New Business:

1. Anthoni Avenue requests were presented to the Commission by the Office manager for Dr. Tiu's office, others present included staff from Dr. Tiu's office and representatives from Augusta Levy School. Requests for double yellow to be painted on Anthoni Avenue to fully designate lanes on road and for a stop sign to be placed at the top of the road, making a 3 way stop before turning in or out of parking lots. Staff members voiced concerns for safety, and near misses daily due to drivers not looking before pulling out of parking lots from hotel. A discussion ensued over safety measures that can be implemented on the private parking lots. Commissioners felt a stop sign at the top of the hill was not appropriate as the main road has the right of way and criteria was not met for a 3-way intersection.
