Germaine,

Go ahead and submit the application. We might decide after we look at it that we should have a meeting after all.

Or if you prefer, you could send us a PDF that I could circulate to the reviewers to determine if there should be a pre-application meeting.

Hi Anne,

Can you please confirm that a pre-application meeting is not needed (at this time) in order for us to submit the Land Use Application for the proposed AT&T 100 ft, bell tower WCF?

Thank You!
