Subject: Zoning Variance Appeal Meeting for 04/23/26

Dear Ms. Narowski,

I am writing to notify the Derby Zoning Board of Appeals that, as property owners of 136 Park Avenue in Derby, my husband and I are completely opposed to the granting of the requested variance for the property at 285 Roosevelt Drive.

Our reasons for this are varied and many. We will be present at the scheduled meeting on 04/23/26 and look forward to discussing them with the board members.

Thank you,

Linda and Victor Casini
