

NBSTC Sept. Meeting Agenda

Theodore W. Schmidt, Chair

Members: Sheryl Pitel, Leeanne, Liaison, Gail Foley

Sept, 18, 2025

3:00 pm. Borough Hall

New Business

1. Land development,
 - New Owner of Steeple view project- New plan coming
2. Inventory update:
 - Add removed trees to inventory. Consider same tree to replace retain same inventory No#.
 - Removal of #286, 32 N. Lincoln.
 - Removal of Sheryl's tree and discuss new variety.
 - Add Chinese Elms along Congress in Brian Gregg to INB.
 - Trees will be planted in fall.
3. Discuss Bamboo Ord. – use Northhampton's draft ord. Go to council in OCT.

Purdue university's equation for determining the age of a tree was used to determine the age of the White Oak behind Friend's meeting house.

Circumference = 18'2" , Divide by Pi.= 69.39"

Multiply by the tree growth factor of a white = 5= 347 years old.-Acorn grown in 1678

$2024 - 215 = 1809 = 10$ A white Oak would have been planted between 5 and 10 years old.
