A RESOLUTION ESTABLISHING THE TIME OF THE COUNCIL MEETINGS, SETTING ITS MEETING AGENDA, AND ESTABLISHING RULES FOR CONDUCTING COUNCIL AND COMMITTEE MEETINGS; AND FOR OTHER PURPOSES

WHEREAS, Ark. Code Ann. §14-43-501 requires the City Council of the City of Benton, Arkansas, to organize annually and establish the rules of its proceedings; and

WHEREAS, in accordance with this statutory requirement, the City Council does hereby adopt the following rules for its proceedings for the coming year.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BENTON, ARKANSAS:

SECTION 1. The City Council shall meet in regular session at 6:00 pm, or immediately following the Agenda Meeting, whichever is earlier, on the fourth Monday of each month, unless by a 2/3rds (7 of the 10-member council) vote, the council votes to reschedule the meeting at least 20 days prior to the normally scheduled monthly meetings. In the month of December, the council meeting may be held on a date determined by the Mayor. Should the Mayor determine that there is insufficient business for the City Council, he may cancel the meeting on the Friday before the regularly scheduled date.

SECTION 2. In accordance with Ark. Code Ann. §14-43-502(b)(2), special council meetings may be called by the Mayor or any three members of the City Council. Notice must be given at least 48 hours prior to the special meeting. Emergency meetings may be called on shorter notice, provided however that at least the two (2) hour notice required by the Arkansas Freedom of Information Act is given to the representatives of the news media in accordance with Ark. Code Ann. §25-19-106(b)(2).

SECTION 3. An agenda meeting shall be held at a time designated by the Mayor prior to the regularly scheduled council meeting to review those items on the agenda and to hear any informal reports from the Mayor, City Attorney, or a Council Member. Discussion of the agenda items will be limited to the Council Members, Mayor, City Attorney, any employee of the City, and any individual who has scheduled business before the council that day. Public comments concerning items on the agenda shall occur during the regularly called meeting and during any

specially called meeting. Public comment is also welcome at any committee meeting of the City Council on the matters before it.

SECTION 4. The agenda for any business to be considered at any regularly scheduled council meeting shall be prepared by the Mayor and available to all members of the Council and to any citizen on or about 12:00 noon on Friday prior to the any regularly scheduled council meeting or when it is otherwise complete by posting it on the City's website. The agenda may include any item sponsored by the Mayor or any member of the City Council, City Commission, or any member of the general public provided that such item or items have been submitted to the Mayor or the Mayor's executive assistant no later than 12:00 pm on the Tuesday before said regularly scheduled meeting. No item, whether new or old business, may be added to the agenda unless at the agenda meeting that precedes the regularly scheduled meeting, the council suspends the rule by at least a 2/3 vote of all members of the whole council to add any item or items to its agenda. Any item, whether new or old business, may also be added to the agenda by the Mayor at or before the agenda meeting. A report of any item added to the agenda during the agenda meeting shall be made during the council meeting.

SECTION 5. All ordinances and resolutions shall first be considered and approved by the appropriate committee of the City Council before being placed on the council meeting agenda unless the council waives this requirement by at least a 2/3 vote of the whole council in the agenda meeting. Any item may also be placed on the council agenda if it is sponsored by the Mayor without the approval of a committee.

SECTION 6. The Mayor shall be ex-officio president of the council and shall preside at its meetings including the agenda meeting. In the absence of the Mayor, the council shall elect a president pro-tempore to preside at that meeting. All proceedings of the council shall be governed by the Procedural Rules for Municipal Officials. The order of business for all regularly scheduled meetings shall be as follows:

- 1. Call to Order
- 2. Invocation
- 3. Pledge of Allegiance
- 4. Roll Call
- 5. Approval of previous meeting Minutes (and special meeting minutes)
- 6. Special presentations or proclamations
- 7. Approval of the financial report from the previous month (when applicable)

- 8. Reports of all standing committees by the committee chair, to include any ordinances or resolutions pertinent to the committee.
- 9. Public Comments
- 10. Unfinished Business
- 11. Announcements
- 12. Adjournment

SECTION 7. All ordinances of a general or permanent nature shall be read fully and distinctly one (1) time. By passage of this resolution and as authorized by Ark. Code Ann. §14-55-202, the rules are hereby suspended for the second and third readings on all ordinances considered this year and the one (1) reading shall constitute all three readings. Voting on the ordinance may occur after the first full reading. However, should any Council Member or the Mayor request during the meeting that an ordinance be read fully on the second and third readings, the rules shall be deemed to not be suspended and the ordinance shall be read fully and distinctly on the second and third readings commencing at the next City Council meeting unless the City Council votes to suspend the rules in accordance with Ark. Code Ann. §14-55-202. The City Council may also waive the one (1) full reading requirement should two-thirds (2/3's) of the City Council vote to read by title only. Unless noted otherwise, all ordinances shall be published.

With respect to resolutions, the title of the resolution shall contain sufficient information to inform a person about the relevant contents of the resolution. All resolutions shall be read by title only unless any Council Member or the Mayor requests during the meeting that the resolution be read fully.

SECTION 8. Any and all discussions, comments, and/or debates by any member of the council, mayor, and other interested persons shall be limited to no more than three (3) minutes per person, per measure. Extensions of this time may be granted by the City Council by majority vote. Explanations of a measure as well as responses to questions about the measure, which are made by a Council Member, official, department head, employee or citizen who is bringing the measure before the council, or any advice by the City Attorney, shall not be included in the council's three (3) minute time limit.

SECTION 9. A quorum of the council members must be present for any council meeting or special council meeting to be held. Council working sessions may be called when no quorum is present; however, no decisions or votes shall be taken by the members unless a quorum is present.

SECTION 10. Unless otherwise changed during the preceding City Council meeting, committee meetings shall take place in accordance with the calendar attached hereto as Exhibit 1. Emergency committee meetings may be called on shorter notice, provided that at least the two (2) hour notice required by the Arkansas Freedom of Information Act is given to the representatives of the news media in accordance with Ark. Code Ann. §25-19-106(b)(2). Committee chairs shall be responsible for working with the committee's staff liaison to notify the media, the public, the Mayor, and all elected officials of all regular and special committee meetings.

A quorum of the committee members must be present for SECTION 11. the committee meeting. For purposes of committee meetings, a quorum is established by the presence of the chair or vice chair of the committee and three additional members of the City Council. The presence of a council member may be by telephone, video conference, or other electronic means. When any such member has a virtual presence at the meeting, the chair of the committee shall insure that the council member is properly identified, the council member is able to hear the discussion of the committee, and the attendees in the room may also hear the council member as well. A committee member present by virtual means shall be counted to determine if a quorum is present. If less than a quorum of the committee members is present, the committee may discuss and take public comment, but no vote shall occur on any matter before the committee. If a quorum of the committee members is present, the committee chair shall have the exclusive decision regarding the voting procedures of the committee; however, all council members present either in person or virtually shall be allowed to vote at the meeting on any pending measure. No committee member shall have more than one vote. Committee assignments shall take place at the organizational meeting of the City Council.

Provided that it pertains to the purpose for which said meeting was called, the agenda for the special meeting can include more than one item. The committee chair in conjunction with the City administration shall set the agenda for each

committee meeting. Items may be added to the agenda by the committee chair with the consent of the majority of the committee members present during the meeting.

SECTION 14. Council members and commissioners are representatives of the City and its citizens and shall always treat City employees and citizens with professional courtesy. Council members shall not berate, harass, intimidate, or admonish any City employee or citizen.
