Subject: Fire Act Grant Award

Good morning Mayor,

As you are aware, the fire department has been awarded a Fire Act Grant for the installation of Vehicle Emission Removal Systems at each of the four firehouses.

The total Grant Award is $99,900 ($95,142.85 FEMA, $4,757.15 Non-Federal Commitment) . Our request was $136,550 based on a quote received from a vendor. FEMA cites a higher than median cost per unit as cause for reducing the award.

We received a quote from a different vendor, Ward Diesel Systems following the submission of the Grant Application $79,968, prior to receipt of the Grant Award letter. The quote is based on eight installations, two bays at each firehouse.

The third bay at the Storm Engine Company houses the Storm Engine Ambulance Corps Rescue 18. Because this is a non-fire department agency, it was not included in the Grant Application due to non-eligibility. The cost for additional systems is $9,996 per unit.

This change in scope will require FEMA review/Approval. Unfortunately, due to the Federal Government Shutdown, communication to initiate any changes cannot occur until the situation changes.

I have attached the FEMA Award Package for your reference and the Vendor contract from Ward Diesel Filter Systems for your/Corporation Counsel review. Because the systems are site specific, and are fabricated and installed by very few vendors, please consider a bid waiver for this project.

I have checked with multiple local departments with Ward Systems and have received positive feedback.

Please reach out with any questions or concerns.

Re: Fire Chief Vehicle Bid Waiver Request

Sir,

The Capital Planning Commission, on November 24,2025, approved to recommend to the Board of Aldermen/Alderwomen the 25-26 LoCIP Allocations and Capital Expenditure Line Items. The Board of Aldermen/Alderwomen subsequently approved the recommendation received from the Capital Planning Commission.

The purchase of a new Fire Chief Vehicle is included in the approved plan. The search for a new vehicle resulted with locating a pre-owned 2025 Chevrolet Tahoe, completely outfitted with after market warning lights, graphics and command equipment. The vehicle is a demonstrator owned and utilized by Fleet Auto Supply, a local emergency vehicle vendor. The vehicle has been used by the vendor as a display at trade shows across New England and service calls for business. The vehicle has 6,500 miles and the sale price is $80,000.00.

The department is requesting a Bid Waiver for the purchase of the vehicle because of the unique opportunity to purchase a fully outfitted Chief vehicle currently at this cost. The alternative is purchase a new vehicle and outfit with an emergency response package.

In comparison, a new 2027 Chevrolet Tahoe purchased via the State of CT Department of Administrative Services with a similar upfit package will cost in excess of $100,000.00*

- * State of CT DAS 2027 Chev Tahoe $ 55,500, Upfit package $45,000.00.

8.1.4

Compare to the proposed 2025 Chevrolet Tahoe $ 45,000, Upfit package $35,000.**

**Discounted upfit package, see attachment

Fleet Auto Supply is an excellent vendor, recognized for outstanding service to many agencies across the State of Connecticut. This vehicle will serve the City of Derby well.

Please reach out with any questions.

Yours in Service

(B) Establishing for, or offering to, different consumers different prices for the same consumer good or consumer service due to (i) justifiable differences in the costs incurred in providing such consumer good or consumer service to such consumers, including, but not limited to, justifiable differences in consumers' physical locations, consumer selections, delivery distances or delivery times, or (ii) justifiable temporal differences, including, but not limited to, justifiable temporal differences due to price fluctuations based on supply and demand;

The retail seller or third-party delivery service shall prominently post the discount and discounted price, and the uniform terms and conditions for such discount and discounted price, on such retail seller's or third-party delivery service's Internet web site in language that is readily understandable by the average consumer; or

(D) Correcting a price resulting from a pricing error or resetting a price following a system or network outage.

(d) The provisions of subsections (b) and (c) of this section shall not

be construed to apply to:

(1) Any person licensed, authorized to operate or registered, or required to be licensed, authorized to operate or registered, pursuant to the insurance laws of this state; or

(2) Any person who can demonstrate that any refusal to extend credit, the terms, rates or pricing on which any credit or financial services are extended or any refusal to enter into a transaction with a specific consumer is based on (A) data provided in a consumer report covered by the Fair Credit Reporting Act, 15 USC 1681 et seq., as amended from time to time, or (B) data reflecting factors a creditor is permitted to consider under the Equal Credit Opportunity Act, 15 USC 1681 et seq., as amended from time to time, and the regulations promulgated under said act.

TO: City of Derby Alderman/Alderwomen

FROM: Jodie Enriquez, Tax Collector

SUBJECT: Suspense List

Attached is my proposed Suspense List for consideration and approval by the Board of Aldermen and Alderwomen for the current year. CGS § 12-165 requires municipal tax collectors to maintain a "suspense tax book" for transferring uncollectible taxes, such as delinquent personal property or motor vehicle accounts, at least once a year. The items transferred to suspense are removed from consideration as assets of the town but are not abated as a tax liability of the person against whom it was levied. Taxes are collectible for 15 years, therefore; even though they will be put on suspense, I will still be attempting collection.

The total of Real Estate is $22,469.28

The total for Sewer Use and Capital fee is $5,881

The total for Personal Property is $61,056.82

The total for Motor Vehicle and Supplemental Motor Vehicle is $369,069.76

Please review the list and if you should have any questions, please see me.

I hereby certify that to the best of my knowledge and belief each tax in the foregoing lists has not been paid and is deemed uncollectible.
