---

1. Project Overview

The City of Derby is requesting sealed proposals from qualified and experienced contractors to perform roadway milling, paving, and associated appurtenance adjustments at multiple locations throughout the city.

---

2. Project Locations

Work under this contract may include the following locations:

1. Public Works Complex
2. Rear Parking Lot – Bradley School
3. Rear Parking Lot – Derby High School (DHS)
4. West Fourth Street
5. Sodom Lane – Marshall Lane to Hine Terrace
6. Crescent Street
7. Coon Hollow Road
8. Third Street – Minerva Street to Elizabeth Street
9. Gaidosz Way

RECEIVED

By Office of Derby Town Clerk Marc J. Garofalo, MPA, MMC, MCTC at 2:46 pm, Apr 28, 2026

Note:

- The list of project locations is subject to change at the discretion of the City. The City reserves the right to add, remove, substitute, or modify roadway segments based on funding availability, field conditions, or operational needs, provided such changes remain within the general scope of this contract.
- Quantities, limits, and depths of milling may vary by location. Contractors are responsible for field verification of dimensions and conditions prior to bidding.

---

3. Scope of Work

The work consists of the following:

- Milling of existing bituminous concrete pavement
- Removal and lawful disposal or recycling of millings
- Street sweeping and surface preparation.
- Application of tack coat
- Placement and compaction of new hot-mix asphalt
- Adjustment and/or replacement of catch basin tops, manholes, and utility structures as required.
- Restoration of driveway aprons and pavement transitions
- Maintenance and protection of traffic

---

4. Prevailing Wage

- This project is subject to the Connecticut Prevailing Wage Statutes. All contractors and subcontractors shall comply with applicable wage determinations, certified payroll requirements, and reporting obligations for the duration of the project.

RECEIVED
By Office of Derby Town Clerk Marc J. Garofalo, MPA, MMC, MCTC at 2:48 pm, Apr 28, 2026

5. Milling and Paving Methodology

5.1 Milling

- Milling shall be performed to a nominal depth of 2 inches, unless otherwise directed by the Engineer or the City's authorized representative.
- The City reserves the right to require variable-depth milling (up to 3–4 inches in localized failure areas) to address structural deficiencies discovered during construction.
- Fine milling may be required in parking lots and residential streets to improve ride quality and drainage.
- All milling equipment shall include automatic grade and cross-slope controls.
- The contractor shall take particular care to prevent the milled material from falling into the storm sewer system. Any milled material that has fallen into the storm sewer system shall be removed at the contractor's expense.

5.2 Asphalt Recycling and Sustainability

- Contractors are encouraged to maximize reclaimed asphalt pavement (RAP) usage in accordance with CTDOT specifications.
- Millings shall become the property of the Contractor unless otherwise specified.

5.3 Tack Coat

- Tack coat shall be applied using a calibrated, pressurized spray system.
- Application rates shall conform to current CTDOT Form 818 requirements.
- Surfaces must be clean, dry, and free of debris prior to application.

5.4 Paving

- Hot-Mix Asphalt shall be HMA S0.375, Level 2, or approved equal, unless otherwise specified.
- Placement depth shall generally match milled depth to maintain existing grades.
- The City may permit or require warm-mix asphalt (WMA) technologies if approved by the Engineer or the City's authorized representative.
- Handwork shall be required around structures, tight curb lines, and parking lot areas.

RECEIVED
By Office of Derby Town Clerk Marc J. Gerofalo, MPA, MMC, MCTC at 2:46 pm, Apr 28, 2026

5.5 Pavement Failure and Base Repair

- Areas exhibiting pavement failure, base failure, excessive pumping, or other structural distress uncovered during milling or paving operations shall be evaluated by the City or its Engineer.
- Repairs shall be performed only as directed by the City. Compensation, if authorized, shall be based on applicable unit prices bid under this contract or by negotiated change order. No additional work shall be performed without prior authorization.

---

6. Materials and Specifications

All work shall be performed in accordance with:

- CTDOT Standard Specifications (Form 818 – latest edition)
- Applicable City of Derby ordinances and regulations
- Best current paving practices

Materials shall include:

- Hot-Mix Asphalt (HMA S0.375, Level 2)
- Approved tack coat material
- Bituminous concrete for curb and apron restoration, where required.

By Office of Derby Town Clerk Marc J. Garofalo, MPA, MMC, MCTC at 2:46 pm, Apr 28, 2026

6.1 Quality Control Plan

At least thirty (30) calendar days prior to commencement of paving operations, the selected Contractor shall submit a project-specific Quality Control (QC) Plan to the City or its authorized representative for review.

At a minimum, the Quality Control Plan shall include:

- Identification of the QC Manager / Paving Superintendent responsible for overall quality oversight
- Identification of the Paving Foreman or Process Control Technician
- Description of quality control procedures for milling, surface preparation, tack coat application, paving, compaction, and finishing
- Identification of material sources for hot-mix asphalt and tack coat
- Description of paving equipment and controls, including grade and cross-slope controls
- Summary of best paving practices to be employed for this project

Submission of the Quality Control Plan is for coordination purposes and shall not relieve the Contractor of responsibility for the quality of work or compliance with all specifications

6.2 Quality of Work

- All milling and paving work shall be performed in a manner that produces a uniform, dense, smooth and durable pavement surface consistent with CTDOT standards and good construction practices. The Contractor shall correct, at no additional cost to the city, any work found to be defective, deficient or not in conformance with the contract document.

7. Traffic Control and Work Hours

- Work shall be performed Monday through Friday, from 7:00 a.m. to 4:00 p.m.
- Weekend or holiday work requires prior written approval.
- Contractors shall provide traffic control and detour plans in accordance with CTDOT MPT standards.
- Police traffic personnel may be required at certain locations.
- When practicable and where site conditions allow, the Contractor shall maintain at least one travel lane open to traffic during work operations. Any open travel lane shall be maintained at a width sufficient to safely accommodate vehicular traffic, emergency vehicles, and municipal service vehicles, as determined by the City or its authorized representative.

8. Licensing, Insurance and Bonding Requirements

- The selected contractor shall be properly licensed and insured to perform paving and roadway work in the State of Connecticut and shall provide such proof upon request.
- The selected contractor shall furnish a Performance and Payment bond, each in the amount of 100% the total contract value issued by a surety licensed to do business in the State of Connecticut, within ten (10) days from notice of award prior to the execution of the contract.
- Failure to provide required bonds, licenses, or insurance shall constitute grounds for rejection of the proposal or termination of contract award.

8.1 Minimum Insurance Requirements

- Minimum Insurance requirements are as follows:
  - Commercial General Liability: 1mm per occurrence, 2mm aggregate
  - Automobile Liability: 1mm combined single limit
  - Workers' Compensation: Limits in accordance with Connecticut Law
  - Employer Liability: $500,000 each accident

The City of Derby shall be named as an Additional Insured on the Contractor's Commercial General Liability and Automobile Liability policies.

Certificates of Insurance evidencing the required coverage shall be provided to the City prior to commencement of work and upon request thereafter. The required insurance coverage shall not be cancelled, materially changed, or allowed to lapse without prior written notice to the City.

9. Vendor and Submission Requirements

- Demonstrated experience with milling and paving jobs of comparable size and scope.
- Provide at least 3 references for comparable projects.
- Submit a detailed project schedule and staffing plan.
- Each proposal shall be accompanied by a bid bond in the amount of 10% of the proposed amount as required by the City of Derby Charter, issued by a surety licensed to do business in the State of Connecticut
- Conflict of Interest Statement & Supporting Documentation – Proposer shall disclose any professional or personal financial interests which could be a possible conflict of interest in representing the City of Derby.
- Tax Exemption: The City of Derby is tax exempt. A tax-exempt certificate will be provided upon request. Bids shall exclude CT sales/use tax.

10. Measurement and Payment

Payment will be based on the following anticipated bid items:

- Fine Milling of Bituminous Concrete (Square Yards)
- Hot-Mix Asphalt, HMA S0.375 (Tons)
- Material for Tack Coat (Gallons)
- Catch Basin Top Replacement (Each, if required)
- Traffic Control / Police Services (Allowance or Unit Cost)

All incidental work, including sweeping, protection of utilities, temporary transitions, and disposal of millings, shall be included in the unit prices.

No additional compensation shall be made for multiple milling passes required to achieve the specified depth.

Estimated quantities are for bid evaluation purposes only and are not guaranteed

Work under this contract shall be paid for on a unit-price basis using the criteria seen above in this section.

---

11. Contractor Responsibilities

- Conduct site visits and verify quantities prior to bidding.
- Protect all existing utilities and structures.
- Repair any damage caused by construction operations at no additional cost to the City of Derby.
- Maintain safe access to properties at all times.

---

12. Basis of Award

The contract will be awarded to the lowest responsible and responsive bidder, as determined by the City of Derby, taking into consideration but not limited to total bid price, compliance with specifications, bidder qualifications, past performance, and the best interest of the City.

RECEIVED

By Office of Derby Town Clerk Marc J. Garofalo, MPA, MMC, MCTC at 2:46 pm, Apr 28, 2026

13. Proposal Submission

Proposals must be submitted electronically in one document in PDF format on the City's website at www.derbyct.gov/bids. Additional information can be obtained from Brian Hall, Finance Director, 1 Elizabeth Street, Derby CT 06418, 203-736-1453, or bhall@derbyct.gov.

Proposals are due by 12:00 noon on Friday May 29, 2026

14. Terms & Conditions

The City of Derby reserves the right to reject any or all proposals, waive informalities, and award the contract deemed in the best interest of the City. Work must comply with all applicable codes and regulations. Payment terms and warranty conditions shall be clearly stated in the proposal. All costs incurred in the preparation of the proposal are the responsibility of the proposer.

Price Validity

All prices submitted in response to this RFP shall remain firm and valid for a period of ninety (90) calendar days from the date of bid closing. No escalation, fuel surcharge, material increase or labor cost adjustments shall be permitted during this period.

Would you consider putting in a line item for driveways by the ton (handwork)? **Yes, you can add a section in the bid sheet for Pavement per Ton $ (Driveways).**

There is no line item for traffic control, some road will need police and their rate varies. Some road may only need flaggers. **Do not quote a price for traffic control. The city will pay for this expense directly.**

Would you consider adding escalators into the pricing? **No, please do not assume any escalator pricing.**

Will the city supply Catch Basin tops, Manhole & Utility covers, and frames? **Yes, the City will supply Catch Basin tops, Manhole & Utility covers, and frames as needed.**

Can you provide a little more detail as to where the work will take place at the DPW and which parking lot at the High School. Is it to the left or right of the school or the small area between the school and the ball field. **The work at the DPW will be the whole back of garage area. For the school, it will be by the Little Raiders Academy, behind the little league field.**

This document has important legal consequences. Consultation with an attorney is encouraged with respect to its completion or modification.

Any singular reference to Contractor, Surety, Owner or other party shall be considered plural where applicable.

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.
