The following citizen addressed the Board:

Linda Sutter: asked for clarification on the District's expenditures exceeding its revenue; staff explained the excess expenditures will come out of the District's fund balance.

Director Kelley inquired about the line item allocated for the Fire Explorers Program. Staff explained that this is now a combined expenditure paid by the City, with the District reimbursing the City for half of the amount.

Chairman Nelson inquired about the status of the fire apparatus for the District. Chief Carey responded that, although \$40,000 is allocated in the budget for a new water tender, it has been difficult to find one that does not require major repairs or is not significantly aged, given the limited budget. He also noted that the District may need to utilize reserve funding to purchase fire apparatus that is in good working condition.

UPDATE ON CURRENT MATTERS AND THOSE IN PROGRESS

6.1 RESPONSES OCCURRED BETWEEN: 07/01/24 –07/31/24

Chief Carey reported on the incidents that occurred on the 4th of July, including a multi-injury at the beach, highlighting the efficiency and diligence of the responders. He also noted the numerous motorhome fires that took place during July.

Director Erler raised concerns about the number of illegal burns noted in the incident summary report and inquired about the criteria for classifying a burn as illegal. Chief Carey explained that illegal burns include but are not limited to unattended log fires on the beach, burning trash, and any burning that occurs during a burn ban.
