Public Hearing

Changes to Zoning Ordinance [Multi-Family Definition]

Due to Chairman Black being absent during the public hearing, Commissioner Stillwell makes a motion for Commissioner Gibson to sit in as chair. Commission Burks second.

Commissioner Gibson asked Mrs. Matthews to introduce the proposed changes to the Zoning Ordinance. Mrs. Matthews states that this is regarding the proposed definition change for Multi-Family. If approved, this will make a building containing **two or more residential units** be considered Multi-Family. Chairman Gibson calls for any comments or questions regarding the proposed changes. There are no questions or comments. Commissioner Gibson declares the public meeting to be adjourned. Since this is a change to the Zoning Ordinance, it will go before the City Council for final approval.

Meeting Adjourned.
