July 15, 2019

The Public Safety Committee of Wheeling City Council met on the above date at 5:00 p.m., in City Council Chambers. Committee Members present: Chair Dave Palmer, Vice-Chair Ken Imer, and Member Melinda Koslik. Others present: Mayor Glenn Elliott, Councilors Thalman, Scatterday, and Ty Thorngate; City Manager Robert Herron, City Clerk Brenda J. Delbert, Finance Director Seth McIntyre, and media

The following matters were discussed:

Discussion on Public Safety Building

Mr. Palmer explains that after the levy failed in November of 2018 the need for a public safety building was still present and had to look at other options. Mr. Herron states at the direction of Council he began to look at other sites and options. Craig O'Leary from RED addresses the committee on the three options that were considered. The recommended location based on needs for size and cost savings is a vacant warehouse on 19th St., best known as the Hazle Atlas property. The property is currently owned by Frank Calabrese. Mr. O'Leary presents a drawing of the proposed building and new location, and explains the cost savings of a one-story building and the pros and cons of demolition with new build. Mr. Imer moved, seconded by Ms. Koslik to forward to recommended location to Council.

There being no further business to come before the Committee, Ms. Koslik moved, seconded by Mr. Imer, to adjourn. Motion carried. Time: 5:31 p.m.
