The event will take place at both the Farmers' Market and the Ralph Bunche Park and will include a band, a DJ, black owned business vendors, food trucks, games and a historical presentation. Bill thanked the Parks' representatives and said the commission will vote on the request at its next meeting.

#### VI. REPORT FROM BENTON EVENT CENTER

Director Nikki Chumley reported about 15 events that have taken place in the venue since the last A&P meeting, including the Bauxite and Bryant proms, the multi-day Pentecostal Ladies Conference (after a two-year hiatus due to Covid) and an ARDot construction team meeting. The summer calendar has very few empty days and inquiries for event dates continue to be strong.

#### VII. OLD BUSINESS

- A. RFQ for Land for Future Project Development Update Bill Eldridge reviewed that the Focus Group made recommendations for two projects its members believe would bring income to the city and improve quality of life: an RV park and a soccer complex. An RFQ for land was published and three responses were received. After meeting with the landowners, it was determined that two of the proposed pieces of land did not the requirements. The other proposed piece of land is approximately 35 acres of land and meets the requirements and is a great location for the soccer complex with high visibility from the interstate. It is owned by Dan Moudy and is located at Exit 114 behind the new fire station and is also close to Benton School District's newly purchased property. The negotiated purchase price is \$950,000 and there are available funds to pay in cash. Steve Brown made a motion to enter into a contract to purchase the approximately 35 acres of land located at the northwest corner of Interstate 30 and Highway 229 at exit 114 for a future soccer complex for \$950,000. Alison Burch seconded. Motion carried.
- B. Downtown Light Project Update Bill Eldridge recognized John Wilson with Lights by Sparky. John informed the commission that all repairs and updates have been completed on the project with the last of the electrical updates being finished this week. He thanked the commission for choosing his company for the project.
- C. Collection of A&P Taxes from Vacation Rentals and Airbnb Listings Bill Eldridge reported that he and City Attorney Baxter Drennon will meet soon to discuss this issue. Alison Burch requested that they also discuss the opportunity of collecting A&P taxes from third party rental sites.

#### IIX. NEW BUSINESS

Unused Budgeted Funding Amount — Bill Eldridge reminded the commissioners that any unused budgeted funding amount was previously designated towards the outstanding bonds. Since the bonds have been paid in full, Bill recommended making a decision of what to do with any unused budgeted funds moving forward. The current amount budgeted for funding is \$40,000. After discussion, Steve Brown made a motion to designate any unused budgeted funding amount for additional funding requests. Alison Burch seconded. Motion carried.

#### IX. OTHER BUSINESS

Bill Eldridge recognized Lamont Cornwell, Director of the Saline County Economic Development Commission. Lamont informed the commission that he has been

contacted by representatives from Retail Strategies about creating and managing a marketing promotion for the City of Benton. He said it's a different approach from anything he's ever seen and would like the commission to consider providing the funding. The commissioners watched a video introducing the company and providing details of its services. The proposed service of a retail recruitment program is for one year and usually costs \$50,000. Lamont said Retail Strategies has agreed to reduce the cost to \$40,000 for Benton. Representatives from the company would spend time in the city to get to know the current economic climate and to evaluate what is needed. They would then attend trade shows of major retailers to sell Benton and make connections on behalf of Benton. The commissioners will discuss this further at the next meeting.

#### X. ADJOURNMENT

Steve Brown made a motion to adjourn the meeting. Alison Burch seconded. Motion carried. The meeting was adjourned at 4:34 pm.
