##### *Certificate of Appropriateness 2244 Market Street*

Staff explained the applicant's want to repaint the façade of the building. Normally, staff can approve a paint project if the colors are acceptable, however in this instance the previous tenant painted the foundation which is not allowed. The applicant also requested to hang a sign over the door. The applicant, William and Pat Rice, intend to power wash the sandstone to remove the paint, but if that is not successful they would like to paint. Commissioner Wilson advised the applicant that painting sandstone is not advisable. Chairman Kaiser inquired if they had a copy of the guidelines. Commissioner Wilson requested staff to send a letter to property owners reminding them of the need to get permission before making changes. Chairman Kaiser opened the public hearing. No one spoke on the matter. Commissioner Smith recommended approval. Commissioner Gilot seconded the motion. All were in favor.
