matters appearing on the agenda are accepted. Note, however, that the Board is not able to undertake extended discussion or act on non-agendized items. Such items can be referred to staff for appropriate action, which may include placement on a future agenda. All comments shall be directed toward the entire Board. After receiving recognition from the Chairman, please state your name and city or county residency for the record. Public comment is limited to five (5) minutes. The public is additionally allotted three minutes each in which to speak on any item on the agenda prior to any action taken by the Board.*

### **3. CONSENT AGENDA**

**3.1 APPROVE MINUTES OF THE SPECIAL MEETING OF JUNE 2020.**

**3.2** APPROVAL OF WARRANT CLAIMS FOR PERIOD COVERED JUNE 2020.

**3.3** RESPONSES OCCURRED BETWEEN: 06/01 – 06/30/2020

#### **4. PUBLIC HEARING**

**4.1** CONDUCT A PUBLIC HEARING FOR THE 2020-2021 FINAL FISCAL BUDGET.

##### RECOMMENDATION

1. Receive staff report
2. Open the Public Hearing
3. Take public comment
4. Close Public Hearing
5. Board Discussion
6. Consider and adopt Resolution No. 20-003; RESOLUTION OF THE BOARD OF DIRECTORS OF THE CRESCENT FIRE PROTECTION DISTRICT ADOPTING THE 2020-2021 FINAL FISCAL BUDGET

#### **5. NEW BUSINESS**

*Take action as necessary and appropriate.*

**5.1** RECEIVE BENEFIT ASSESSMENT REPORT, CONSIDER AND ADOPT RESOLUTION NO. 20-004, AND WAIVE FULL READING, READ BY TITLE ONLY AND INTRODUCE ORDINANCE NO. 20-001; AN ORDINANCE OF THE CRESCENT FIRE PROTECTION DISTRICT LEVYING A FIRE SUPPRESSION ASSESSMENT, BEGINNING IN FISCAL YEAR 2021/22

##### RECOMMENDATION

1. Receive staff report and presentation
2. Take public comment
3. Board Discussion
4. Consider and adopt RESOLUTION NO. 20-004; A RESOLUTION OF THE BOARD OF DIRECTORS OF THE CRESCENT FIRE PROTECTION DISTRICT INITIATING PROCEEDINGS, DECLARING INTENTION TO LEVY ASSESSMENTS, PRELIMINARILY APPROVING ENGINEER'S REPORT, AND PROVIDING FOR NOTICE OF HEARING AND THE MAILING OF ASSESSMENT BALLOTS
5. Review and Waive full reading, read by title only INTRODUCE ORDINANCE NO. 20-001; AN ORDINANCE OF THE CRESCENT FIRE PROTECTION DISTRICT LEVYING A FIRE SUPPRESSION ASSESSMENT, BEGINNING IN FISCAL YEAR 2021/22

**6.. OLD BUSINESS**

*There is no old business at this time.*

**7. CHIEFS REPORT**

*Take action as necessary and appropriate.*

UPDATE ON CURRENT MATTERS AND THOSE IN PROGRESS.

**8. BOARD COMMENTS**

THIS AGENDA ITEM ALLOWS BOARD MEMBERS THE OPPORTUNITY TO DISCUSS ITEMS OF GENERAL INTEREST, PROVIDE A REFERENCE OR OTHER RESOURCE TO STAFF, ASK FOR CLARIFICATION OR REQUEST STAFF TO REPORT TO THE BOARD ON A CERTAIN MATTER.

**9. ADJOURNMENT**

ADJOURN TO THE NEXT REGULARLY SCHEDULED MEETING ON MONDAY, SEPTEMBER 14, 2020 AT 5:00 PM.

**POSTED:**

08/07/2020

/s/ Vanessa Duncan

Administrative Assistant

*Notice Regarding Americans with Disabilities Act: In compliance with the Americans with Disabilities Act, if you need special assistance to participate in the meeting, please contact the Administrative Assistant's office at (707)464-2421. Notification 48 hours before the meeting will enable the District to make reasonable arrangements to ensure accessibility to this meeting [28 CFR 35.102-35.104 ADA Title II]*  
*For TTYDD use for speech and hearing impaired, please dial 711. A full agenda packet may be reviewed at Crescent City Fire & Rescue, 255 W Washington Blvd, during business hours, 8:30 a.m. 12:00 p.m., or on-line at [www.cfpd.crescentcity.org](http://www.cfpd.crescentcity.org)*

## **CRESCENT FIRE PROTECTION DISTRICT**

255 W. WASHINGTON BLVD. CRESCENT CITY, CA 95531  
office: 707- 464-2421

### **MINUTES OF THE CRESCENT FIRE PROTECTION DISTRICT BOARD OF DIRECTORS**

**SPECIAL MEETING HELD  
WEDNESDAY, JULY 29, 2020  
AT 5:00 P.M.**

**DIRECTORS PRESENT:**

Chairman Jim Nelson  
Vice Chairman Dave Short  
Director Jim Erler  
Director Rick Kelley

**ABSENT:**

Director Allen Winogradov

**OTHERS PRESENT:**

Vanessa Duncan, Clerk of the Board  
Bill Gillespie, Fire Chief  
Doug Dove, Bartle Wells Associates  
Abigail Seaman, Bartle Wells Associates  
Colette Metz, Planwest Partners, INC.  
Robin Gerrity, TBWBH  
Eric Wier, City Manager

**ROLL CALL:**

Chairman Nelson called the meeting to order at 5:07 PM. The Pledge of Allegiance was led by Vice Chair Short.

**PUBLIC PARTICIPATION**

*No public comment at this time.*

**APPROVE MINUTES OF THE REGULAR MEETING OF JUNE 2020.**

On a motion by Director Erler, seconded by Vice Chair Short, motion carried unanimously 4/0; the Board of Directors adopted the special meeting minutes of June 24, 2020.

## **APPROVAL OF WARRANT CLAIMS FOR PERIOD COVERING JUNE 2020.**

On a motion by Director Erler, seconded by Vice Chair Short, motion carried unanimously 4/0; the Board of Directors approved the warrant claims for period covering June 2020.

## **RESPONSES OCCURRED DURING JUNE 2020.**

Chief Gillespie notes there were 157 calls in the month of June. He's projecting that July will be a recording breaking month.

## **NEW BUSINESS**

### **4.1 REVIEW AND DISCUSS DRAFT ENGINEER'S REPORT PRESENTATION.**

Chief Gillespie explains that we will have a presentation from Abigail Seaman and Doug Dove from Bartle Wells Associates, the firm providing our Engineer's Report.

Abigail Seaman introduce herself and Doug Dove, the firm president. Abigail briefs the Board on the draft engineer's report and explains the cost to run our department can be recovered through a fire suppression assessment. Costs reflect only special benefits of fire services, including costs to maintain minimum requirements of fire services; specific EMS costs (trainings, volunteer services) are not included. She then goes over the Proposition 218 requirements which would be: a public hearing, a mailed ballot, and majority protest. For the public hearing, the owner of record of each parcel must be given written notice by mail of the proposed fee and include time, date, and location of public hearing on the fee. Property owners subject to the new assessment will be given the opportunity to vote on the new assessment during a mailed ballot proceeding. The agency shall not impose the fee if there is a majority protest -- ballots submitted in opposition exceed ballots submitted in favor of assessment.

Legal requirement aside, the finding and calculations overview: there are currently two property assessments that generate a revenue total of around \$256,000 (*two hundred fifty-six thousand dollars*) in fiscal year 19/20. All residential units are 1 EBU (Equivalent Benefit Unit). Commercial: under 1,000 sqft – 1EBU, over 1, sqft – 2 EBUs, Motel – 2 EBUs per room, Industrial and Bulk Hazards 6 EBUs. Abigail then goes on to explain the special benefit of Fire Suppression Services and what it would look like if parcels were placed into customer class categories by land use code using a weighted formula of: district data – number of parcels, district data – property value, national data – structure fires and property loss (National Fire Protection Association). With the latest parcel data, the difference of EBUs will go up by 223.

The proposed assessment would be a total of \$67.50 (*sixty-seven dollars and fifty cents*) bringing the yearly cost to \$91.50 (*ninety-one dollars and fifty cents*), which would include the \$24 (*twenty-four dollars*) benefit assessment that was already in place. Single family would pay \$91.50 (*ninety-one dollars and fifty cents*) yearly, multi-family/mobile home would pay \$78 (*seventy-eight dollars*)

commercial/industrial would pay an average of \$122.25 (*one hundred twenty-two dollars and twenty-five cents*), and vacant lots would pay an average of \$13.50 (*thirteen dollars and fifty cents*) yearly.

Abigail explains that if the District decides not to charge vacant parcels, the amount that would need to be passed would go up from \$67.50 (*sixty-seven dollars and fifty cents*) to \$72.80 (*seventy-two dollars and eighty cents*). She also provides an overview of low-income discounts.

If the Board is to move forward with the engineer's report, the timeline would happen as follows:

- Review assessments with County Assessor's office
- Prepare Proposition 218 Notice & Mailed Ballot
- August 10th Meeting: Review final study, authorize mailing
- Public hearing as soon as late September 2020
- Assessment would be effective FY 2021-22

Doug Dove finishes the presentation by further explaining the breakdown of costs and then proceeds by opening the floor for questions.

Director Kelley questions why the mobile home EBU would be less than a single-family home. Doug Dove responds by saying mobile homes are usually smaller than single-family homes and Abigail also responds by saying that the national data supports that statement.

Chairman Nelson questions how far the District will differentiate between a stick-built home and a mobile home when assessing. He notes that the District will need to justify why there is a difference in assessment fees between the two.

Chief Gillespie notes that if the District does decide to go with a low-income option, the District will need to pull that out of the budget to cover those costs.

Chairman Nelson states that with vacant land, the property owners might argue the fact that Cal-Fire will be the ones responding to any calls associated with their lot. Chairman Erler is against the idea of attaching a benefit assessment to vacant lot.

Chairman Nelson states that it will be hard for the District to go forward with a benefit assessment when the City and County are also going to be asking for a tax increase.

Chief Gillespie questions if the Board wants to move forward with doing a benefit assessment with vacant parcels or if we want to leave the vacant parcels out. Director Kelley questions if vacant parcels get a vote. Abigail answers by saying yes, they do get to vote, and their vote counts for .2% of a vote. Chairman Nelson thinks the District should not charge vacant lots.

Chief Gillespie questions again if the Board direction is to take off the vacant parcels from the benefit assessment. The Board is in agreeance that they would like to move forward with the \$72.80 (*seventy-two dollar and eighty cents*) benefit assessment and not charge vacant properties; they also agree that the District would not be able to offer a low-income discount.

Chief Gillespie notes that our regular Board Meeting on August 10th will be the meeting that the Board would approve to go forward with the Benefit Assessment should the Board desire, and ballots will be mailed out between August 21st – 28th.

Chief Gillespie explains that the County will have their ballot out at the tail end of the District's; there will be a week overlap with both ballots being out at the same time.

Chief Gillespie presents a question to the group, does the Board want to see this draft engineer's report back at a special meeting before our next regular scheduled meeting? Abigail reports that the firm plans on going back to the County to be able to finalize the amount each EBU would be charged. The Board agrees that if the numbers don't fluctuate, they will be ready to see the final report on August 10th, if there are fluctuations, the Board will hold a special meeting beforehand to look over any changes that might need to be made.

#### **4.2 REVIEW AND DISCUSS PLANWEST PARTNERS, INC. CONTRACT STATUS AND BUDGET ADJUSTMENT REQUEST.**

Chief Gillespie does an overview of the costs thus far and what's left to be done due to challenges and changes that have been presented during the reporting done by the Engineering firm and Planwest Partners.

Colette Metz, from Planwest Parterns explains why having public outreach is so important for the District. Robin Gerrity, with TBWBH explains what their company would be able to provide for the District in the way of public outreach. They would be able provide talking points, informational mailer, web and social media content, notice and ballot customization. Robin states that TBWBH has worked with other fire departments and goes on to show the Board a few media posts they have provided for those agencies. Chief Gillespie notes that Robin and her partner Joy have a high success rate and they are currently contracted by the City to work on public outreach for their tax measure. They have also entered into contract with an advocate group that has kicked off to help promote the benefit assessment, as well as the Firefighters Association.

Chairman Nelson questions who will be going through all the ballots to find out who votes and who doesn't vote. Chief Gillespie notes that it will be a mail-out ballot only, the voters won't be voting in person. Chairman Nelson wants to insure that mail out ballots will only be sent to property owners. Colette confirms that only property owners will be receiving a ballot. Abigail notes that around 5,250 parcels total will receive a ballot. Robin Gerrity states that there will be two informational

postcards that will be sent, one with the ballot and one following the August 10<sup>th</sup> meeting.

**4.3 CONSIDER AND ADOPT RESOLUTION 20-002 RESOLUTION OF THE BOARD OF DIRECTORS OF CRESCENT FIRE PROTECTION DISTRICT APPROVING THE ADDITIONAL EXPENSES IDENTIFIED IN THE CONTRACT BETWEEN CRESCENT FIRE PROTECTION DISTRICT AND PLANWEST PARTNERS, INC.**

After discussing the need to finish with the engineer's report and what TBWHB will be able to provide for the District, the District is in agreeance that it is best to move forward with the changes being suggested.

On a motion by Vice Chair Short, seconded by Director Eler, motion carried unanimously 4/0; the Board of Directors adopts resolution no. 20-002; resolution of the Board of Directors of Crescent Fire Protection District approving the additional expenses identified in the contract between Crescent Fire Protection District and Planwest Partners, INC.

**PASSED AND ADOPTED** by the Board Members of the  
**CRESCENT FIRE PROTECTION DISTRICT**

This 29th day of JULY 2020, by the following polled vote:

YES: 4

NOES: 0

ABSENT: 1

**OLD BUSINESS**

NO OLD BUSINESS AT THIS TIME.

**CHIEF'S REPORT**

**6.1 COOPER STATION**

Chief Gillespie states that there has been a break-in at Cooper Station recently. The woman that broke in was charged with theft of an emergency vehicle and several other charges and was then booked and released from the County Jail. She then proceeded to attempt to break-in a second time but wasn't successful. Chief Gillespie notes the steps the Department has taken to increase the security at the stations.

**6.2 HUMBOLDT AREA FOUNDATION GRANT**

Chief Gillespie explains that he put in for an EMS grant through Humboldt Area Foundation and it was awarded at around \$13,800 for EMS coats for the firefighters to protect them from bloodborne pathogens and COVID-19.

**6.3 COVID-19 UPDATE**

Chief Gillespie reports that the Fire Department crew has been staying healthy and the Department has been able to maintain an adequate amount of PPE. The Department has been taking steps to keep the public and

volunteers safe. He notes that at the next regular Board meeting we will have a zoom option for any participants that would like to attend but are unable to due to the limited number of people allowed in a facility at one time.

**BOARD COMMENTS**

NO BOARD COMMENTS AT THIS TIME.

**ADJOURNMENT**

The Crescent Fire Protection District Board of Directors adjourned the meeting at 7:06PM to the next regularly scheduled meeting August 10, at 5:00PM.

---

Vanessa Duncan, Clerk of the Board  
Crescent Fire Protection District

#### 4.1 STAFF REPORT – CONDUCT A PUBLIC HEARING ON THE 2020-2021 FISCAL YEAR BUDGET FOR CRESCENT FIRE PROTECTION DISTRICT

##### RECOMMENDATION

1. Receive staff report
2. Open the Public Hearing
3. Take public comment
4. Close Public Hearing
5. Board Discussion
6. Consider and adopt Resolution No. 20-003; RESOLUTION OF THE BOARD OF DIRECTORS OF THE CRESCENT FIRE PROTECTION DISTRICT ADOPTING THE 2020-2021 FINAL FISCAL BUDGET

##### BACKGROUND

Each year the Crescent Fire Protection District Board of Directors is tasked with adopting the operating budget for the fiscal year to provide fire protection and other emergency services. Final adoption has occurred historically in August.

You will find the proposed fiscal 2020-2021 District budget as attachment #1. This proposed budget is \$563,330.75 and represents both direct District expenditures as well as shared expenditures with the City of Crescent City for the funding of Crescent City Fire & Rescue.

A public hearing is required for the adoption of the 2020-2021 Fiscal Year Budget.

##### FISCAL IMPACT

Current anticipated revenues for the District in Fiscal 2020-2021 are estimated at \$622,299, and anticipated expenditures are \$563,330.75. It should be noted that the 2006 assessment sunsets in 2021, with an annual loss of revenues of \$110,000 thereafter.

5.1 STAFF REPORT – RECEIVE BENEFIT ASSESSMENT REPORT, CONSIDER AND ADOPT RESOLUTION NO. 20-004, AND WAIVE FULL READING, READ BY TITLE ONLY AND INTRODUCE ORDINANCE NO. 20-001; AN ORDINANCE OF THE CRESCENT FIRE PROTECTION DISTRICT LEVYING A FIRE SUPPRESSION ASSESSMENT, BEGINNING IN FISCAL YEAR 2021/22

### RECOMMENDATION

1. Receive staff report and presentation
2. Take public comment
3. Board Discussion
4. Consider and adopt RESOLUTION NO. 20-004; A RESOLUTION OF THE BOARD OF DIRECTORS OF THE CRESCENT FIRE PROTECTION DISTRICT INITIATING PROCEEDINGS, DECLARING INTENTION TO LEVY ASSESSMENTS, PRELIMINARILY APPROVING ENGINEER'S REPORT, AND PROVIDING FOR NOTICE OF HEARING AND THE MAILING OF ASSESSMENT BALLOTS
5. Review and Waive full reading, read by title only INTRODUCE ORDINANCE NO. 20-001; AN ORDINANCE OF THE CRESCENT FIRE PROTECTION DISTRICT LEVYING A FIRE SUPPRESSION ASSESSMENT, BEGINNING IN FISCAL YEAR 2021/22

### BACKGROUND

While investigating a funding process to address the sunset of the 2006 Benefit Assessment in 2021 and other fiscal shortfalls identified in the Fire Department 10-Year Financial Master Plan as adopted in 2019, the District contracted with Planwest Partners to provide consultant service to lead the District through an assessment process. Bartle Wells Associates was contracted by Planwest Partners to provide the state mandated engineers report required for an assessment to move forward.

Included within the report process was investigation into the revenue and expenditure needs of the District, past assessments, parcel information within the District, and recommendations of the type of funding measure as well as a recommendation of the equivalent benefit unit assignment to the parcel types.

In order for the Board to move forward with the assessment, a resolution and ordinance must be passed initiating proceedings, declaring the intention to levy assessments, preliminarily approving Engineers Report, and providing for notice of hearing and the mailing of assessment ballots.

In order for the assessment, if successful, to be levied, ordinance No. 20-001 of the Crescent Fire Protection District must be passed. Tonight, that ordinance will be introduced.

## FISCAL IMPACT

Loss of the existing 2006 benefit assessment represents an annual revenue loss to the District of \$110,000 annually. The loss of revenue without a replacement funding measure will significantly impact the District in its ability to deliver fire and emergency response, with a lowering of response services from current service levels experienced by our community. Further, as the District worked to continue to provide services, District reserves that could offset this revenue loss could be depleted as early as the end of 2023, resulting in a significant loss of service to the community.

## ENGINEER'S REPORT AFFIDAVIT FIRE SUPPRESSION ASSESSMENT

Crescent Fire Protection District  
Del Norte County, State of California

This Report describes the proposed Fire Suppression Assessment for Crescent Fire Protection District, including District parcels, expenses, and individual parcel assessments to be levied in Fiscal Year 2021/22. Reference is hereby made to Del Norte County maps for a description of the lines and dimensions of parcels within the Crescent Fire Protection District service area. Fire expenses include budget and financial planning documents provided by the District in partnership with Planwest Partners. Assessment benefit was allocated to each parcel according to the Del Norte County 2019-20 parcel listing and associated land use codes within the District boundaries. The undersigned respectfully submits the enclosed Report as commissioned by Crescent Fire Protection District

Dated this 7th day of August 2020.

Signed: **Bartle Wells Associates**

President / Assessment Engineer  
Douglas R. Dove, PE No. 45642

## Appendices

- Crescent City Fire & Rescue Service Area Map
- Fire Assessment Supplementary Tables

## Introduction and Background

Crescent Fire Protection District ("District") is a volunteer fire department that provides all-risk fire service to approximately 7,000 homes within the City of Crescent City ("City") and its surrounding unincorporated areas. The District is one of two governmental agencies that comprise Crescent City Fire & Rescue, an organization formed in 2015 between the District and the City to provide Fire and EMS services to the greater Crescent City area. Operational expenses are split between the District and City, with District revenues largely funded by property taxes and parcel-based assessments.

The District has retained Bartle Wells Associates following the District Board's adoption of the Crescent City Fire and Rescue 10-Year Financial Master Plan in November 2019, which identifies a long-term strategy for sustainable operation and management of the District, as well as fire and safety services that address growing community demand. The Master Plan states that a new funding measure will be needed to cover projected costs and ensure that the District remains fully operational.

The District desires to initiate proceedings for the formation of a new Fire Suppression Assessment pursuant to the provisions of Government Code 50078 et. seq. (the "Code") and California Constitution Article XIII D ("Proposition 218"). The Code provides for the levy and collection of assessments by the District to generate revenue to pay for fire services and equipment.

This Assessment Engineer's Report presents a benefit analysis for the imposition of an assessment to fund Fire expenses known as the 2021-22 Crescent Fire Protection District Fire Suppression Assessment.

This Report is to be filed with the District Clerk or Secretary of the Crescent Fire Protection District and must contain the following elements according to the Code:

- A description of each lot or parcel of property proposed to be subject to the assessment;
- The amount of the assessment for each lot or parcel for the initial fiscal year;
- The maximum amount of the assessment which may be levied for each lot or parcel during any fiscal year;
- The duration of the assessment;
- The basis of the assessment;
- The schedule of the assessment; and,
- A description of the protest and hearing requirements applicable to the assessment.

# 1 District Revenue Summary

The District relies on several revenue sources for the sustainable operation of Fire District activities, including Fire, EMS, disaster preparedness and emergency response services.

## ***Current Property Assessments***

The District relies on two assessments billed on the property tax roll. The first assessment, established in 1987 at a rate of \$24.00 per **Equivalent Benefit Unit (EBU)**, has no sunset clause or inflationary provision and generates approximately \$147,000 in revenue per year. The second assessment was established in 2006 to help fund equipment and apparatus replacement. The assessment is tied to a long-term equipment lease that sunsets in FY 2020-21. The 2006 assessment has a rate of \$18.00 per benefit unit with the same unit of benefit methodology as the prior assessment and generates approximately \$110,000 per year. In total, the District collected \$256,000 in revenues from property assessments in FY 2019-20.

The current assessments summarized in Table 1.

**Table 1 – Current Property Assessments**

| <b>Fire Assessment<br/>by Adoption Date</b> | <b>\$/EBU</b>  | <b>2019-20<br/>EBU's</b> | <b>2019-20 Revenue<br/>(Rounded)</b> |
|---|----------------|--------------------------|--------------------------------------|

| <b>Commercial</b>                      |   |          |
|  | Under 1,000 sqft  | 1        |
|  | Over 1,000 sqft   | 2        |
|  | Hoist   | 1        |
|  | Processor   | 2        |
|  | Boat Repair   | 2        |
|  | Gas Pumps   |          |
|  | Controlled  | 2        |
|  | Uncontrolled  | 6        |
|  | Bulk, Hazard  | 6        |
|  | Gear Shed/Steel Buildings/Pole                                    | 1        |
|  | Buildings   | 1        |
|  | Farm (per res.)   | 1        |
| <br>                                   |   |          |
| <b>Manufacturing/Industrial</b>        |   | <b>6</b> |
|  | Vacant/Light Use (<20 employees)                                  | 2        |
| <br>                                   |   |          |
| <b>Motel</b>                           | <b>per room</b>   | <b>2</b> |
| <br>                                   |   |          |
| <b>Exemptions</b>                      | Vacant land and land owned by any federal, state, or local agency |          |

EBU's for each parcel are assessed by Del Norte County as needed according to the above schedule of benefit units and best judgement of County assessors. Limited documentation of this process is available in the electronic parcel data provided by the County.

***Other Revenues***

The District also receives property taxes, rents, and interest income totaling \$330,279.

## 2 CFPD Parcel Information

As mentioned in Section 1, detailed documentation of customer class or benefit factor assignment was not available in the electronic parcel data provided by the County. BWA used land use codes to assign customers to six unique categories. This serves to condense and simplify the current benefit unit assignment system.

**Vacant parcels** – most parcels in this category are currently exempt from the fire assessment. Land use codes include vacant and undeveloped land for all customer classes (residential, commercial, industrial).

**Residential parcels** – These parcels are single family residential parcels

**Multi Family** – These parcels include mobile homes, manufactured homes, duplexes, and multiple-residence parcels

**Commercial** – These parcels include both commercial and industrial users

**Mixed use** – These parcels are any combination of the above parcel categories, including commercial with residential, residential with a mobile home, and multiple use

**Government** – These parcels are owned by the City and include vacant lots as lots with small buildings (such as infrastructure for a water pump station)

A summary of parcels by customer category is provided in Table 3. A detailed breakdown by land use code is provided in the Appendix Supplementary Tables.

**Table 3 – 2020-21 Parcel Data**

| <b>By Customer Category</b> | <b>Total Units</b> | <b>Exempt</b> | <b>Non-Exempt</b> | <b>2019 EBUs</b> |
|-----------------------------|--------------------|---------------|-------------------|------------------|
| Vacant                      | 1,631              | 1,552         | 79                | 82               |
| Residential                 | 3,269              | 67            | 3,202             | 3,284            |

| <b>Total</b>                | <b>6,881</b>       | <b>1,757</b>  | <b>5,124</b>      | <b>6,085</b>     |

## 3 2020-21 Expenditure Summary

### City/District Expenditures

#### 1. District Budget

The District's 2019-20 budget totals \$642,156 and includes operations and maintenance, professional services from the City of Crescent City, and payment on a long-term equipment lease that has recently been paid off. The loan payment has been removed from total expenditures for 2020-21.

#### 2. Crescent City Fire & Rescue 10-Year Financial Master Plan – "Additional Expenses"

The Crescent City Fire & Rescue 10-year Master Plan also identifies "Additional Expenses" to recover costs to maintain the operation of Crescent City Fire & Rescue and increase the level of service to meet community demand. CFR Additional Expenses are to be split between the District and the City. The District has a 54% allocation of these expenses, or \$355,300 in 2019-20.

#### 3. 2020-21 Cost Escalation

Costs were escalated 3% to account for inflation between the 2019-20 budget and 2020-21 assessment engineers report.

Total District expenditures are summarized in **Table 4**. A detailed cost allocation is provided in the Appendix Summary Tables.

**Table 4 – FY 2019-20 District Expense Summary**

| 2019-20 Existing District Budget                           | Expense<br>Total         |                       |                           | District Cost        |
|--|--------------------------|-----------------------|---------------------------|----------------------|
| Operations and Maintenance                                 | \$146,801                |                       |                           | \$146,801            |

| Training   | \$20,000                 | 50%                   | 50%                       | \$10,000             |
| <b>Total Financial Master Plan Additional Expenses</b>     | <b>\$662,715</b>         |                       |                           | <b>\$355,300</b>     |
| <b>Total 2019-20 Expenditures</b>                          | <b>\$1,304,871</b>       |                       |                           | <b>\$997,456</b>     |

**District Fire/EMS Expenditures**

BWA also separated Emergency Medical Service costs from the Fire Assessment Revenue Requirement. While the District is authorized to provide EMS in addition to its primary responsibility of fire prevention and suppression, it is not designed to fund typical non-fire/non-rescue medial calls and must provide a minimum level of service to meet their primary responsibility. Incremental costs associated with EMS have been removed from District expenditures, including training and volunteer personnel costs that serve this function.

A summary of Fire expenditures is provided on **Table 5**. A detailed cost allocation is provided in the Appendix Summary Tables.

**Table 5 – FY 2020-21 District Fire Expenses**

|  | \$ District<br>Total | % EMS     | % Fire       | \$ Fire           |
|--|----------------------|-----------|--------------|-------------------|
| 2019-20 Existing Budget                                  | \$642,156            | 0%        | 100%         | \$642,156         |
| 2019-20 Financial Plan - Additional Expenses             | <u>\$355,300</u>     | <u>8%</u> | <u>92%</u>   | <u>\$327,345</u>  |
| <b>Total 2019-20 Expenditures</b>                        | <b>\$997,456</b>     |           |              | <b>\$969,501</b>  |
| Less Long-Term Equipment Lease - Paid off                |                      | 0%        | 100%         | <u>(\$93,701)</u> |
| <b>Adjusted Total 2019-20 District Fire Expenditures</b> |                      |           |              | <b>\$875,800</b>  |
| <b>FY 2020-21 District Fire Expenditures</b>             |                      |           | <b>3.00%</b> | <b>\$902,073</b>  |

## 4 Fire Assessment Revenue Requirement

The Fire assessment revenue requirement is equal to the total 2020-21 District Fire expenditures (**Table 5**) less revenues from property taxes, rent and interest income, and any revenues from the 1987 assessment (**Table 1**). The resulting assessment revenue requirement is shown on **Table 6**.

**Table 6 – 2020-21 Assessment Revenue Requirement**

|   |                  |
|---|------------------|
| <b>Total 2020-21 Fire Expenditures</b>      | <b>\$902,073</b> |
| 2020-21 Other Revenues                      | (\$330,279)      |
| <b>Total Assessment Revenue Requirement</b> | <b>\$571,794</b> |
| Less 1987 Assessment Revenue                | (\$147,000)      |
| <b>2021 Assessment Revenue Requirement</b>  | <b>\$425,794</b> |

## 5 Proposition 218 Requirements

In November 1996, California voters approved Proposition 218, the "Right to Vote on Taxes Act", Articles XIII C and XIII D to the California Constitution. Proposition 218 imposes requirements for the levying of assessments by the District. Before a public agency can levy a new or increased assessment, the following requirements must be met:

- 1) The agency must prepare a detailed engineer's report by a registered engineer certified by the State of California or a rate study which calculates the proposed assessment for each parcel.
- 2) The record owner of each parcel must be given written notice by mail of the proposed assessment, the total amount chargeable to the entire service area, the amount chargeable to the owner's particular parcel, the duration of the payments, the reason for the assessment, and the basis upon which the amount of the proposed assessment was calculated. Notice to the record owner must include the time, date, and location of a public hearing on the assessment.
- 3) A public hearing to collect ballots must be conducted not less than 45 days after mailing the notice to landowners. Valid ballots returned to the Board Secretary of the District prior to the close of the public hearing on the matter of the assessment will be tabulated to determine if majority protest exists.
- 4) The agency shall not impose the assessment if there is a majority protest. A majority protest exists if, upon the conclusion of the public hearing, ballots submitted in opposition to the assessment exceed ballots submitted in favor of the assessment. In tabulating the ballots, the ballots will be weighted according to the proportional financial obligation of the affected property.

The proposed property-related assessment in this engineer's report was developed pursuant to Proposition 218, Article XIII D of the California Constitution.

## 6 Special Benefit Provided by the District

For new and increased assessments, Proposition 218 requires the separation of general benefit from special benefit, while only special benefit-related costs are assessable. It is important to note that the imposition of the Fire Suppression Assessment will not fully fund all Fire District related activities. It will partially fund fire services and equipment (as required by Government Code Section 50078 et seq.) that are property related and assist the District in meeting its public safety goals. Other revenue sources provide funds needed for general benefit Fire District operations and facilities, including emergency medical services and fire station construction. Therefore, this assessment will fund only those improvements that are a specific and direct benefit to the properties subject to the assessment. All other services and improvements provided by the Fire District are of a general benefit nature and are funded through other means outside of the scope of this Fire Suppression Assessment.

The District provides fire protection services throughout the boundaries of the entire District. Current funding levels will drop as the 2006 assessment sunsets in 2020-21. The District has noted that costs continue to rise, and a drop in revenue could negatively affect service levels. To this end, the specific benefits of the proposed Fire Suppression Assessment are a maintenance of, and possibly future increased protection of, structures and occupants from fires and resulting property loss and owner liability from injuries to occupants. The proposed assessment may also provide funding for future replacement of outdated fire equipment used by the District.

## 7 Benefit Assessment Analysis

Government Code Section 500078 et. seq. requires that a fire suppression assessment be based upon the type of use of property and the risk classification of the structures or other improvements on, or the use of, the property. The risk classification may include, but need not be limited to, the amount of water required for fire suppression on that property, the structure size, type of construction, structure use, and other factors relating to potential fire, panic hazards and the costs of providing the fire suppression by the District to that property.

For this analysis, we considered District call data, national property loss statistics, national structure fire statistics, land and building size for existing parcels, District resources required to respond to fire calls by land use type, and number of parcels per land use category. The criteria selected for this analysis are taken from national fire response data from the National Fire Protection Association (NFPA) and from Crescent Fire Protection District. We believe that the data collected from the NFPA may be used to allocate fire assessment costs to varying property types because they represent national averages and the data collection and estimation methodology were performed in a sound manner. These allocation factors are then applied to the District's parcels within each property category.

Some of the allocation factors are taken from the NFPA publication "Fire Loss in the United States During 2017". This publication, authored by Ben Evarts of the Fire Analysis and Research Division of the NFPA, presents national estimates of calendar year 2018 structure fires and property loss by property use. The estimates are based on data reported to the NFPA by Fire Districts that responded to the 2017 National Fire Experience Survey. We used the property classifications used in this NFPA document and referenced them to the land use descriptions of the District parcels as provided by the County. We assigned each eligible parcel in the District to a NFPA property class. **Section 2** and **Table 2** of this report summarize this property use typology for the District. Because certain NFPA property categories are similar in use and structure type, we combined these categories later in the report for ease of administration and analysis purposes.

Solely presenting the type and number of parcels is not a satisfactory basis to assign assessment rates in a special benefit analysis. Therefore, we have employed a modification of a framework presented by Dr. Lynn Harvey, a professor at Michigan State University, that allows the user a mechanism to quantify the dollar cost of buying and selling fire protection services to and from a local agency or agencies. This methodology uses a weighted formula pricing method that accounts for factors that have the potential to impact the demand for fire protection in each area. Dr. Harvey uses the factors of population, state equalized value and historical usage to give transparency to the allocated share of fire costs.<sup>1</sup>

We modified the factors of this framework to ensure that the model closely resembles the characteristics of the District. We replaced population with numbers of parcels and call data because the benefit finding must be related to property, not people use. We also substituted state equalized value with property loss figures taken from the NFPA fire loss document because of the property-related benefit principle.

---

<sup>1</sup> "Buying and Selling Fire Protection", Dr. Lynn R. Harvey, Michigan State University, August 1995.

## 8 Benefit Assessment Calculation

**Table 7** summarizes the weighted factors considered for the Fire Suppression Assessment according to the methodology presented in Section 7. Detailed calculations and source information are provided in the Appendix Supplementary Tables. A weighted factor of 50% parcel value \* 50% property loss per structure was used except in the case of Multi-Family properties, where these two data points did not fully reflect the benefit received by these groups. Multi Family benefit factors were adjusted to account for total parcels.

**Table 7 – Summary of Weighted Benefit Factors**

| Total Parcel Benefit Assessment | % Total<br>Parcels | CFPD Parcel<br>Value (50%) | Property Loss<br>(50%) * | Weighted<br>% Total | Weighted<br>Factor |
|---------------------------------|--------------------|----------------------------|--------------------------|---------------------|--------------------|
| Residential                     | 48%                | 45%                        | 32%                      | 0.386               | <b>1.0</b>         |
| Multi Family**                  | 18%                | 6%                         | 24%                      | 0.300               | <b>0.8</b>         |
| Commercial                      | 11%                | 44%                        | 40%                      | 0.421               | <b>1.1</b>         |

BWA proposes to assign Fire Suppression Assessment EBUs according to the weighted factors above as follows:

**Single Family** – All residential single-family homes will be equal to one EBU

**Multi-Family** – All multi-family, mobile home, manufactured homes, duplexes, and condos will be allocated 0.8 EBUs per unit.

**Commercial/Industrial** – Each building will be assigned 1.1 EBUs per equivalent single-family home, approximately 2,500 square foot, with a minimum of 1 EBU. Since limited parcel data is available, Commercial and Mixed Use parcels will default to the benefit units assigned per the 1987 assessment unless updated square foot information is available

**Government** - Improved Government land will be charged as Commercial/Industrial where a structure can be identified at the address of the parcel. BWA has identified 12 government-owned parcels that receive benefit from fire suppression services. The District will need to bill these parcels directly since they do not appear on the tax roll.

**Vacant/Undeveloped Land** – Due to billing constraints faced by the District and limited fire benefit attributable to these parcels, vacant and undeveloped land will remain exempt under the proposed fire suppression assessment. Any parcels in vacant land use categories that are charged the current fire assessment are assumed to be non-vacant.

A summary of parcels with revised 2021 EBUs is provided on Table 8. Existing EBU assignments will remain in place for purposes of calculating the 1987 assessment.

**Table 8 – Revised Equivalent Benefit Units**

| By Customer Category        | Total Units  | Existing<br>EBUs | 2020 EBUs      | Difference  |
|-----------------------------|--------------|------------------|----------------|-------------|
| Vacant                      | 1,631        | 31               | 31.0           | 0           |
| Residential (Single Family) | 3,269        | 3,284            | 3,284.0        | 0           |
| Multi Family                | 1,206        | 2,126            | 1,700.8        | (425)       |
| Commercial/Industrial       | 247          | 565              | 749.0          | 184         |
| Mixed Use                   | 521          | 79               | 79.0           | 0           |
| Government                  | 19           | 0                | 17.6           | 18          |
| <b>Total</b>                | <b>6,893</b> | <b>6,085.0</b>   | <b>5,861.4</b> | <b>-224</b> |

The proposed assessment calculated using the 2021 Assessment Revenue Requirement (Table 6) divided by the 2020-21 assigned Equivalent Benefit Units (Table 8) is provided in Table 9.

**Table 9 – 2020-21 Assessment Calculation**

|  |                  |
|--|------------------|
| <b>2021 Assessment Revenue Requirement</b>             | <b>\$425,794</b> |
| # 2021 EBUs  | 5,861            |
| <b>Proposed 2020-21 Assessment (\$/EBU) - Rounded</b>  | <b>\$72.60</b>   |
| Total Bill Impact including 1987 Assessment - \$24/EBU | \$96.60          |

## 9 2021-22 Proposed Fire Suppression Assessment

Since the proposed assessment will not be effective until fiscal year 2021-22, BWA has included a 2% inflation adjustment to the assessment calculation to account for increased operations and equipment costs in the next fiscal year. The proposed assessment was rounded down to the nearest whole dollar value at the District's request.

**Table 10 – 2021-22 Proposed Fire Suppression Assessment**

|  |                |
|--|----------------|
| <b>Proposed 2020-21 Assessment (\$/EBU)</b>            | <b>\$72.60</b> |
| 2021-22 Inflation Factor                               | 2%             |
| <b>Proposed 2021-22 Assessment (\$/EBU) - Rounded</b>  | <b>\$74.00</b> |
| Total Bill Impact including 1987 Assessment - \$24/EBU | \$98.00        |

## 10 Proposed Assessment Summary

The proposed 2021-22 Fire Suppression Assessment and EBU assignment schedule are summarized on Table 6.

**Table 11 – Proposed Assessment Summary**

| <b>Proposed 2021-22 Fire Suppression Assessment (\$/EBU)</b> | <b>\$74.00</b>             |
|--|----------------------------|
| Residential  |                            |
| Single Family  | 1 per unit \$74.00         |
| Multi-Family / Mobile Home                                   | 0.8 per unit \$59.20       |
| Commercial/Industrial  | 1.1 per 2,500 sqft \$81.40 |
| <i>Minimum 1 benefit unit</i>                                |                            |

## 11 Additional Information & Conclusion

### ***Maximum Assessment***

The proposed assessment represents the maximum assessment that the District may assess for the fiscal year 2021-22. If the District's revenue requirements decrease, additional parcels are identified within the District, or additional benefit units are identified within existing parcels, the District may impose a lower assessment.

### ***Inflation Adjustment Formula***

This report recommends that the District consider an inflation adjustment factor of two percent (2%) to be applied to the maximum assessment amounts. This factor could be applied annually to account for normal cost of living increases in providing fire services. This factor is the maximum that the assessment could be raised in a fiscal year. The District can adopt a lower adjustment factor or forgo the adjustment at the Board's discretion.

### ***Duration of Assessments***

The assessment may be levied annually by the District Board for an indefinite term.

### ***Voting Procedure***

For the Fiscal Year 2021-22, property owners subject to the new assessment will be given the opportunity to vote on the new assessment during a mailed ballot proceeding. Valid ballots returned to the Board Secretary of the District prior to the close of the public hearing on the matter of the assessment will be tabulated to determine if majority protest exists. A majority protest exists if, upon the conclusion of the public hearing, ballots submitted in opposition to the assessment exceed ballots submitted in favor of the assessment. In tabulating the ballots, the ballots will be weighted according to the proportional financial obligation of the affected property. If majority protest exists, the assessment will not be imposed. If there is no majority protest, the maximum assessment may be imposed beginning in Fiscal Year 2021-22.

### ***Public Property***

Improved parcels that are owned or used by any local public agency or the State of California that are deemed to benefit from fire services will be assessed on the same basis as privately-owned parcels with the same land use description.

### ***Bulk/Hazard Assessment***

The District recognizes that there may be parcels which present a special fire hazard and has defined these Extra Hazard parcels in Ordinance 87-016A as follows:

**Extra Hazard:** Shall mean a parcel of real property, excluding vacant land, which would present an extreme or unusual fire hazard, due to its size, construction or occupancy (such as a lumber mill or flammable liquids storage, manufacturing, or industrial complex)

Any parcel which presents an extraordinary hazard to the District will be independently evaluated by the District and assigned Equivalent Benefit Units that reflect this special benefit.

### ***Appeals Process for Assessment***

The District will provide guidelines for an appeals process for any property owner subject to the assessment. The guidelines for appeal will be filed with the District Board Secretary under separate cover.

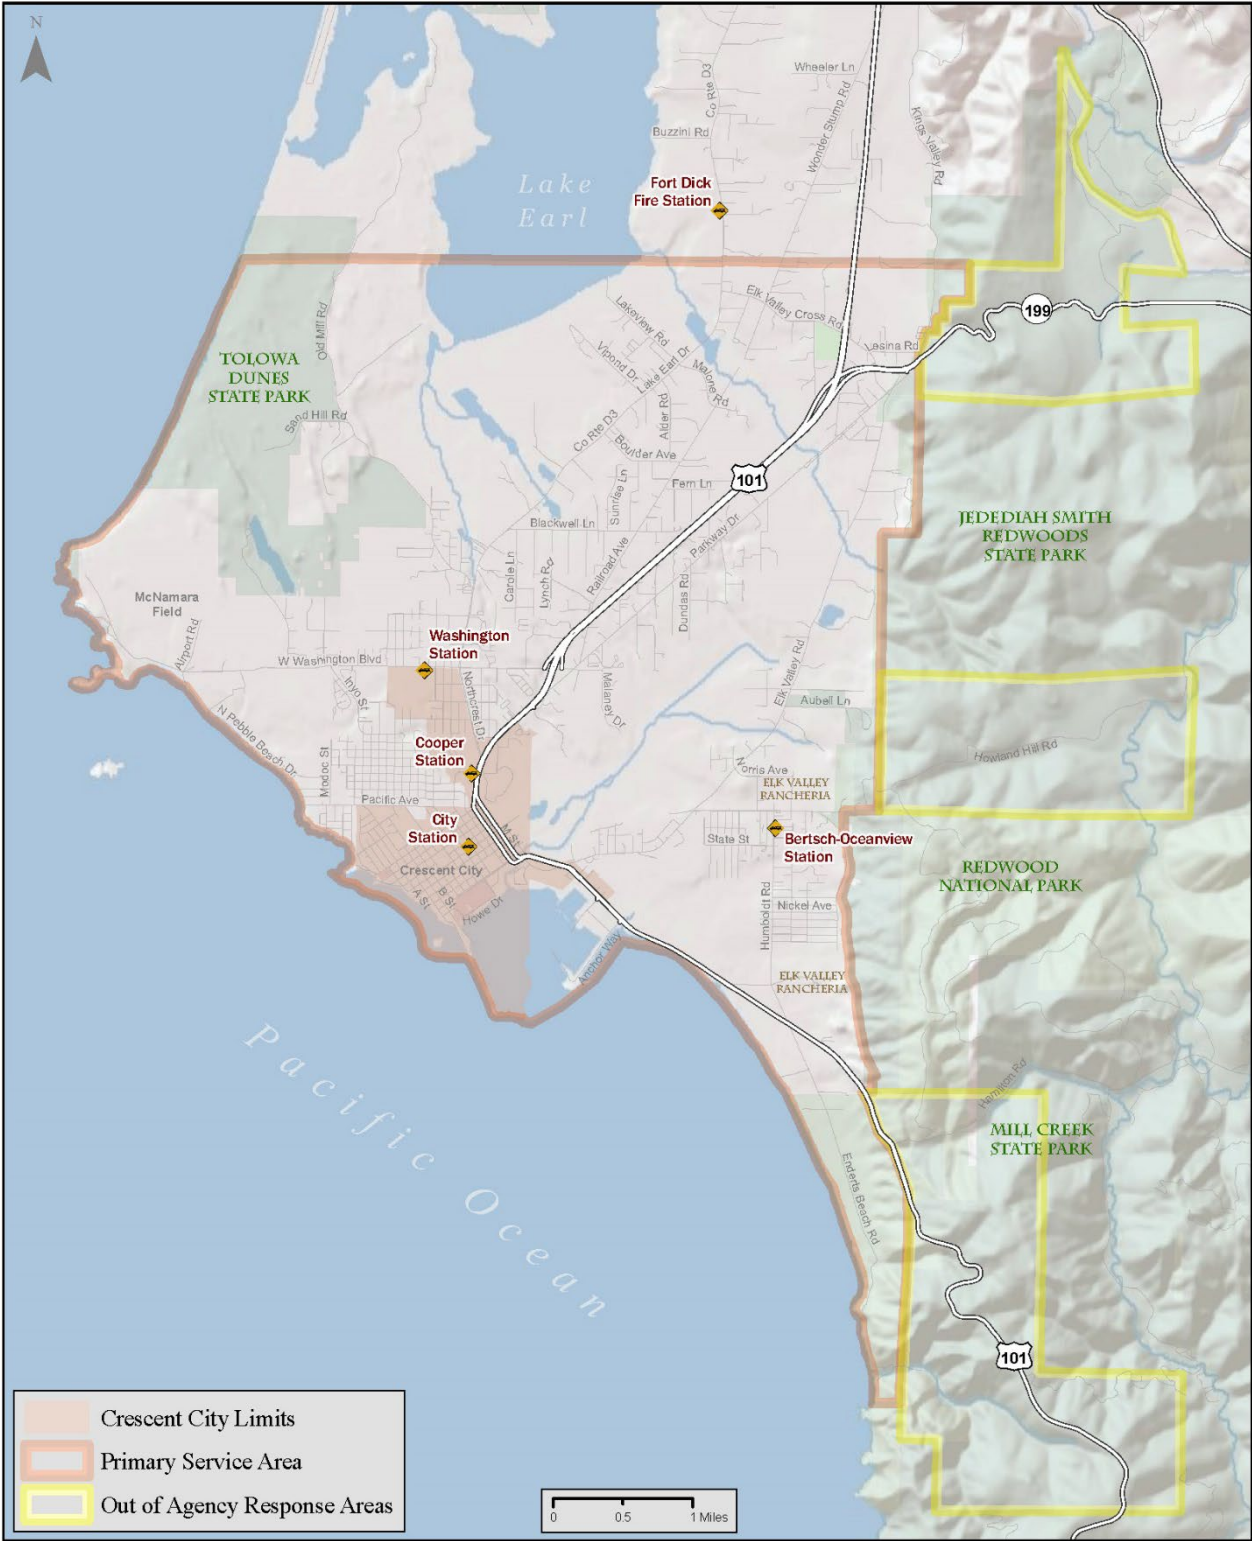

## **12 Parcel Charge Master List**

Because of the large number of parcels subject to the 2021-22 Fire Suppression Assessment, the property tax roll that identifies all parcels by Assessor's Parcel Number will be filed with the District Board Secretary and County Assessor's Office under separate cover by the Intent Meeting date. The assessment roll will not be a final document until the District Board has passed resolutions approving the assessment assuming a lack of majority property owner protest on the matter of the assessment.

## **CRESCENT FIRE PROTECTION DISTRICT**

255 W. WASHINGTON BLVD. CRESCENT CITY, CA 95531

office: 707-464-2421

### **RESOLUTION NO. 20-004**

#### **A RESOLUTION OF THE BOARD OF DIRECTORS OF THE CRESCENT FIRE PROTECTION DISTRICT INITIATING PROCEEDINGS, DECLARING INTENTION TO LEVY ASSESSMENTS, APPROVE ENGINEER'S REPORT, AND PROVIDE FOR NOTICE OF HEARING AND THE MAILING OF ASSESSMENT BALLOTS**

**WHEREAS**, Crescent Fire Protection District ("District") was formed in 1949 to serve the growing fire and emergency response service needs of the unincorporated area surrounding the City of Crescent City ("City"); and

**WHEREAS**, since 2004, the District and City have partnered to share resources, provide coverage in both jurisdictions, and otherwise work jointly as one department known as "Crescent City Fire and Rescue"; and

**WHEREAS**, in the past five years, calls for emergency services and response has risen nearly 25% from an average of 1,500 calls to over 2,000 today; and

**WHEREAS**, both agencies are committed to preserving the department's history and tradition of volunteerism and service to the community; and

**WHEREAS**, both agencies strongly prioritize maintaining local fire and emergency response services and evaluating all ways in which economies of scale and shared resources can fiscally and operationally benefit the community; and

**WHEREAS**, the District and City are facing a growing need for additional resources and funding to keep pace with the rising costs of providing fire protection and emergency response services; and

**WHEREAS**, the District first established a benefit assessment to finance fire suppression services in 1987 (Ordinance No. 87-016A) at a rate of \$24 per single-family equivalent benefit unit with no sunset clause or inflationary provision, generating approximately \$147,000 in FY 2019-20; and

**WHEREAS**, the District established a supplementary benefit assessment in 2006 to help fund apparatus replacement for a period not to exceed 15 years and at a rate of \$18 per single-family equivalent benefit unit generating approximately \$110,000 in FY 2019-20; and

**WHEREAS**, the District has been a good steward of public funds, making the best use of limited resources to provide essential supplies, personal protective equipment, apparatus and equipment maintenance, insurance, and training to support the volunteer firefighters who donate a great deal of their personal time to the department throughout the year; and

**WHEREAS**, in recognition of the District's 2006 assessment for apparatus replacement sunseting in 2021 and in recognition that there has not been an assessment increase to the overall operation of the District since the 1987 assessment, a new funding measure will be needed to replace this loss of funding as well as cover increasing costs to ensure that the District's services and all its equipment remain fully operational; and

**WHEREAS**, in absense of additional funding in the form of a new benefit assessment, it is estimated that the District would exhaust its limited reserve funds within a 2-3 year period of maintainance at the current level of service that residents have come to expect; and

**WHEREAS**, to ensure a sustainable future, a financial master plan was prepared in 2019 to identify Crescent City Fire and Rescue's current and projected service needs and to identify the costs associated with delivering these services over a 10-year period; and

**WHEREAS**, the financial master plan identified priority actions and funding needed to support volunteer staffing programs, apparatus and equipment replacement, training, and increased administrative capacity with the goal of aligning its core programs and services with the needs of the community so as not to over-serve, and most importantly, not under-serve those needs; and

**WHEREAS**, the District has determined that it is in the best interest of the community to continue providing fire protection and emergency response services at the levels currently provided, that the cost to maintain such adequate levels of service is beyond the reach of the District absent additional funding, and that a new benefit assessment is therefore necessary for public protection and public safety; and

**WHEREAS**, the District desires to initiate proceedings for the levy of a fire suppression benefit assessment pursuant to Government Code sections 50078—50078.20 and Cal. Const. Art. XIID to provide continued fire protection and fire suppression services at current levels for all the properties within the boundaries of the District; and

**WHEREAS**, Proposition 218 was adopted on November 6, 1996, adding Articles XIIC and XIID to the California Constitution; and

**WHEREAS**, Article XIIIID of the California Constitution and implementing statutes impose certain procedural and substantive requirements relating to assessments (as defined); and

**WHEREAS**, an assessment engineer's report has been prepared by Bartle Wells Associates and submitted to the Crescent Fire Protection District Board, in which a new assessment is proposed to fund the cost of providing continued fire suppression services and improvements within the District boundaries("Engineer's Report"); and

**WHEREAS**, this proposed assessment shall be described as the "2021-22 Crescent Fire Protection District Fire Suppression Benefit Assessment" to include all properties within the existing boundaries of the Crescent Fire Protection District ("Benefit Assessment District"); and

**NOW, THEREFORE, BE IT RESOLVED**, by the Board of Directors of the Crescent Fire Protection District as follows:

1. The Engineer's Report has been considered by the Board of Directors, is hereby deemed sufficient and approved, and is filed with the Board Clerk. The Engineer's Report and other written material about the assessment may be reviewed at the Washington Station, 255 West Washington Boulevard, Crescent City, CA 95531. The Engineer's Report is incorporated herein by reference.
2. The Fire Chief, Bill Gillespie, (707) 464-2421, is hereby designated as the person members of the public may contact for additional information about the proposed assessment.
3. Reference is hereby made to the Engineer's Report for a full and detailed description of the services to be funded by the assessment, the boundaries of the Benefit Assessment District, and the proposed individual assessments to be made upon assessable lots and parcels of land within the Benefit Assessment District.
4. It is the intention of this Board, after notice and hearing, to levy and collect assessments within the Benefit Assessment District. The estimated fiscal year 2021-22 assessment revenue requirement is \$433,746. This cost results in a proposed assessment rate of \$74.00 per single-family equivalent benefit unit for fiscal year 2021-22. This new assessment would replace the 2006 assessment and would be in addition to the 1987 assessment for a total single-family equivalent benefit unit of \$98.00 annually.
5. A public hearing on the proposed assessment shall be held before the Board of Directors at the Washington Station, 255 West Washington Boulevard, Crescent City, CA 95531 on Monday, October 12, 2020, 5:00 p.m., or thereafter, for the purpose of considering all objections or protest to the proposed assessment.

6. The Board Clerk is hereby authorized and directed to cause Notice of the hearing to be given in accordance with law by mailing, postage prepaid, in the United States mail, and such Notice shall be deemed to have been given when so deposited in the mail. The envelope or cover of the mailing shall include the name of Crescent Fire Protection District, and the face of the envelope shall state "OFFICIAL BALLOT ENCLOSED" in bold type no smaller than 16-point. The Notice shall be mailed to each record owner of developed property located within the Benefit Assessment District as identified by the names and addresses appearing on the last equalized secured property tax assessment roll of the County of Del Norte, or in the case of any public entity, the representative of such public entity at the address thereof known to the Board Clerk. The Notice shall include or contain, but not be limited to, the following:

- The total amount of assessment proposed to be levied in the Benefit Assessment District for fiscal year 2021-22;
- The assessment proposed for the owner's particular parcel(s);
- The duration of the payments;
- The reason for the assessment and the basis upon which the amount of the proposed assessment was calculated;
- An assessment ballot;
- A summary of the procedures applicable to the completion, return and tabulation of assessment ballots;
- The date, time, and location of the public hearing; and
- A statement that the assessment shall not be imposed if the ballots submitted in opposition to the assessment exceed the ballots submitted in favor if the assessments, with ballots weighted according to the proportional financial obligation of the affected property;
- The name and telephone number of the Fire Chief to answer inquiries regarding the protest proceedings.

The Notice herein provided shall be mailed not less than forty-five (45) days before the date of the public hearing.

7. The question to be placed before the property owners shall read as follows:

"To support and maintain local fire protection and emergency response services, including additional firefighter positions, enhanced volunteer firefighter programs, updated firefighting and emergency response equipment, vehicle replacement funding, and ongoing firefighting and emergency response training; shall the Crescent Fire Protection District impose an annual per parcel assessment of \$74.00 per single-family equivalent benefit unit, unless removed by ballot measure, expected to raise

\$433,746 dollars per year to be spent with independent citizen oversight on providing local services?

8. At the conclusion of the public hearing, assessment ballots submitted and not withdrawn will be tabulated. The assessment will not be imposed if, upon the conclusion of the public hearing, ballots weighted according to the financial obligation of the affected parcel that are submitted in opposition to the assessment exceed the weighted ballots submitted in favor of the assessment.
9. If a majority of weighted ballots returned are in support, Ordinance No. 20-001, attached hereto as Exhibit "A" and incorporated herein, shall be adopted and the assessment may be levied beginning in fiscal year 2021-22, in accordance with said Ordinance.

**PASSED, APPROVED AND ADOPTED** this 10th day of August, 2020.

Exhibit A – Ordinance No. 20-001

## **CRESCENT FIRE PROTECTION DISTRICT**

255 W. WASHINGTON BLVD. CRESCENT CITY, CA 95531  
office: 707- 464-2421

### **ORDINANCE NO. 20-001**

#### **AN ORDINANCE OF THE CRESCENT FIRE PROTECTION DISTRICT LEVYING A FIRE SUPPRESSION ASSESSMENT, BEGINNING IN FISCAL YEAR 2021/22**

The Board of Directors of the Crescent Fire Protection District hereby ordains as follows:

#### **SECTION 1. PURPOSE**

Pursuant to direction from the Board, Bartle Wells Associates (the "Engineer of Work") prepared an Assessment Engineer's Report (the "Engineer's Report") pursuant to Title 5, Division 1, Part 1, Chapter 1, Article 3.6 of the California Government Code, "Fire Suppression Assessments", beginning with Section 50078 and Article XIIIID of the California Constitution ("Proposition 218"). The Engineer's Report presents a benefit analysis for the imposition of an assessment to fund fire expenses. The Engineer's Report has been made, filed with the District Clerk, and approved by the Board.

On August 10, 2020, the Board duly adopted Resolution No. 20-004, A Resolution of the Board of Directors of the Crescent Fire Protection District Initiating Proceedings, Declaring Intention to Levy Assessments, Approve Engineer's Report, and Provide for Notice of Hearing and the Mailing of Assessment Ballots. After hearing held October 12, 2020, the Board concluded that ballots weighted according to the financial obligation of the affected parcel submitted in favor of the assessment were equal to or exceeded the weighted ballots submitted in opposition to the assessment. It is now the intent of the Board to levy and collect an annual assessment for fire suppression services which shall be called the "2021-22 Crescent Fire Protection District Fire Suppression Benefit Assessment" (hereinafter the "Benefit Assessment") to include all properties within the existing boundaries of the Crescent Fire Protection District (hereinafter the "Benefit Assessment District").

#### **SECTION 2. DESCRIPTION OF THE SERVICES**

Within the Benefit Assessment District, the proposed fire services and equipment to be funded by the assessments ("Services") are generally described as including, but not limited to the following: obtaining, furnishing, operating, and maintaining fire suppression, protection and emergency fire-suppression-related services equipment and

apparatus; paying salaries, benefits and other compensation for firefighting and fire suppression personnel; training and administration of personnel performing said fire suppression, protection and emergency fire-suppression-related services; community fire prevention education and fire inspection.

### **SECTION 3. REFERENCE TO ENGINEER'S REPORT**

Reference is hereby made to the Engineer's Report for a full and detailed description of the Benefit Assessment, including District parcels, expenses, and individual parcel assessments to be assessed beginning in Fiscal Year 2021-22. Reference is hereby made to the official Parcel Maps of the County of Del Norte for a description of the lines and dimensions of parcels within the Benefit Assessment District. Fire expenses include budget and financial planning documents provided by the District. An assessment benefit was allocated to each parcel according to the Del Norte County Assessor's 2019-20 Assessor Parcel listings and associated land use codes within the Benefit Assessment District.

### **SECTION 4. REPORT OF THE ASSESSMENT ENGINEER OF WORK**

The Engineer's Report is available for public review at the Washington Station, 255 West Washington Boulevard, Crescent City, CA 95531, and is hereby incorporated by reference. The Engineer's Report includes:

- A. A description of each lot or parcel of property proposed to be subject to the assessment;
- B. The amount of the assessment for each lot or parcel for the initial fiscal year;
- C. The maximum amount of the assessment which may be levied for each lot or parcel during any fiscal year;
- D. The duration of the assessment;
- E. The basis of the assessment;
- F. The schedule of the assessment; and,
- G. A description of the protest and hearing requirements applicable to the assessment.

### **SECTION 5. ASSESSMENT RATE**

The Board hereby levies an annual assessment within the Benefit Assessment District. The estimated fiscal year 2021-22 cost of providing the Services is \$433,746. This cost results in an assessment rate of \$74.00 per single-family equivalent benefit unit (EBU) for fiscal year 2021-22. Fire EBUs are assigned to each parcel as follows:

- Single Family – All residential single-family homes are equal to 1.0 EBU
- Multi-Family – All multi-family, mobile home, manufactured homes, duplexes, and condos are allocated 0.8 EBUs per unit.
- Commercial/Industrial – Each building are assigned 1.1 EBUs per equivalent single-family home, approximately 2,500 square foot.
- Government/Institutional - Improved Government land is subject to the assessment levy on the same basis as privately owned parcels with the same land use description.
- Vacant/Undeveloped Land – Vacant and undeveloped land is not subject to the assessment levy and is otherwise exempt from this assessment.
- Bulk/Hazard – Any parcel which presents an extraordinary hazard to the District will be independently evaluated by the District Fire Chief and assigned an EBU that reflects the actual benefit received by the individual parcel.

## **SECTION 6. ANNUAL ASSESSMENTS**

The assessments will be levied annually for an indefinite term. In each subsequent year, the District Board may choose to adopt an inflation adjustment factor by an amount equal to the annual change in the Consumer Price Index for All Urban Consumers in the West Region, not to exceed 2% (two percent) per year without a further vote or balloting process. This factor may be applied annually to account for normal cost of living increases in providing fire services. This factor is the maximum that the assessment could be raised in a fiscal year. The District Board can adopt a lower adjustment factor or forgo the adjustment at the Board's discretion. The records of the County Assessor shall be used to determine the number and type of improved properties for the purpose of the assessment pursuant to this Ordinance.

## **SECTION 7. OVERSIGHT COMMITTEE**

A seven-member oversight committee will be created to meet annually to review and publicly report on the expenditure of revenues generated by the tax imposed by this Ordinance. The committee will include the Fire Chief or designee, a representative from the Volunteer Fire Association or designee, and five residents of the District. Resident members of the committee will be appointed to two-year terms by the Board Chair and confirmed by the District Board. The Fire Chief and Volunteer Fire Association Representative will serve as non-voting members of the committee.

## **SECTION 8. INDEPENDENT ANNUAL AUDIT**

The proceeds of the assessment imposed by this Ordinance, as well as the expenditures thereof, will be audited annually by an independent accounting firm.

## **SECTION 9. METHOD OF COLLECTION**

The assessment shall be collected in the same manner and subject to the same penalty as, or with, other taxes fixed and collected by Del Norte County on behalf of the Crescent Fire Protection District. The County of Del Norte may deduct reasonable expenses incurred for such service before remitting the balance to the District.

## **SECTION 10. CARRYOVER OF REMAINING FUNDS**

Any unexpended funds raised by the assessment, remaining at the end of any fiscal year shall be carried over for use by the Crescent Fire Protection District to the next succeeding year to fund fire suppression services within the Benefit Assessment District.

## **SECTION 11. APPEALS PROCESS FOR ASSESSMENT**

Any property owner may appeal any determination by the Fire Chief concerning the nature of the use of the property or the calculation of the amount of the assessment by filing a written appeal with the District. Any such appeal shall be filed by December 1st of the calendar year for which the tax is levied. The appeal shall contain a statement by the property owner as to the nature and basis for the appeal in accordance with the District's appeal procedure. The District will provide guidelines for an appeals process for any property owner subject to the assessment. The guidelines for appeal shall be adopted by the Board by resolution and will be filed with the District Board Clerk.

## **SECTION 12. CORRECTIONS, CANCELLATIONS AND REFUND**

The Board of Directors may order the assessment levied herein on any particular improved property to be corrected, cancelled or refunded consistent with and in order to effectuate the provisions of this Ordinance.

## **SECTION 13. SEVERABILITY**

If any provision of this Ordinance or the application thereof to any person or circumstance is held invalid by a court of competent jurisdiction, then the remainder of the Ordinance and the application of such provision to other persons or circumstances will not be affected thereby.

## **SECTION 14. CERTIFICATION**

The District Clerk shall certify to the passage and adoption of this Ordinance and shall cause a copy of the full text of the Ordinance to be posted.

**INTRODUCED** at a regular meeting of the Board of Directors of the Crescent Fire Protection District held on the 10<sup>th</sup> day of August, 2020 by the following polled vote:
